Local Control and Accountability Plan and Annual Update Template

The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: *degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)*

Implementation of State Standards: *implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)*

Course access: *pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)*

Expelled pupils (for county offices of education only): *coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)*

Foster youth (for county offices of education only): *coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)*

B. Pupil Outcomes:

Pupil achievement: *performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)*

Other pupil outcomes: *pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)*

C. Engagement:

Parental involvement: *efforts to seek parent input in decision making at the district and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)*

Pupil engagement: *school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)*

School climate: *pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)*

Section 1: Stakeholder Engagement *Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code*

sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA's goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Involvement Process 2015-16

San Bernardino City Unified School District (SBCUSD) is made up of 53,365 students with 27% of students being English Language Learners, 90% Socioeconomically Disadvantaged and 11% Special Education Students. The voices of all stakeholders continues to be important to ensure that every stakeholder voice is represented, including Foster Youth/Homeless, English Learners, and Low Income students. In the 2015-16 school year various stakeholder groups and subcommittees have met to offer their viewpoints and be updated as to the progress of the Local Control and Accountability Plan (LCAP). These groups included LCAP Subcommittees for sports, District English Learners Advisory Council (DELAC), the District African-American Advisory Council (DAAAC) teachers, students and the District's Management Team.

The selection of the aforementioned groups is as follows:

Athletic Strategic Plan Committee- Made up of Community Stakeholders, Community Partners, District Teachers, District Management.

District Advisory Council (DAC)- Made up of parent and community member representatives of all schools in S.B.C.U.S.D. Representatives are members of each site's School Site Council and either volunteer or are elected, if there is more than one member interested in being the DAC Representative. Members represent all subgroups, Foster Youth/Homeless, Socioeconomically Disadvantaged, English Learners and Special Education.

Stakeholder Meetings

All of the meetings were designed to inform and seek input from representatives of our stakeholder groups, including: Foster Youth/Homeless , English Learners, and Low Income constituents, parents, teachers, students, and local organizations regarding the Local Control Accountability Plan (LCAP) plan and the Eight State Priorities.

The focus during the 2015-16 school year has been to continue to implement the suggestions and priorities of our stakeholder groups. This input has been gathered at the many stakeholder meetings held this year, online surveys and student survey opportunities offered at school sites. Through discussion, activities and surveys taken at the stakeholder meetings held during the District English Learner Advisory Committee (DELAC), District African American Parent Advisory Council (DAAAC), District Advisory Council (DAC) and the District Parent Advisory Council (DPAC), as well as conducting LCAP and Community Stakeholder meetings much information was taken into consideration from various points of view. All LCAP gatherings were updated as to the progress of the actions/services and goals during the 2015-2016 school year for all LCAP items discussed. A consistent message from all stakeholders that the LCAP is unwieldy in its size, (439 pages)

Reduction of the plan was completed by eliminating repetition of actions within each goal. As a result, the number of pages of the 2016-17 LCAP has been significantly reduced. Additionally, a common theme of support for the continued implementation and expansion of the AVID program at all grade levels and schools was expressed.</p> <p><u>Data</u> The sharing of achievement data will improve in 2016-17 based on the adoption of new benchmarks that will provide progress monitoring throughout the school year. Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school's budget that is submitted to the school's authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, school site-level advisory groups, as applicable (e.g., school site councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for school sites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the school site level. The LEA may identify which school sites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or school site.

Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the school sites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for school sites and specific subgroups, including pupils with disabilities, both at the LEA level and at the school site level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Actions/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the school sites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is district wide, school wide, countywide, or charter wide.

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA's budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions

- 1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning"?
- 2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes"?
- 3) What are the LEA's goal(s) to address state priorities related to parent and pupil "Engagement" (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA's goal(s) to address any locally identified priorities?
- 5) How have the unique needs of individual school sites been evaluated to inform the development of meaningful district and/or individual school site goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA's goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual school sites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific school sites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

Annual Update

Annual Update Instructions: For each goal in the prior year's LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific school sites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Complete a copy of this table for each of the LEA's goals in the prior year LCAP. Duplicate and expand the fields as necessary.

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?	<p>As a result of Stakeholder input, the 2016-17 LCAP will be shorter in length, in order to make it more comprehensible to the reader. Actions repeated multiple times in a goal will be listed once, with notations, stating to whom the action applies. No actions will be removed from any goals.</p> <p>Continued professional development for teachers will be offered, in order to support the adoption of the new math textbooks. Additional professional development will need to be scheduled to support the adoption of new English Language Arts/English Language Development textbooks. As a result of the various, new initiatives being instituted (i.e. Textbooks, common core), and a master schedule that will allow for a more systematic scheduling of teacher training is being developed.</p> <p>Goal 3- Action #1 Goal 3- Action #11 The cost of the 15 minutes of extended learning time, previously reflected in Goal 1- Action #1 action has been moved to Goal 3, Action #11, where it is more appropriately placed.</p> <p>As of 2015-16, instructional Unit Performance Tasks (10% growth in proficiency) are optional,. A new benchmark system of assessment will be implemented during the 2016-2017 school year, which will be aligned to Common Core and be indicative of how well students will perform on the SBAC.</p>

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?	<p>As a result of Stakeholder input, the 2016-17 LCAP will be shorter in length, in order to make it more comprehensible to the reader. Actions repeated multiple times in a goal will be listed once, with notations, stating to whom the action applies. No actions will be removed from any goals. By minimizing the repetition, the plan will be significantly reduced in length.</p> <p>Further development of the Foster Youth/Homeless liaison position will take place in the 2016-17 school year, allowing for more direct support to sites, increased assistance to Foster Youth/Homeless students, and improvement in student achievement.</p>

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?	<p>As a result of Stakeholder input, the 2016-17 LCAP will be shorter in length, in order to make it more comprehensible to the reader. Actions repeated multiple times in a goal will be listed once, with notations, stating to whom the action applies. No actions will be removed from any goals. Continued professional development for teachers will be offered, in order to support the adoption of the new math textbooks. Additional professional development will need to be scheduled to support the adoption of new English Language Arts/English Language Development textbooks, as well as continued development of professional training, with an emphasis on subgroups, to further close the achievement gap. As a result of the various, new initiatives being instituted, (i.e. Textbooks, common core), and a master schedule that will allow for a more systematic scheduling of teacher training is being developed.</p> <p>Goal 3- Action #9 Goal 3- Action #10 Restoration of K-3 class size reduction will be continued, making progress towards the goal of 24:1 and class size reduction in 8th grade core classes.</p> <p>Goal 3- Action #1 Goal 3- Action #11 The cost of the 15 minutes of extended learning time, previously reflected in Goal 3- Action #1 action has been moved to Goal 3, Action #11, where it is more appropriately placed.</p> <p>No additional changes in actions are planned. SBCUSD is still moving towards full implementation of stated actions in 2016-17.</p>

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?	<p>As a result of Stakeholder input, the 2016-17 LCAP will be shorter in length, in order to make it more comprehensible to the reader. Actions repeated multiple times in a goal will be listed once, with notations, stating to whom the action applies. No actions will be removed from any goals.</p> <p>SBCUSD will continue striving to be attractive to new teachers through competitive salaries, strong teacher induction training and professional development. Continuing to build our teacher education system grades TK-12 is a top priority.</p> <p>No changes in actions are planned. SBCUSD is still moving towards full implementation of the stated actions in 2016-17.</p>

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals.	<p>SBCUSD will continue to improve the quality of the Visual and Performing arts program, district-wide. An inventory of all VAPA domains, beginning with musical instruments and equipment, will allow the district to continue filling the gaps. Additionally, as per stakeholder input, there is a need for additional VAPA professional development for teachers and staff.</p> <p>As a result of Stakeholder input, the 2016-17 LCAP will be shorter in length, in order to make it more comprehensible to the reader. Actions repeated multiple times in a goal will be listed once, with notations, stating to whom the action applies. No actions will be removed from any goals.</p> <p>No changes in actions are planned. SBCUSD is still moving towards full implementation of the stated actions in 2016-17.</p>

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

- A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a district wide, school wide, countywide, or charter wide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a school site in the LCAP year, when using supplemental and concentration funds in a district wide or school wide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district's goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds	\$ <u>Estimated at \$130.5 million</u>
<p>The estimated Supplemental and Concentration funding for 2016/17 is \$133.0 million based on the unduplicated count of students that generate these dollars. The District weighted unduplicated count of these students' remains exceptionally high at 91% of the District student population. The District is allocating over \$20.8 million to school sites based upon the concentration of low income, English Learners, and Foster Youth/Homeless students enrolled at each site. The funds are to be used in alignment with the LCAP and Single Plan for Student Achievement (SPSA) goals and the identified needs of each school. Activities may include but are not limited to direct student services, instructional materials, support staff, technology, contracted services, parent engagement activities, professional development, and student environment. In 2015/16, an additional \$10.9 million was allocated to school sites for the purpose of developing Career and College Readiness Pathways to ensure students are academically and career ready. These LCFF funded activities, services and expenditures support District wide and School wide application of funds. The sites coordinate the use of these funds to align with the District LCAP within the sites Single Plan for student achievement. In addition, unspent site allocations from the 2015/16 Fiscal Year Career Readiness Pathways funding will be carried over to ensure sites can finalize the Career Pathway development. The District continues to provide centralized supplemental support to schools throughout the District totaling over \$11 million for English Learners, African American Student Achievement, Latino Student Achievement and Gifted Students.</p>	

- B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe

how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

37.13	%
-------	---

The percentage by which services to or achievement of unduplicated pupils must increase is estimated at 38.55% over the LCAP year. The LCAP plan developed by San Bernardino City Unified recognizes the needs of these at risk students that comprised about 91% of our student population. The targeted support to school sites is based upon these student populations/sub groups is designed to serve at-risk students as outlined in Section 3B demonstrates that site level funding continues to be funded at a rate that is 62% higher than pre-LCAP funding. Increased direct services may include but are not limited to supplemental instructional materials, support staff, technology, contracted services, parent engagement activities and support services, professional development, extending AVID strategies across all schools, increased counseling, increased/extended learning opportunities (e.g. summer bridge, grade level transition programs, credit recovery, and superintendent's graduation program) and academic enrichment activities, as well as support for GATE, AP, and IB programs.

In addition, the District has allocated additional funding to increase after school services to students, expand technology to students for use at home, reduce class size at 8th and 9th grades, and provide professional development for teachers geared to increase student achievement.

LOCAL CONTROL AND ACCOUNTABILITY PLAN AND ANNUAL UPDATE APPENDIX

For the purposes of completing the LCAP in reference to the state priorities under Education Code sections 52060 and 52066, the following shall apply:

- (a) “Chronic absenteeism rate” shall be calculated as follows:
 - (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where “chronic absentee” means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
 - (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
 - (3) Divide (1) by (2).
- (b) “Middle School dropout rate” shall be calculated as set forth in California Code of Regulations, title 5, section 1039.1.
- (c) “High school dropout rate” shall be calculated as follows:
 - (1) The number of cohort members who dropout by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
 - (2) The total number of cohort members.
 - (3) Divide (1) by (2).
- (d) “High school graduation rate” shall be calculated as follows:
 - (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.

- (2) The total number of cohort members.
- (3) Divide (1) by (2).
- (e) “Suspension rate” shall be calculated as follows:
 - (4) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).
 - (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
 - (3) Divide (1) by (2).
- (f) “Expulsion rate” shall be calculated as follows:
 - (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).
 - (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
 - (3) Divide (1) by (2).
