INDEPENDENT AUDITORS' REPORT

To the Members of the Board of Education
Region 1, Special Education District

We have audited the accompanying financial statements of the Region 1, Special Education District (the "District"), which are as listed in the table of contents as of and for the fiscal year ended June 30, 2019, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the accounting practices prescribed or permitted and the financial reporting provisions prescribed or permitted by the Illinois State Board of Education. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1, the District has prepared these financial statements using accounting practices prescribed or permitted and the financial reporting provisions prescribed or permitted by the Illinois State Board of Education, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to comply with the requirements of the Illinois State Board of Education.

The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statements referred above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the District as of June 30, 2019 or changes in financial position for the fiscal year then ended.

Basis for Modified Opinion on Regulatory Basis of Accounting

The District does not maintain a detailed listing (inventory) of fixed assets, which is required under the regulatory provisions prescribed by the Illinois State Board of Education. Therefore, the amounts included in the general fixed assets account group and the information contained on page 27, have not been audited. In addition, the District has omitted disclosures required by Governmental Accounting Standards Board Statement 75, *Accounting and Financial Reporting for Post-Employment Benefits Other Than Pensions*. The amount by which this disclosure would affect the financial statements is not reasonably determinable.

Modified Opinion on Regulatory Basis of Accounting

In our opinion, except for the effects of the matters discussed in the "Basis for Modified Opinion on Regulatory Basis of Accounting" paragraph, the financial statements referred to above present fairly, in all material respects, the assets and liabilities and fund balances of the District as of June 30, 2019, and its revenues and expenditures, and the changes in financial position thereof for the fiscal year then ended in accordance with the accounting practices prescribed or permitted and the financial reporting provisions prescribed or permitted by the Illinois State Board of Education as described in Note 1.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the District's basic financial statements. The information provided on page 2, the statistical section on pages 26 and 29-30, and the report on shared services on page 31 and the itemization schedule on page 33 are presented for the purposes of additional analysis and are not a required part of the basic financial statements. Such information, except for the report on shared services on page 31, is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. This information, except for the report on shared services, has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying

accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

The information on page 30 is propagated from information in the audited basic financial statements, but we take no responsibility for the accuracy of that calculation.

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the District's basic financial statements. The accompanying Schedule of Expenditures of Federal Awards is presented for the purposes of additional analysis as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The 2018 comparative information shown in the Schedule of Expenditures of Federal Awards was subjected to auditing procedures applied by us and our report dated October 12, 2018 expressed an unmodified opinion that such information was fairly stated in all material respects in relation to the 2018 financial statements taken as a whole.

Other Reporting Required Under Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 1, 2019 on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

REGION 1, SPECIAL EDUCATION DISTRICT

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2019

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the Region 1, Special Education District (the "District") conform to the regulatory provisions prescribed by the Illinois State Board of Education ("ISBE"). Set forth below are descriptions of the significant accounting policies followed by the District for financial reporting purposes.

- A. Reporting Entity - The District's financial statements include all funds, account groups and organizations over which the District officials exercise oversight responsibility.

Oversight responsibility includes such aspects as appointment of governing body members, budget review, approval of property tax levies, outstanding debt secured by the District's full faith and credit or revenues, and responsibility for funding deficits and others.

Accordingly, the District is not included in the financial statements of the Granite City Community Unit School District No. 9 ("GCSD") which is responsible for the administration of the District. In the opinion of management, the fund and account group included in the financial statements represents all appropriate organizations based upon application of these criterion.

- B. Basis of Accounting, Measurement Focus - Basis of accounting refers to when transactions or events are recognized in the accounts, how they are valued or measured, and how they are presented and disclosed in the financial statements. The District prepares the financial statements on the regulatory basis of accounting prescribed by ISBE, which practices differ from accounting principles generally accepted in the United States of America. The regulatory based financial statements are intended to assure effective legislative and public oversight of school district financing and spending activities of accountable Illinois school districts. The District's regulatory based financial statements are issued using the ISBE Annual Financial Report Forms which consist of individual fund statements including a statement of assets, liabilities and fund balances and a statement of revenues, expenditures and changes in fund balances for governmental funds. The regulatory based financial statements also include a statement of assets and liabilities for the account groups and fiduciary funds. This regulated presentation and disclosure differs from the presentation and disclosure of government-wide financial statements and fund financial statements as provided in accounting principles generally accepted in the United States of America. In the financial statements, transactions or events are recognized in the accounts at the time of cash inflow or cash outflow. For example, revenues are recorded when received rather than when susceptible to accrual, and expenditures are recorded when paid rather than when the fund liability is incurred. The modifications to the pure cash basis of accounting are comprised of recording investment purchases as assets when they arise from cash transactions. All accounts are measured based on the value of the cash inflow or outflow at the time of the transaction or event, and are not adjusted to fair value. Accordingly, the accompanying financial statements are not intended to present the financial position or results of operations in accordance with accounting principles generally accepted in the United States of America.

REGION 1, SPECIAL EDUCATION DISTRICT

Notes to Financial Statements (Continued)

- C. Fund Accounting - The accounts of the District are organized on the basis of a legally established fund and account groups as defined by ISBE, each of which is considered a separate accounting entity.

The financial position and results of operations of the fund, and amounts related to the general fixed assets account and general long-term debt account groups, are accounted for in separate sets of self-balancing accounts which comprise its assets, fund equity, revenues received and expenditures paid.

The District maintains funds and account groups as required by the State of Illinois. These funds are grouped as required for reports filed with ISBE and differ from accounting principles generally accepted in the United States of America. District resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The District's fund and account groups are as follows:

- Governmental Fund Type - Educational Fund - Established to account for all financial resources and expenditures of the District, including the direct costs of instruction, health, attendance and all costs of administration.
- Account Groups - Account groups are used to establish accounting control and accountability for the District's general long-term fixed assets and general long-term debt. Account groups are not "funds." They are concerned only with the measurement of financial position, not with the measurement of the results of operations. The District's account group is listed below:

General Fixed Assets - Fixed assets are accounted for at cost. Fixed assets used in governmental fund type operations (general fixed assets) are reported as fund expenditures in the Educational Fund in the year of acquisition. Depreciation is not provided on general fixed assets. However, depreciation and accumulated depreciation is computed for ISBE reporting based on methods and lives prescribed by ISBE. The District does not maintain a detail listing (inventory) of fixed assets and thus the amounts reported in the general fixed assets account group are not audited.

- D. Budgetary Practices - An annual budget is prepared on the modified cash basis of accounting, which is the same basis that is used for financial reporting. The budget is adopted by the Board of Education at the beginning of each fiscal year, as required by the Illinois School Code. The District Director is authorized to make transfers up to 10% between line items within a fund; however, any revisions that alter the total expenditures must be approved by the Board of Education. Budgeted amounts included in the accompanying financial statements reflect amounts adopted by the Board on August 28, 2018. There were no amendments to the original budget that was adopted. Actual expenditures exceed those budgeted in Fund 10.
- E. Vacation and Sick Pay - Vacation and sick pay benefits are provided for all full-time active employees. Generally, vacation pay does not accumulate if not used in the year earned, with the exception of five (5) days that can be carried over to the subsequent year. An employee can accrue a total of up to thirty (30) days, depending on longevity, which are payable upon termination. Sick pay benefits for a maximum of 340 accumulated days for certified teachers

REGION 1, SPECIAL EDUCATION DISTRICT

Notes to Financial Statements (Continued)

and 240 accumulated days for non-certified employees and secretaries. Certified employees are given a TRS credit for up to the first 340 accumulated days. Any residual days are then paid to the employee at one-half the substitute rate. Non-certified employees can vest and receive payment of up to \$15,000 for a maximum of 70% of their accumulated days. The payment is based on the employee's contracted daily rate. Any residual days are sent to the Illinois Municipal Retirement Fund ("IRMF") for a service credit.

- F. General Fixed Assets - Amounts expended for acquisition or improvement of land, buildings, equipment, furniture, vehicles and capital construction projects are recorded as expenditures for capital outlay in the educational fund when made. All such assets are capitalized as assets in the general fixed assets account group at cost. No depreciation is provided on these assets. ISBE requires calculation of yearly depreciation for use in the statistical section of the annual financial report. The District does not maintain a detailed listing (inventory) of fixed assets, thus the general fixed assets account group is not audited.
- G. Fund Balance Reporting - According to *Government Accounting Standards*, fund balances are to be classified into five major classifications; Nonspendable Fund Balance, Restricted Fund Balance, Committed Fund Balance, Assigned Fund Balance, and Unassigned Fund Balance. The Regulatory Model, followed by the District, only reports Reserved and Unreserved Fund Balances. Below are definitions of the differences and a reconciliation of how these balances are reported.

Nonspendable - Consists of amounts that cannot be spent because they are either not in spendable form or are legally or contractually required to be maintained intact. The District has no Nonspendable fund balance as of June 30, 2019.

Restricted - Consists of fund balances that are legally restricted by external parties or by law through constitutional provisions or enabling legislation. The District has no Restricted fund balance as of June 30, 2019.

Committed - Consists of fund balances that can only be used for specific purposes pursuant to constraints imposed by formal action by the District's Board of Education, the District's highest level of decision-making authority. This District has no Committed fund balances as of June 30, 2019.

Assigned - Consists of fund balances that are intended to be used for specific purposes but are neither restricted nor committed. Intent is expressed by the District's Board of Education or the Superintendent or their designee. The District has no Assigned fund balances as of June 30, 2019.

Unassigned - Consists of fund balances that do not meet the definition of "nonspendable", "restricted", "committed" or "assigned" and are available for appropriation in future periods.

Regulatory - Fund Balance Definitions

Reserved Fund Balances are those balances that are reserved for a specified purpose, other than the regular purpose of any given fund. Unreserved Fund Balances are all balances that are not reserved for a specific purpose other than the specified purpose of a fund.

REGION 1, SPECIAL EDUCATION DISTRICT

Notes to Financial Statements (Continued)

Reconciliation of Fund Balance Definitions

The first five columns of the following table represent Fund Balance Reporting according to generally accepted accounting principles. The last two columns represent Fund Balance Reporting under the regulatory basis of accounting utilized in preparation of the financial statements.

Generally Accepted Accounting Principles						Regulatory Basis	
Fund	Non-Spendable	Restricted	Committed	Assigned	Unassigned	Financial	Financial
						Statements - Reserved	Statements - Unreserved
Educational	\$ -	\$ -	\$ -	\$ -	\$ 146,728	\$ -	\$ 146,728

Unless specifically identified, expenditures act to reduce restricted balances first, then committed balances, next assigned balances, and finally unassigned balances. Expenditures for a specifically identified purpose will act to reduce the specific classification of fund balance that is identified.

2. CASH AND INVESTMENTS

Various restrictions on deposits and investments are imposed by state statutes. These restrictions are summarized below.

- a. **Deposits** - Deposits (including certificates of deposit) at any one financial institution may not exceed 75% of the net worth of the institution, and all institutions must furnish the School Board with required financial statements.
- b. **Investments** - The District may invest in any type of security allowed by Illinois law (Public Funds Investment Act of the State of Illinois: 30ILCS235/I, et. seq. as amended). These investments include bonds, commercial paper and other securities of the United States, short-term discount obligations of the Federal National Mortgage Association, shares and securities issuable by Savings and Loan Associations, Public Treasurer's Investment Pools and certificates of deposit from qualified banks.

The deposits held at June 30, 2019, and reported at cost, are as follows:

Type	Cost
Deposits:	
Demand deposits	\$ 146,728
Total Deposits	\$ 146,728

REGION 1, SPECIAL EDUCATION DISTRICT

Notes to Financial Statements (Continued)

Custodial Credit Risk - Deposits

For a deposit, custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned to it. It is the District's policy to require that all amounts deposited with financial institutions in excess of any insurance limit shall be collateralized by: (1) securities eligible for District investment or any other high-quality, interest-bearing security rated at least AA/Aa by one or more standard rating services to include Standard & Poor's, Moody's, or Fitch, (2) mortgages, (3) letters of credit issued by a Federal Home Loan Bank, or (4) loans covered by a State Guaranty under the Illinois Farm Development Act. The market value of the pledged securities shall equal or exceed the portion of the deposit requiring collateralization. In addition, the preferred method for safekeeping is to have securities registered in the District's name and held by a third party custodian. At June 30, 2019, none of the District's bank balance of \$146,728 was exposed to custodial credit risk at year end.

Custodial Credit Risk - Investments

Investment securities are exposed to custodial credit risk if the securities are uninsured, are not registered in the name of the government, and are held by the party who sold the security to the District or its agent but not in the government's name. The District's preferred method for safekeeping is to have the securities registered in the District's name and held by a third-party custodian. The District has no investments as of June 30, 2019.

Investment Interest Rate Risk

Investment interest rate risk is the risk that the market value of securities in the portfolio will fall due to changes in general interest rates. Structuring the investments portfolio so that securities mature to meet cash requirements for ongoing operations may avoid the need to sell securities on the open market prior to maturity. Investing operating funds primarily in shorter-term securities can also reduce this risk. The District's investment policy does not specifically address interest rate risk. The District has no investments as of June 30, 2019.

Concentration of Investment Credit Risk

Concentration of credit risk is required to be disclosed by the District for any single investment that represents 5% or more of total investments (excluding investments issued by or explicitly guaranteed by the US Government, investments in mutual funds, investments in external investment pools and investments in other pooled investments). The District's investment policy does not specifically address concentration of investment credit risk. The District has no investments as of June 30, 2019.

REGION 1, SPECIAL EDUCATION DISTRICT

Notes to Financial Statements (Continued)

3. GENERAL FIXED ASSETS (UNAUDITED)

The District does not maintain a detail listing (inventory) of fixed assets, thus the information in the general fixed asset account group has not been audited. A summary of the changes in general fixed asset (unaudited) based on group totals is as follows:

	Balance July 1, 2018	Additions/ Transfers	Disposals/ Transfers	Balance June 30, 2019
<u>Cost</u>				
Equipment	\$ 874,641	\$ 26,538	\$ -	\$ 901,179

Total Cost	\$ 1,083,396	\$ 26,538	\$ -	\$ 1,109,934
<u>Accumulated Depreciation</u>

Building and building improvements	78,284	10,438	-	88,722
Total Accumulated Depreciation	\$ 924,151	\$ 17,987	\$ -	\$ 942,138

4. TAX ANTICIPATION WARRANTS

There were no tax anticipation warrants issued, returned, or outstanding for the fiscal year ended June 30, 2019.

5. INSURANCE PROGRAM

The District is exposed to various risks of loss related to torts, theft of, damage to, and destruction of assets; error and omissions, injuries to employees and natural disasters.

The District, along with various other local school districts, participates in the Mississippi Valley Intergovernmental Cooperative ("MVIC"), an insurance association for medical, workers' compensation, general liability, and property and casualty insurance. The purpose of MVIC is to distribute the cost of self-insurance over similar entities. MVIC requires an annual premium payment to cover estimated claims payable and reserves for claims from each entity. The members of MVIC have no legal interest in assets, liabilities, or fund balances of the insurance association. However, the District retains a contingent liability to fund its pro rata share of any deficit incurred by MVIC should it cease operations at some future date. The District's premium payments to MVIC were combined with GCSD's for the fiscal year ended June 30, 2019 and totaled approximately \$7,838,000 for all related covered insurance.

Settled claims have not exceeded insurance coverage in any of the past three years.

6. RETIREMENT FUND COMMITMENTS

Illinois Municipal Retirement

Plan Description

The District's defined benefit pension plan for regular employees provides retirement and disability benefits, post retirement increases, and death benefits to plan members and beneficiaries. The District's plan is managed by the Illinois Municipal Retirement Fund ("IMRF"), the administrator of a multi-employer public pension fund. A summary of IMRF's pension benefits is provided in the paragraphs that follow. Details of all benefits are available from IMRF. Benefit provisions are established by statute and may only be changed by the General Assembly of the State of Illinois. IMRF issues a publicly available Comprehensive Annual Financial Report that includes financial statements, detailed information about the pension plan's fiduciary net position, and required supplementary information. That report is available for download at www.imrf.org.

Funding Policy and Contributions

As set by statute, the Regular plan members are required to contribute 4.50 percent of their annual covered salary. The statute requires employers to contribute the amount necessary, in addition to member contributions, to finance the retirement coverage of its own employees. The employer annual required contribution rate for calendar years 2019 and 2018 was 10.49 percent and 12.80 percent of annual covered payroll, respectively. The employer also contributes for disability benefits, death benefits and supplemental retirement benefits, all of which are pooled at the IMRF level. Contribution rates for disability and death benefits are set by the IMRF Board of Trustees, while the supplemental retirement benefits rate is set by statute.

Benefits Provided

IMRF provides two tiers of pension benefits. Employees hired prior to January 1, 2011 are eligible for Tier 1 benefits. For Tier 1 employees, pension benefits vest after eight years of qualifying service credit. Participating members who retire at age 55 (at reduced benefits) or after age 60 (at full benefits) with eight years of service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1-2/3 percent of the final rate of earnings for the first 15 years of service credit, plus 2 percent for each year of service credit after 15 years to a maximum of 75 percent of their final rate of earnings. Final Rate of Earnings is the highest total earnings during any 48 consecutive months within the last 10 years of service, divided by 48. Under Tier 1, the pension is increased by 3 percent of the original amount on January 1 every year after retirement.

Employees hired on or after January 1, 2011 are eligible for Tier 2 benefits. For Tier 2 employees, pension benefits vest after ten years of service. Participating employees who retire at age 62 (at reduced benefits) or after age 67 (at full benefits) with ten years of service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1-2/3 percent of the final rate of earnings for the first 15 years of service credit, plus 2 percent for each year of service credit after 15 years to a maximum of 75 percent of their final rate of earnings. Final Rate of Earnings is the highest total earnings during any 96 consecutive months within the last 10 years of IMRF service, divided by 96. Under Tier 2, the pension is increased by the lesser of 3 percent or 1/2 of the original pension

REGION 1, SPECIAL EDUCATION DISTRICT

Notes to Financial Statements (Continued)

amount of the increase in the consumer price index of the original amount on January 1 every year after retirement upon reaching age 67.

For purposes of pension plan administration, the IMRF has grouped the participating employees of the District with those of GCSD.

For the fiscal year ended June 30, 2019, the District's and GCSD's contributions were approximately \$1,058,000.

Teachers' Retirement System of the State of Illinois

Plan Description

The District participates in the Teachers' Retirement System of the State of Illinois ("TRS"). TRS is a cost-sharing multiple-employer defined benefit pension plan that was created by the Illinois legislature for the benefit of Illinois public school teachers employed outside the city of Chicago. TRS members include all active nonannuitants who are employed by a TRS-covered employer to provide services for which teacher licensure is required. The Illinois Pension Code outlines the benefit provisions of TRS, and amendments to the plan can be made only by legislative action with the Governor's approval. The TRS Board of Trustees is responsible for the system's administration.

TRS issues a publicly available financial report that can be obtained at <http://www.trsil.org/financial/cafrs/fy2018>; by writing to TRS at 2815 W. Washington, P.O. Box 19253, Springfield, IL 62794; or by calling (888) 678-3675, option 2.

For purposes of pension plan administration, TRS has grouped the participating employees of the District with those of GCSD.

Benefits Provided

TRS provides retirement, disability, and death benefits. Tier I members have TRS or reciprocal system service prior to January 1, 2011. Tier I members qualify for retirement benefits at age 62 with five years of service, at age 60 with 10 years, or age 55 with 20 years. The benefit is determined by the average of the four highest years of creditable earnings within the last 10 years of creditable service and the percentage of average salary to which the member is entitled. Most members retire under a formula that provides 2.2 percent of final average salary up to a maximum of 75 percent with 34 years of service. Disability and death benefits are also provided.

Tier II members qualify for retirement benefits at age 67 with 10 years of service, or a discounted annuity can be paid at age 62 with 10 years of service. Creditable earnings for retirement purposes are capped and the final average salary is based on the highest consecutive eight years of creditable service rather than the last four. Disability provisions for Tier II are identical to those of Tier I. Death benefits are payable under a formula that is different from Tier I.

Essentially all Tier I retirees receive an annual 3 percent increase in the current retirement benefit beginning January 1 following the attainment of age 61 or on January 1 following the member's first anniversary in retirement, whichever is later. Tier II annual increases will be the lesser of three percent of the original benefit or one-half percent of the rate of inflation beginning January 1

Notes to Financial Statements (Continued)

following attainment of age 67 or on January 1 following the member's first anniversary in retirement, whichever is later.

Public Act 100-0023, enacted in 2017, creates an optional Tier III hybrid retirement plan, but it has not yet gone into effect. The earliest possible implementation date is July 1, 2020. Public Act 100-0587, enacted in 2018, requires TRS to offer two temporary benefit buyout programs that expire on June 30, 2021. One program allows retiring Tier 1 members to receive a partial lump-sum payment in exchange for accepting a lower, delayed annual increase. The other allows inactive vested Tier 1 and 2 members to receive a partial lump-sum payment in lieu of a retirement annuity. Both programs will be in 2019 and will be funded by bonds issued by the state of Illinois.

Contributions

The State of Illinois maintains the primary responsibility for funding TRS. The Illinois Pension Code, as amended by Public Act 88-0593 and subsequent acts, provides that for years 2010 through 2045, the minimum contribution to the System for each fiscal year shall be an amount determined to be sufficient to bring the total assets of the System up to 90 percent of the total actuarial liabilities of the System by the end of the fiscal year 2045.

Contributions from active members and TRS contributing employers are also required by the Illinois Pension Code. The contribution rates are specified in the pension code. The active member contribution rate for the year ended June 30, 2019, was 9.0 percent of creditable earnings. The member contribution, which may be paid on behalf of employees by the employer, is submitted to TRS by the employer.

- **On-behalf contributions to TRS.** The State of Illinois makes employer pension contributions on behalf of the District and GCSD. For the fiscal year ended June 30, 2019, State of Illinois contributions were based on the state's proportionate share of the collective net pension liability associated with employer, or approximately \$20,480,000. The District and GCSD did not recognize this amount as revenue or expense in the financial statements for the pension contribution that the State of Illinois paid directly to TRS.
- **2.2 formula contributions.** Employers contribute 0.58 percent of total creditable earnings for the 2.2 formula change. This rate is specified by statute. Contributions for the year ended June 30, 2019 were approximately \$176,500.
- **Federal and special trust fund contributions.** When TRS members are paid from federal and special trust funds administered by the District and GCSD, there is a statutory requirement for the District and GCSD to pay an employer pension contribution from those funds. Under Public Act 100-0340, the federal and special trust fund contribution rate is the total employer normal cost beginning with the year ended June 30, 2019.

Previously, employer contributions for employees paid from federal and special trust funds were at the same rate as the state contribution rate to TRS and were much higher.

For the year ended June 30, 2019, the employer pension contribution was 10.10 percent of salaries paid from federal and special trust funds. For the year ended June 30, 2019,

REGION 1, SPECIAL EDUCATION DISTRICT

Notes to Financial Statements (Continued)

salaries totaling approximately \$2,599,000 were paid from federal and special trust funds that required employer contributions of approximately \$257,500.

- **Employer retirement cost contributions.** The District and GCSD are required to make a one-time contribution to TRS for members granted salary increases over 6 percent if those salaries are used to calculate a retiree's final average salary. Additionally, beginning with the year ended June 30, 2019, employers will make a similar contribution for salary increases over 3 percent if members are not exempted by current collective bargaining agreements or contracts.

A one-time contribution is also required for members granted sick leave days in excess of the normal annual allotment if those days are used as TRS service credit.

For the year ended June 30, 2019, the District and GCSD paid approximately \$780 to TRS for employer contributions due on salary increases in excess of 6 percent, \$0 for sick leave days granted in excess of the normal annual allotment and approximately \$2,615 for salary increases in excess of 3 percent.

7. POST EMPLOYMENT BENEFITS

Teachers' Retirement Insurance Program

Plan Description

The District participates in the Teachers' Retirement Insurance Program ("TRIP" or "Plan"). TRIP is a cost-sharing, multiple-employer defined benefit post-employment healthcare plan that was established by the Illinois legislature for the benefit of retired employees of participating school districts throughout the State of Illinois (the "State"), excluding the Chicago Public School District. The Plan provides medical, prescription, and behavioral health benefits to annuitants of TRS. TRIP does not provide vision, dental, or life insurance benefits. Annuitants may participate in the State administered Preferred Provider Organization plans or choose from several managed care options. TRIP is administered in accordance with the State Employees Group Insurance Act of 1971 (5 ILCS 375) which establishes the eligibility and benefit provisions of the Plan.

The Plan issues a publicly available financial report that can be found on the website of the Illinois Auditor General (<http://www.auditor.illinois.gov/Audit-Reports/ABC-List.asp>). The current reports are listed under "Central Management Services" (<http://www.auditor.illinois.gov/Audit-Reports/CMS-THISF.asp>). Prior reports are available under "Healthcare and Family Services" (<http://www.auditor.illinois.gov/Audit-Reports/HEALTHCARE-FAMILY-SERVICES-Teacher-Health-Ins-Sec-Fund.asp>).

Benefits Provided

If a plan member enrolls in TRIP, they may enroll the following dependents: spouses; unmarried children age 26 and under; unmarried children age 26 and under that are full-time students, financially dependent for at least one-half of their support, and eligible to be claimed on income tax return; disabled children that have been continuously disabled from causes originating prior to age

Notes to Financial Statements (Continued)

26, financially dependent for at least one-half of their support, and eligible to be claimed on income tax return; and parents if they are financially dependent for at least one-half of their support and eligible to be claimed on income tax return.

Members who have not previously enrolled in TRIP are eligible to enroll when they begin receiving pension benefits through TRS, during any annual open enrollment period, when turning 65 or becoming Medicare eligible or after losing coverage by a former plan. Members and beneficiaries who previously were enrolled in TRIP, and subsequently waive coverage, are only eligible to reenroll due to the loss of prior coverage by a former plan or at the attainment of age 65 or when Medicare eligible. Coverage through TRIP becomes secondary to Medicare after Medicare eligibility has been reached. Members must enroll in Medicare Parts A and B to receive the reduced premium available to Medicare eligible participants. Spouses of employees/retirees who die are eligible to maintain health insurance coverage until the surviving spouse's death. If the surviving spouse elects a monthly benefit, he or she becomes the member with the same TRIP rights.

Contributions

The State Employees Group Insurance Act of 1971 (5 ILCS 375) outlines the benefit provisions of TRIP, and amendments to the plan can be made only by legislative action with the Governor's approval. The plan is administered by the Illinois Department of Central Management Services (CMS) with the cooperation of TRS. Section 6.6 of the State Employees Group Insurance Act of 1971 requires all active contributors to TRS who are not employees of the State to make a contribution to the Plan.

Currently, benefits offered through TRIP are financed through a combination of retiree premiums and percentage-of-payroll contributions from active employees, local school districts, the State, and subsidies from the Federal Government. Contributions are made to the Teacher Health Insurance Security Fund ("THIS"). For fiscal year 2019, active members were required to contribute 1.24 percent of pay, and school districts were required to contribute 0.92 percent of pay. Retired members contribute through premium payments based on the coverage elected, Medicare eligibility, and the age of the member and dependents. The premium for retired members is not permitted to increase by more than 5.0 percent per year by statute. The Federal Government provides a Medicare Part D subsidy. Contributions to the Plan from the District and GCSD were approximately \$279,500 for the year ended June 30, 2019.

On behalf contributions to TRIP

The state of Illinois makes employer retiree health insurance contributions on behalf of the employer. State contributions are intended to match contributions to TRIP from active members which were 1.24 percent of pay during the year ended June 30, 2019. State of Illinois contributions were approximately \$376,700.

District Sponsored Retiree Insurance Plan

In addition to the pension benefits described in Note 6 and the TRIP Plan described above, the District and GCSD allows non-certified employees who retire from the District and GCSD to participate in the health insurance plan. Upon meeting the retirement requirements of IMRF, the employees can elect to participate in the District and GCSD's plan. The retirees, with the exception of secretaries, must pay 100% of their coverage for the plan in which they elect to participate. The premiums are based on the single blended rate used for both active and inactive employees and retirees. The difference between

Notes to Financial Statements (Continued)

the amount the retiree is required to pay and the actual cost to the District and GCSD is considered to be a post-employment benefit. The District and GCSD have not established an irrevocable trust fund for the accumulation of resources for the future payment of benefits under the plan; benefits are paid on a pay as you go basis. A stand-alone financial report is not available for the plan. During the year, 29 retirees participated in the District and GCSD's post-employment insurance plans.

8. COMMITMENTS AND CONTINGENCIES

Certain revenues received from the Federal government in the current and prior years are subject to audits by the granting agencies. Management believes adjustments, if any, arising from these audits will not be significant.

The District is involved in certain litigation occurring in the normal course of operations. The District has engaged legal counsel and intends to vigorously defend against any claim. The outcome of this litigation is uncertain and the resulting liability, if any, cannot be determined. However, it is at least reasonably possible that a liability could result in the near future.

SINGLE AUDIT INFORMATION CHECKLIST

The following checklist is **OPTIONAL**; it is not a required form for completion of Single Audit information. The purpose of the checklist is to assist in determining if appropriate information has been correctly completed within the Annual Financial Report (AFR). This is not a complete listing of all Single Audit requirements, but highlights some of the more common errors found during ISBE reviews.

GENERAL INFORMATION

- ☐ 1. **Signed and dated** copies of audit opinion letters have been included with audit package submitted to ISBE.
- ☐ 2. All opinion letters use the **most current audit language and formatting** as mandated in SAS 115/SAS 117 and other pronouncements.
- ☐ 3. **ALL** Single Audit forms within the AFR Excel workbook have been completed, where appropriate.
- For those forms that are not applicable, "N/A" or similar language has been indicated.
- ☐ 4. **ALL** Federal revenues reported in FRIS Report 0053 (Summary of Payments) are accounted for in the Schedule of Expenditures of Federal Awards (SEFA).
- ☐ 5. Federal revenues reported on the AFR reconcile to Federal revenues reported on the SEFA.
- Verify or reconcile on reconciliation worksheet.
- ☐ 6. The total value of non-cash **COMMODITIES** has been included within the AFR on the **INDIRECT COSTS** page (ICR Computation 29) on Line 11. It **should not** be included in the Statement of Revenues Received (REVENUES 9-14) within the AFR Accounts 4210 - 4299. Those accounts are specific cash programs, not non-cash assistance such as **COMMODITIES**.
- ☐ 7. Complete audit package (Data Collection Form, audit reports, etc.) has been submitted electronically to the Federal Audit Clearinghouse <https://harvester.census.gov/facweb/Default.aspx>

SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

- ☐ 8. All prior year's projects are included and reconciled to final FRIS report amounts.
- Including receipt/revenue and expenditure/disbursement amounts.
- ☐ 9. All current year's projects are included and reconciled to most recent FRIS report filed.
- Including receipt/revenue and expenditure/disbursement amounts.
- ☐ 10. Differences in reported spending amounts on the SEFA and the final FRIS reports should be detailed and/or documented in a finding.
- discrepancies should be reported as Questioned Costs.
- ☐ 11. The total amount provided to subrecipients from each Federal program is included.
- ☐ 12. Prior-year and Current-year Child Nutrition Programs (CNP) are included on the SEFA (with prior-year program showing total cash received):
Project year runs from October 1 to September 30, so projects will cross fiscal year;
This means that audited year revenues will include funds from both the prior year and current year projects.
- ☐ 13. Each CNP project should be reported on a separate line (one line per project year per program).
- ☐ 14. Total CNP Revenue amounts are consistent with grant amounts awarded by ISBE for each program by project year.
- ☐ 15. Total CNP Expenditure amounts are consistent with grant amounts awarded by ISBE for each program by project year.
- ☐ 16. Exceptions should result in a finding with Questioned Costs.
- ☐ 17. The total value of non-cash **COMMODITIES** has been reported on the SEFA (CFDA 10.555).
- The value is determined from the following, **with each item on a separate line**:
 - ☐ * **Non-Cash Commodities**: Monthly Commodities Bulletin for April (From the Illinois Commodities System accessed through ISBE web site)
Total commodities = A PAL Allocated + B PAL Allocated + Processing Deductions + Total Bonus Allocated
Verify Non-Cash Commodities amount on ISBE web site: <https://www.isbe.net/Pages/School-Nutrition-Programs-Food-Distribution.aspx>
 - ☐ * **Non-Cash Commodities**: Commodities information for non-cash items received through **Other Food Services**
Districts should track separately through year; no specific report available from ISBE
Verify Non-Cash Commodities amount through Other Food Services on ISBE web site:
<https://www.isbe.net/Pages/School-Nutrition-Programs-Food-Distribution.aspx>
 - ☐ * **Department of Defense Fresh Fruits and Vegetables** (District should track through year)
- **The two commodity programs should be reported on separate lines on the SEFA.**
Verify Non-Cash Commodities amount through DoD Fresh Fruits and Vegetables on ISBE web site:
<https://www.isbe.net/Pages/School-Nutrition-Programs-Food-Distribution.aspx>
 - ☐ * Amounts verified for **Fresh Fruits and Vegetables cash** grant program (ISBE code 4240)
CFDA number: 10.582
- ☐ 18. **TOTALS** have been calculated for Federal revenue and expenditure amounts (Column totals).
- ☐ 19. Obligations and Encumbrances are included where appropriate.
- ☐ 20. **FINAL STATUS** amounts are calculated, where appropriate.
- ☐ 21. Medicaid Fee-for-Service funds, E-Rate reimbursements and Build America Bond interest subsidies have **not** been included on the SEFA.
- ☐ 22. **ALL** programs tested (not just Type A programs) are indicated by either an * or (M) on the SEFA.
- ☐ 23. **NOTES TO THE SEFA** within the AFR Excel workbook (SEFA NOTES) have been completed.
Including, but not limited to:
- ☐ 24. Basis of Accounting
- ☐ 25. Name of Entity
- ☐ 26. Type of Financial Statements
- ☐ 27. Subrecipient information (Mark "N/A" if not applicable)

- ☐ 29. **ALL** Summary of Auditor Results questions have been answered.
- ☐ 30. All tested programs and amounts are listed.
- ☐ 31. Correct testing threshold has been entered. (Title 2 CFR §200.518)

Findings have been filled out completely and correctly (if none, mark "N/A").

- ☐ 32. Financial Statement and/or Federal Award Findings information has been completely filled out for each finding, with finding numbers in correct format.
- ☐ 33. Finding completed for **each Significant Deficiency** and for **each Material Weakness** noted in opinion letters.
- ☐ 34. Separate finding for each Federal program (i.e., don't report same finding for multiple programs on one sheet).
- ☐ 35. Separate finding sheet for each finding on programs (e.g., excess interest earned and unallowable expenditures are two findings and should be reported separately, even if both are on same program).

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Members of the Board of Education
Region 1, Special Education District

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Region 1, Special Education District (the "District"), which are listed in the table of contents as of and for the fiscal year ended June 30, 2019, and the related notes to the financial statements, which collectively comprise the District's basic financial statements and have issued our report thereon dated October 1, 2019.

In our report, because the District prepared its financial statements using accounting practices prescribed or permitted and the financial reporting provisions prescribed or permitted by the Illinois State Board of Education, our opinion stated that the financial statements were not presented fairly in conformity with accounting principles generally accepted in the United States of America. However, the financial statements were found to be fairly stated, except for the fact that we did not audit the general fixed assets account group and the effects of the omitted disclosures required by Governmental Accounting Standards Board Statement 75, *Accounting and Financial Reporting for Post-Employment Benefits Other Than Pensions*, on the modified cash basis of accounting, in accordance with the accounting practices prescribed or permitted and the financial reporting provisions prescribed or permitted by the Illinois State Board of Education, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's

financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we have reported to management in a separate letter dated October 1, 2019.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Members of the Board of Education
Region 1, Special Education District

Report on Compliance for Each Major Federal Program

We have audited Region 1, Special Education District's (the "District") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the District's major federal programs for the fiscal year ended June 30, 2019. The District's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the District's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the District's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination on the District's compliance.

Opinion on Each Major Federal Program

In our opinion the District complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the fiscal year ended June 30, 2019.

Report on Internal Control Over Compliance

Management of the District is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the District's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the District's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
