Mark Smith, Principal

Spring Woods Middle School Parent Involvement Policy 2022-2023

Spring Woods Middle (SWMS), a Title I school, understands the essentiality of parent and community involvement to attain and improve the level of student achievement and success. SWMS will have an environment where students, teachers, staff and parents are valued by their strengths, and diversity. Parent involvement is a key component in ensuring that each student excels academically. Together, a school-parent compact has been written and reviewed describing the responsibilities of all parties as the Spring Woods Middle School.

To foster the growth of the partnership between the school, students, parents, and community; communication is essential and timely information will be made available through the campus website, fliers, newsletters, meetings, and Virtual parent/teacher conferences. In addition to Virtual parent/teacher conferences, Virtual Open House and Virtual Curriculum Nights will be held annually to outline and explain curriculum, assessments, and academic standards that students are expected to meet.

SWMS encourages parent and community involvement in the planning, reviewing, and improving of all school programs through participation in Virtual Campus Improvement Team (CIT) and, Virtual parent meetings offered through our campus.
