High School Curriculum Maps

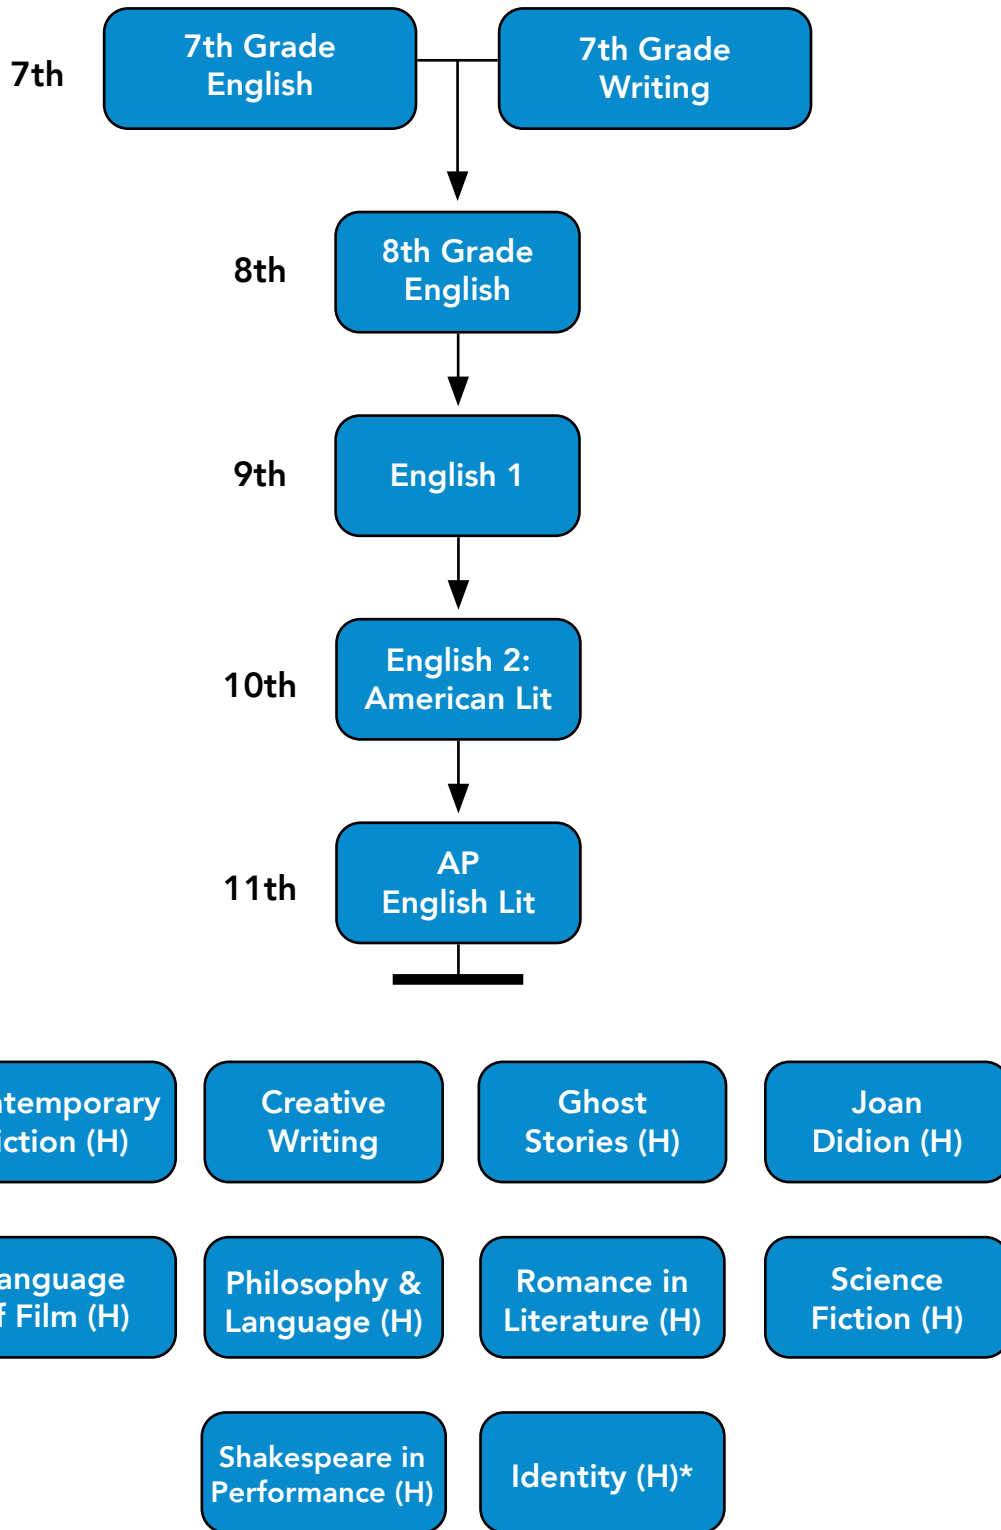

2022-2023

Flintridge Prep believes in the importance of an individualized advising process in designing the optimal academic program for each Prep student. Academic advising is built into our program at every grade level.

These curriculum maps are intended to be used in an advising context, consistent with the school's philosophy of promoting intellectual engagement and achievement, personal development, and a balanced, healthy adolescence.

All curriculum placement decisions are considered holistically. Students in grades 10th through 12th grade must petition to take more than four AP or Honors classes.
