SoWashCo Cultural Liaisons connect the district with families and the community. They are advocates for equity and inclusion in the district as well as empowering and supporting families to promote student academic success.

Cultural Liaisons assist and support students and families with:

- Cultural adjustment
- Social-emotional development
- Achieving academic success
- Developing leadership skills
- Career and college readiness

If assistance from a liaison is needed, please email the Supervisor of Diversity, Equity and Inclusion, Ashley Acosta at aacosta1@sowashco.org or Gina Spoo at gspoo0@sowashco.org.
