2021-22 Phase Four: English Learner Plan for Districts (Lau Plan)

To meet the requirements of Title VI of the Civil Rights Act of 1964 and the Equal Educational Opportunities Act of 1974, all districts will develop a local plan for providing services to English learner (EL) students. All districts must have a plan in place, regardless of current EL enrollment.

The school district's EL plan is commonly referred to as a Lau Plan, in reference to the 1974 Lau v. Nichols Supreme Court case in which the Court ruled students cannot be denied access in and participation in an educational program due to inability to speak or understand English. The Court ordered that districts must take affirmative steps to overcome educational barriers faced by non-English speaking students.

By completing these assurance statements districts are documenting that the district Lau Plan contains each of the required components and has been recently reviewed by the appropriate stakeholders and is easily available to the general public. In addition to completing the assurances, the district Lau Plan **must** be uploaded as an attachment.

Choose Yes or No for each statement and upload the district Lau Plan as an attachment.
