This health plan includes a limited provider network called HMO Blue Select. It provides access to a network that is smaller than the Blue Cross Blue Shield of Massachusetts HMO Blue provider network. In this plan, members have access to network benefits only from the providers in the HMO Blue Select network. For help in finding which providers are included in the HMO Blue Select network, check the most current provider directory for your health plan option or visit the online provider search tool at bluecrossma.com/findadoctor and search for HMO Blue Select.

✓ This health plan meets Minimum Creditable Coverage Standards for Massachusetts residents that went into effect January 1, 2014, as part of the Massachusetts Health Care Reform Law.

Your Primary Care Provider (PCP)

When you enroll in this health plan, you must choose a primary care provider. Be sure to choose a PCP who can accept you and your family members and who participates in the HMO Blue Select network of providers in Massachusetts. For children, you may choose a participating network pediatrician as the PCP.

For a list of participating PCPs or OB/GYN physicians, visit the Blue Cross Blue Shield of Massachusetts website at bluecrossma.com/findadoctor; consult the Provider Directory; or call the Member Service number on your ID card.

If you have trouble choosing a doctor, Member Service can help. They can give you the doctor's gender, the medical school she or he attended, and whether there are languages other than English spoken in the office.

Referrals

Your PCP is the first person you call when you need routine or sick care. If your PCP decides that you need to see a specialist for covered services, your PCP will refer you to an appropriate network specialist within the HMO Blue Select network, who is likely affiliated with your PCP's hospital or medical group. You will not need prior authorization or referral to see an HMO Blue Select network provider who specializes in OB/GYN services. Your providers may also work with Blue Cross Blue Shield of Massachusetts regarding referrals and Utilization Review Requirements, including Pre-Admission Review, Concurrent Review and Discharge Planning, Prior Approval for Certain Outpatient Services, and Individual Case Management. For detailed information about Utilization Review, see your benefit description.

Your Deductible

Your deductible is the amount of money you pay out-of-pocket each plan year before you can receive coverage for most benefits under this plan. If you are not sure when your plan year begins, contact Blue Cross Blue Shield of Massachusetts. Your deductible is **\$300** per member (or **\$900** per family).

Your Out-of-Pocket Maximum

Your out-of-pocket maximum is the most that you could pay during a plan year for deductible, copayments, and coinsurance for covered services. Your out-of-pocket maximum for medical benefits is **\$2,500** per member (or **\$5,000** per family). Your out-of-pocket maximum for prescription drug benefits is **\$1,000** per member (or **\$2,000** per family).

Emergency Room Services

In an emergency, such as a suspected heart attack, stroke, or poisoning, you should go directly to the nearest medical facility or call **911** (or the local emergency phone number). After meeting your deductible, you pay a copayment per visit for emergency room services. This copayment is waived if you're admitted to the hospital or for an observation stay. See the chart for your cost share.

Telehealth Services

You are covered for certain medical and mental health services for conditions that can be treated through video visits from an approved telehealth provider. Most telehealth services are available by using the Well Connection website at wellconnection.com on your computer, or the Well Connection app on your mobile device, when you prefer not to make an in-person visit for any reason to a doctor or therapist. Some providers offer telehealth services through their own video platforms. For a list of telehealth providers, visit the Blue Cross Blue Shield of Massachusetts website at bluecrossma.com, consult the Provider Directory, or call the Member Service number on your ID card.

Service Area

The plan's service area includes all Massachusetts counties except Dukes, Barnstable and Nantucket.

When Outside the Service Area

If you're traveling outside the service area and you need urgent or emergency care, you should go to the nearest appropriate health care facility. You are covered for the urgent or emergency care visit and one follow-up visit while outside the service area. Any additional follow-up care must be arranged by your PCP. See your benefit description for more information.

Dependent Benefits

This plan covers dependents until the end of the calendar month in which they turn age 26, regardless of their financial dependency, student status, or employment status. See your benefit description (and riders, if any) for exact coverage details.

 The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, see www.emilia.org. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at bluecrossma.com/sbcglossary or call 1-800-782-3675 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$300 member / \$900 family in-network; \$400 member / \$800 family out-of-network.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. In-network preventive and prenatal care, most office visits, therapy visits, certain mental health services, and prescription drugs.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	For medical benefits, \$2,500 member / \$5,000 family; and for prescription drug benefits, \$1,000 member / \$2,000 family.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See bluecrossma.com/findadoctor or call the Member Service number on your ID card for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

A All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.

 The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, see www.emilia.org. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at bluecrossma.com/sbcglossary or call 1-800-782-3675 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$300 member / \$900 family.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. Preventive care, prenatal care, prescription drugs, most office visits, certain mental health services, therapy visits.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	For medical benefits, \$2,500 member / \$5,000 family; and for prescription drug benefits, \$1,000 member / \$2,000 family.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See bluecrossma.com/findadoctor or call the Member Service number on your ID card for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	Yes.	This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist.

A All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
