

September 30, 2013

The enclosed notice is being sent to all Employees as required by Federal Law, specifically the Affordable Care Act (ACA).

The enclosed provides the required information that subsidized coverage may be available to some employees through the Massachusetts Connector. As you review the information below, we expect that only a few employees who are eligible for participation in the Town of Millbury health benefit program will be eligible for subsidized coverage through the Massachusetts Connector.

If an Employee's household income, including spousal and dependent (if required to file a tax return) income is under a certain dollar threshold, coverage purchased through the Exchange may include a Federal Subsidy. The Exchange will make the final determination.

The "benchmark" for affordability is based on your total household income when compared to the Employee/Individual lowest cost plan we offer. Please note Federal Law uses the Individual premium for this calculation even if the Employee has Family coverage. Coverage is deemed "affordable" if your share does not exceed 9.5% of your total household income.

At the present time, our lowest cost Individual Plan is Tufts Health Plan and the monthly Employee/Individual cost is \$162.40 at 25%.

Given the above, our coverage is "Affordable" if your total household income is at least \$20,513.68 annually.

Also noted on the attached Notice, should you decide to purchase coverage through the Exchange vs. through the Town of Millbury you will not receive any Employer monies to help pay for your premiums. You will also not be able to pay your premiums on a pre-tax basis.

Should you have any questions, please contact Denise Marlborough, Treasurer/Collector at 508-865-9121 or email: dmarlborough@townofmillbury.net.

Sincerely,

A handwritten signature in black ink that reads "Denise Marlborough". The signature is written in a cursive style with a large initial "D" and "M".

New Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved
OMB No. 1210-0149
(expires 11-30-2013)

PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution—as well as your employee contribution to employer-offered coverage—is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact Denise Marlborough, Treasurer/Collector at 508-865-9121 or email: dmarlborough@townofmillbury.net

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

¹ An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer name Town of Millbury		4. Employer Identification Number (EIN)	
5. Employer address 127 Elm Street		6. Employer phone number 508-865-4710	
7. City Millbury	8. State MA	9. ZIP code 01527	
10. Who can we contact about employee health coverage at this job? Denise Marlborough, Treasurer/Collector			
11. Phone number (if different from above) 508-865-9121		12. Email address dmarlborough@townofmillbury.net	

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:
 All employees.

- Some employees. Eligible employees are:

"those employees who work not less than 20 hours per week, regularly, during the regular work week of permanent or temporary employment, but excluding seasonal employees or emergency employees"

- With respect to dependents:

- We do offer coverage. Eligible dependents are:

"an employee's spouse, and employee's children up to 26 years of age, and any child 26 years of age or over who is mentally or physically incapable of earning the child's own living."

- We do not offer coverage.

- If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, HealthCare.gov will guide you through the process. Here's the employer information you'll enter when you visit HealthCare.gov to find out if you can get a tax credit to lower your monthly premiums.

The information below corresponds to the Marketplace Employer Coverage Tool. Completing this section is optional for employers, but will help ensure employees understand their coverage choices.

13. Is the employee currently eligible for coverage offered by this employer, or will the employee be eligible in the next 3 months?

Access to Section 125 Plan for Non Benefit-Eligible Employees of Local governments and other public entities

Beginning January 1, 2014, the Commonwealth's Connector Authority will no longer offer its Section 125 Plan (Voluntary Plan) on a pre-tax basis.

The Commonwealth has entered into a contract with Mosaic Insurance Exchange, Inc. to meet state, local, and other government employers' need to provide a pre-tax Section 125 plan for employees beginning in January when the Connector's pre-tax Section 125 plan goes away.

Local governments and other public entities which would like to use the new state contract with Mosaic Insurance Exchange, Inc. to offer a pre-tax Section 125 plan for their employees beginning in January should contact the Office of Administration and Finance by sending an email to MunicipalHealth@state.ma.us. You **must** include the words "Section 125" in the email subject line.

Under Mass. Gen. Laws chapter 151F, all public and private employers with 11 or more full-time equivalent employees must offer all employees (whether or not benefit-eligible) a Section 125 plan so they may pay for health insurance on a pre-tax basis. Since 2007, the state and some other employers had met this requirement by participating in the Connector's Voluntary Plan. However, due to changes in federal law enacted via the ACA, the Connector cannot administer the Section 125 Voluntary Plan on a pre-tax basis after this year.
