School Description

Emerson K-12 (EK12) is a choice school in the Lake Washington School District, designed as a Parent Partnership Program (PPP). EK12 teachers partner with parents who home school their children.

We serve students in Kindergarten through 12th grade in a variety of core and enrichment classes. Many high school students also participate in WANIC (Washington Network for Innovative Career), Running Start and/or their neighborhood school's academic program.

On any given day, you will find parents, students, younger siblings, and staff engaged in a multitude of learning activities. It remains a vibrant and active place that provides meaningful learning opportunities to students in multiage environments.

*No State Assessments occurred in Spring 2021 due to COVID-19.

+Smarter Balanced Assessment is a Washington state standardized exam. Scores represent percentage of students who met the standards. Students who did not take the test were counted as not meeting standard.

*Scores are suppressed when groups are so small that the information could potentially be used to identify or derive information about individual students. Many 11th grade students refused to take the test: they may have already met graduation requirements through passing the old state tests in 10th grade.
