ARTICLE 1. GENERAL PROVISIONS

SECTION 101 – RECOGNITION

The Board of Education hereby recognizes that the Union is the sole and exclusive representative of all members of the bargaining unit who are engaged in the performance of janitorial, busing, or maintenance services and Bus Aides as defined and limited herein in the public schools, for the purpose of bargaining with respect to wages, hours of labor and working conditions, excluding the Director of Building, Grounds and Transportation (hereinafter BGT) and the Assistant Director of BGT, and four (4) Working Supervisors of BGT (hereinafter Employees or individually as Employee).

SECTION 102 – CONTRACT TERM

(a) This Agreement shall be in effect from July 1, 2021 until June 30, 2024.

(b) If a contract has not been renegotiated when this Agreement expires and neither party has ceased the negotiations, then the parties shall continue to relate to each other as if the Agreement remained in effect.

SECTION 103 – DEFINITIONS

1. (a) "Regular Full-Time Employee" refers to those AFSCME Employees working 37 ½ hours or more per week for RPS on a regular basis and who have become permanent employees (non-probationary) and are not Bus Aides.

(d) "Permanent employee" is an Employee working for the district as a regular full-time Employee or a regular part-time Employee or as a Bus Aide, who is not on probation.

(e) "Permanent job" is a position that is listed in the annual budget and requires the employment of an individual for a school year or a calendar year.

(f) Long term temporary substitutes are employees that are hired to fill in for a permanent Employee who is on a long-term leave of absence.

It is understood and agreed that the Board of Education possesses only those limited powers vested in it by its Charter and the general laws of the State of Vermont and the Board cannot delegate its power and authority. Therefore, anything in this Agreement which exceeds
the power and authority of the Board of Education is void and of no force or effect. For a covered Employee who participates in this program, the Board shall make reasonable effort to re-assign the covered Employee participating in a rehabilitation or treatment program to non-safety sensitive functions.

(i) All test results from the MRO or SAP shall be kept strictly confidential as required by law.

(j) When a covered Employee (meaning an employee covered by the applicable laws) is off work for any reason when their name is chosen at the time of a random drug test, then the selecting party shall continue the selection process from the group of people subject to random drug testing until the required number of covered Employees are identified and tested.

(k) A covered Employee who fails a random alcohol test shall be terminated.

(l) A covered Employee who fails a good cause test for alcohol or controlled substances while working may be terminated in accordance with Section 608.

(m) A covered Employee who fails a random drug test for the first time shall be required to comply with the law regarding a SAP and a treatment plan and all other applicable provisions but shall not be terminated immediately. A second failure of either a random drug test or a prescribed drug test shall be grounds for termination.

(n) A covered Employee who is convicted of a DUI shall be disciplined and treated as the Superintendent believes is fair and reasonable under all of the circumstances and the decision is left to the Superintendent’s discretion. The payment will be made on or around July 16, 2021. The payment will be made by a separate check or by a separate electronic deposit – of the Employee’s choosing. Additional details regarding the nature of this payment, if any, will be provided by adding an additional Appendix to this Agreement that is acceptable to the Union; no information in the Appendix will change in any way the form and nature of this payment.

(d) If an Employee is off on Compensatory Time and is called back by the Director of BGT because of an emergency or due to a lack of a sufficient work force, call back minimums do not apply and the Employee will be paid at his/her regular rate of pay or overtime rate of pay, if applicable.

(e) If an Employee has not used all of his/her accumulated Compensatory Time by June 30, the Employee will be paid the applicable overtime pay for the Compensatory Time that has not been used.

ARTICLE 7. PERSONNEL ACTIONS

SECTION 701 – GRIEVANCE PROCEDURE

The purpose of this grievance procedure is to settle all disputes between RPS and the Employees, at the lowest administrative level possible and as quickly as possible, so as to insure efficiency and promote employee morale. Nothing in this Procedure shall prevent a dispute from being resolved informally, however, no informal resolution shall change the terms and conditions of this Agreement without the written consent of the parties; the parties may extend any time deadlines set forth in this Section upon written consent of the parties. Therefore, any dispute, which may arise between the parties regarding the application, meaning, or interpretation of this Agreement, shall be settled in the following manner:
STEP 1:
Before the submission of a written grievance, the aggrieved party and/or the Union representative should request and have an informal discussion with the Employee’s immediate supervisor to see if the dispute can be resolved.

STEP 2:
If the grievance is not resolved informally, the aggrieved Employee or the Union, shall take up the grievance by giving written notice to the Employee’s immediate supervisor not later than ten (10) working days of after the grievant had knowledge of the occurrence of the event(s) that gave rise to the dispute. After, as used throughout this Section, means that the day that the grievant has knowledge is not counted as one of the 10 working days. The grievant shall have a meeting not later than five (5) working days after giving written notice with the immediate supervisor to discuss the issues. The supervisor shall give a written decision regarding the grievance not later than five (5) working days after the meeting (hereinafter the Decision).

The written notice shall include the time and place of the alleged event(s) or condition(s) that gave rise to the grievance, the provision of this Agreement that is alleged to have been violated and how it has been violated, the identity of the person(s) involved in the event(s) and the nature of their involvement (what they did), a general statement of the nature of the grievance, and the redress that is sought by the aggrieved Employee.

STEP 3:
If the Decision does not resolve the dispute, the grievance may be continued by giving written notice, not later than ten (10) working days after the date that the Decision was given, to the Superintendent that the Employee or the Union objects to the Decision. The notice shall specify the reasons for the objection to the Decision. Not later than seven (7) working days after the receipt of the objection, the Superintendent, or the assistant Superintendent if designated by the Superintendent, shall meet with the grievant and/or the Employee’s Union representative to discuss the grievance. The Superintendent shall give a written decision (Superintendent’s Decision) not later than ten (10) working days after the date of the meeting.

If a grievance deals with the discharge of an Employee or disciplinary action by someone other than the Employee’s immediate supervisor, the grievance may start at Step 3.

STEP 4:
If the Superintendent’s Decision does not resolve the dispute, then the grievant may file an objection to the Superintendent’s Decision by giving written notice to the Board of Education not later than ten (10) working days after the date that the Superintendent’s Decision was given. The objection shall specify the reasons for the objection and make whatever other arguments that are desired in the written objection and submit whatever other evidence or material that the grievant deems appropriate along with the objection. The Board of Education shall consider the objection and all material submitted with it in addition to any oral presentation that might be desired by the grievant in executive session at its next regularly scheduled meeting after the objection is received and if the agenda for the Board meeting has already been prepared then it shall be heard at the next subsequent regularly scheduled meeting of the Board. The Board shall
issue its written decision not later than ten (10) working days after the meeting when the
grievance was discussed.

STEP 5:
If the grievance has not been resolved during the Step 4 of the Grievance Process and a
decision is given by the Board pursuant to the provisions of Step 4, the decision of the Board
shall become final unless the Union, and not any individual Employee, disagrees with the
decision of the Board and files a written notice, as provided for below, requesting mediation or
mediation and arbitration not later than fifteen (15) working days after the Union’s notice of the
written decision of the Board. The parties shall make a good faith effort to resolve the matter
through mediation. The parties may agree to waive mediation. If the Union requests both
mediation and arbitration the parties shall work together for scheduling the two simultaneously
so as not to delay the arbitration. The parties acknowledge that mediation can be scheduled more
quickly than arbitration; the mediation shall occur as much before the arbitration as reasonably
possible considering all of the factors so as to save both parties as much cost and anxiety as
reasonably possible if the mediation is successful at resolving the issue.

SECTION 702 – ARBITRATION

1. Arbitrable issues are only those which meet each and all of the following:

   (a) The issue must first have gone through the Grievance Procedure set forth in this
       Article.
   (b) All time limits within the grievance procedure itself must have been observed.
   (c) Notice of intent to arbitrate must have been forwarded not later than fifteen (15)
       working days after issuance of the last grievance decision.

       discharges, as well as disputes between the parties as to the meaning or application
       of specific provisions of other provisions of this Agreement, may be arbitrated.

3. If the Union desires to submit a grievance to arbitration, it shall forward to the Chairman
   of the Board of School Commissioners, with copies to the Superintendent of Schools, a
   written notice of intent to arbitrate. This notice shall state the matter at issue and shall
   state in what respect the Agreement has been violated by reference to the specific clause
   or clauses relied upon. The notice shall also stipulate the nature of the relief or remedy
   sought.

4. Not later than ten (10) working days after the date of delivery of the foregoing notice, the
   Board of Education Representative and the Union representative shall confer regarding
   the appointment of an arbitrator. Should the Representatives fail to agree on an
arbitrator, the parties shall ask the Federal Mediation & Conciliation Service to submit to them a list of seven (7) arbitrators. The Board of Education and the Union Representatives shall determine by lot the order of elimination and thereafter each shall in that order, alternately strike from the list three names each and the seventh and remaining name shall become the arbitrator.

It is understood and agreed that there shall be no jurisdiction of the Federal Mediation & Conciliation Service to proceed in any manner unless and until all prior steps of Article 8 have been complied with by the grieving party.

5. After the arbitrator has been appointed by the foregoing procedure, the arbitrator shall meet with all members present, hear the evidence of both parties and render a decision promptly. A separate arbitrator shall be appointed to hear each grievance that has been appealed to arbitration unless the parties agree in writing to present more than one grievance to the same arbitrator.

6. The time limits specified in this section may be extended by mutual consent of the parties or by the arbitrator.

7. It is understood that the function of the arbitrator shall be to interpret specific provisions of this Agreement. The arbitrator shall have no power to decide on any issue that is defined in this Agreement to be non-arbitrable or to add to or subtract from or to modify and extend any of the terms of this Agreement.

8. The arbitrator shall agree to render a decision within thirty (30) days after the completion of taking evidence. Each party shall bear the expenses of its Representatives and witnesses. The fees and expenses of the Arbitrator shall be borne equally by the parties.

9. The decision of the Arbitrator on the matter at issue shall be final and binding on both parties.

10. The Arbitrator shall have the authority to award attorney's fees and costs for any grievance determined to be arbitrable.

SECTION 703 – JOB DESCRIPTIONS

Fifteen (15) days prior to the Board of Education approving the creation of, or changes in job descriptions/Classifications and/or qualifications of bargaining unit position(s), representatives of the Board will negotiate with representatives of the bargaining unit about such proposed changes. If no mutual understanding is reached by the parties regarding such proposed changes in job descriptions and/or job qualifications after 15 days, the Board may implement such changes. All new job descriptions shall have the Board adoption date. The parties agree that the current job descriptions/Classifications are set forth on Appendix E and are also referenced in Appendix A.
The rate of pay for new positions will initially be established by the Board, but, upon demand by the unit if it deems such rate of pay unsatisfactory, the rate of pay will be negotiated with the unit and there will be an amendment to Appendix A. In the event the Board of Education changes the job description of any permanent Employee which adds duties and requirements which substantially alters the nature of the position, the unit may demand to negotiate a new wage rate for that position. No member of the unit whose job description and duties may be changed will have a reduction in his/her hourly rate of pay as a result of such change.

SECTION 704 – PROBATIONARY PERIOD

New Employees shall serve a probationary period of ninety (90) calendar days and shall have no seniority rights during this period; new Employees during the probationary period shall be entitled to the grievance and arbitration provision of this contract. Probationary Employees shall be eligible for Employee benefits after ninety (90) calendar days of employment. All Employees who have worked ninety (90) calendar days in a permanent job shall be known as permanent Employees and the probationary period shall be counted in determining total seniority. All new Employees shall receive seven (7) days of training during their ninety (90) day probationary period and an evaluation of performance on or before the at 60th day of the probationary period.

Any person hired to be a Regular Bus Aide as that has been defined shall first have a 90-day probationary period before being considered a Regular Bus Aide consistent with the paragraph above. Any person hired as a temporary bus aide even if a long-term temporary bus aide due to sickness, family leave, or otherwise of a Regular Bus Aide shall not gain any rights that belong to a Bus Aide.

SECTION 705 – SENIORITY

The Board of Education shall establish a seniority list and it shall be brought up to date on January 30th and June 30th of each year and delivered to the Chapter Chairperson and to each member of the bargaining unit. Any objections to the seniority list, as made, shall be reported within ten (10) working days or the list shall be deemed accepted as submitted.

There shall be two (2) types of seniority recognized: (1) bargaining unit seniority and (2) job classification seniority. Current job classifications shall be set forth in the salary schedule attached to this Agreement as Appendix A.

Bargaining unit seniority shall be based on the length of time a person has worked for RPS and been an Employee as defined by this Agreement since the Employee’s last date of hire as either a regular full time Employee or a regular part-time Employee or long term temporary substitute. Job classification seniority shall be computed from the date that the Employee was most recently placed in his/her particular job description.

The permanent Employee with the longest bargaining unit seniority shall be given preference in choice of vacation.
Job classification seniority shall be used in preference for assignment to shift work.

An Employee shall lose all previous seniority credit for any of the following reasons:

(f) Layoffs which extend in excess of recall time.
(g) Absence from work without authorization beyond the period for which leaves of absence have been granted.
(h) Taking other employment or conducting a business without authorization of RPS during a leave of absence.

All regular part-time Employees and all regular full-time Employees shall be treated equally in any issues where seniority is involved under this Agreement.

Beginning July 1, 2016, there is no established number of Bus Aide positions. The Director BGT is solely responsible for determining the number of Bus Aides that RPS needs to have. Bus Aide positions may be terminated at any time. If there is a reduction in the number of regular Bus Aide positions, then Seniority, meaning the date of hire, shall control which individuals will be terminated when a position is terminated.

SECTION 706 – VACANCIES, NEW POSITIONS, AND ADVANCEMENT

1. If a vacancy within the bargaining unit occurs in permanent positions or if a new permanent position is created, the position shall be posted on all Employee Bulletin Boards for a period of five (5) working days. Job postings shall include all details for the position. Past performance evaluations, merit, abilities, capabilities, and the particular needs of the position shall be factors in determining if an Employee is qualified for the position.

2. The position shall be filled by a unit Employee within five (5) working days from the final day of the posting provided a qualified unit Employee has bid for the position within this period as determined by the Director of BGT.
3. When two or more permanent Employees are competing for a position and RPS has determined that past performance evaluations, ability, merit, and capability are reasonably equivalent, then Bargaining Unit seniority shall govern and control.

4. In the event no qualified Employee applies for the vacancy, it may be filled in any manner at the discretion of RPS.

5. In the event that an Employee is selected for a position, the Employee shall be given up to a ninety (90) working days for RPS to ascertain whether the Employee can satisfactorily perform the duties of the position. During the aforesaid period the Employee shall receive the wage rate of the position that the Employee is performing. If RPS determines within this period that the Employee is not performing satisfactorily, the Employee shall be returned to his/her former position at the wage rate earned prior to the change. It is clearly understood that the foregoing shall not be construed to create or infer an absolute right to a trial period for any Employee.

6. RPS shall post a vacancy or new position for five (5) days to see if any unit Employees apply for the position before advertising the vacancy or new position to obtain applications from people who are not already Employees.

7. The Chapter Chairperson shall receive copies of all postings and awards.

8. Advancement of a unit Employee shall be based upon past performance evaluations, merit, abilities, capabilities, and the particular needs of the position to which an Employee can advance. If all items identified in the preceding sentence are equal for two Employees looking for advancement, then the person with the most seniority shall be given the position. The decision on who will receive the advancement is determined by the Director of BGT.

SECTION 707 – REDUCTION IN FORCE

1. Overall bargaining unit seniority since the last date of hire will be the factor in determining who is eliminated as an Employee if there is a need for a Reduction in Force. Whether temporary or permanent, the following procedure will be followed:
   
   (a) Temporary employees shall be laid off first.
   (b) Seasonal employees, if any, shall be laid off next.
   (c) Permanent Employees with job classification will last.

2. Within each job classification which is to be reduced in force, the Employee with the lowest overall bargaining unit seniority shall be laid off in the reverse order of overall bargaining unit seniority. Affected Employees shall be permitted to bump Employees, provided that they have the ability to perform the duties of other job classifications, who are in lower rated job classifications and who have less overall bargaining unit seniority. Employees shall be permitted to “bump” Employees who are in a higher job classification who have both less overall bargaining unit seniority and have less job
classification seniority in such higher job classification than has the affected Employee; any Employee bumping from a lower to a higher job classification/description must be both qualified and able to perform the work in the higher job classification/description.

3. If a position is abolished in any job classification/description, and the individual whose position has been abolished is more senior than an Employee in another job classification, and the more senior Employee is qualified for the job held by the less senior Employee, the more senior Employee can "bump" the less senior Employee.

4. Recall. In the event there is an increase in the work force or a recall of Employees, permanent Employees who have been laid off shall be reemployed in reverse order of overall bargaining unit seniority provided, however, that the reemployed Employee is qualified for the position that is open.

5. Employees who are laid off shall be placed on a recall list for a period of time equal to their length or service within the bargaining unit but in no event to exceed three years. In the event an Employee refuses a recall at any time within the time limits of the Employee's recall rights, he/she shall be removed from the list.

6. RPS agrees to provide thirty calendar days' notice to Employees in the event of a reduction in force.

7. An Employee who leaves the employment of RPS shall provide RPS with at least two weeks advance notice.

SECTION 708 – DISCIPLINE AND DISCHARGE

It is agreed that the Board of Education or Superintendent of Schools or Assistant Superintendent and/or those delegated supervisors within the Department of Maintenance, shall have the right to discipline Employees for just cause. The Superintendent or Assistant Superintendent must give final approval for suspensions and for terminations.

It is further agreed that the Board and/or the Superintendent or Assistant Superintendent may dismiss any Employee for reporting to work under the influence of drugs and/or intoxicants, bringing intoxicants to the job, using or drinking intoxicants during working hours, for theft, for insubordination, for refusing to work, for refusal to follow orders, for not fulfilling duties, or for other similar serious offenses. If an Employee is discharged or suspended, the Employee and Union shall be notified in writing to this effect. The Employee affected shall be furnished with a letter stating the precise charge at the time the charge is made. If an Employee is discharged or is disciplined by someone other than his immediate supervisor, such discharge of disciplinary action may be processed as a grievance commencing with Step 3, Article 1(c) of the Grievance Procedure. Said grievance must be made in writing within ten (10) days from the date of discharge or disciplinary action.
SECTION 709 – EXPECTATIONS

1. Employees will perform their duties in a manner that is professional and respectful of all RPS employees and students. Employees will not enter into verbal altercations or act in a physically intimidating manner while on RPS property or performing RPS duties.

2. Employees not expecting to work because of sickness or emergencies or other justifiable causes must notify their respective supervisor at least one hour before his/her scheduled starting time unless physically unable to do so. This provision shall not be interpreted as condoning repeated absences from work on the part of the Employee. If an Employee is unable to notify the Director of BGT on the day of the absence he/she must explain the absence to the Director of BGT prior to reporting to his/her regular work shift.

SECTION 710 – ABSENTEEISM

The Union agrees that sick leave entitlements should not be abused and that an Employee has the responsibility of being at his/her assigned job unless physical illness or disability prevents it.

When RPS suspects that an Employee may be abusing sick leave privileges through excessive use, or if a persistent pattern of use is evident, the Director of BGT shall discuss the suspected abuse with the Employee and the Employee may be required to justify his/her absences. If the absence record of the Employee does not substantially improve after being advised of the concern, or if the Employee does not provide adequate reason, including medical explanations from a health care professional for the absenteeism or pattern of usage, RPS may take disciplinary action against the Employee up to and including discharge. Any disciplinary action taken under this section will be subject to Article 8 (a) (B) (2) - just cause. Notice of any action taken under this section shall be given to the Chairperson of the bargaining unit.

SECTION 711 – LEAVE OF ABSENCE

Employees with five or more years of RPS service who are out of work due to prolonged illness or injury (not on Workers’ Compensation) and who have exhausted all sick or other paid leaves may continue in the RPS Health Plan. RPS will continue its payments under this Agreement for such Employee at no additional cost to the Employee for sixty (60) days after the Employee has exhausted all paid leaves. The Employee may then continue coverage by paying fifty percent (50%) of the premium paid by RPS for an additional sixty (60) days. Thereafter, the Employee may continue in the RPS Health Plan by paying the full cost of the premium for the time allowed by COBRA.

Employees elected to any Union office or selected by the Union to do work which takes them from their employment with RPS shall, at the written request of the Union, be granted a leave of absence. The leave of absence shall not exceed two years, but it shall be renewed or extended for a period not to exceed one year upon the request of the Union. Employees on Union leave shall be able to purchase insurances by paying the full premiums charged to RPS while they are on such leave.
Members of the Union selected by the Union to participate in any other Union Activity shall be granted a leave of absence at the request of the Union. A leave of absence for such Union activity shall not exceed one month, but it shall be extended for a period not to exceed one additional month upon the request of the Union.

ARTICLE 8. LEAVES

SECTION 801 – VACATIONS

1. RPS agrees that an Employee who has worked continuously for a period of one full year from his/her date of hire, with 2000 hours or more during such year, excluding overtime, but including hours of approved sick leave or time on workers’ compensation in any given year (provided he/she worked during the year) shall be entitled to two (2) weeks’ vacation with pay.

2. After full years of continuous service from date of hire and consistent with the requirements of the first paragraph of this Article, employees will be entitled to vacation as follows:

   1 yr.  = 2 wks.
   4 yrs. = 3 wks.
   10 yrs. = 4 wks.
   20 yrs. = 4 wks. + 1 day
   21 yrs. = 4 wks. + 2 days
   22 yrs. = 4 wks. + 3 days
   23 yrs. = 4 wks. + 4 days
   24 yrs. = 5 wks.

3. In the event that a paid holiday falls during a vacation period, RPS will authorize compensation to the Employee of an extra day of vacation to be taken at a time which is mutually convenient to RPS and the Employee. However, an effort will be made to meet the Employee’s request.

4. Upon retirement, discharge, resignation, the Employee shall be paid unused accumulated vacation days computed to the nearest full month as set forth herein. Upon Employee’s death, accumulated vacation days shall be paid to the Employee’s spouse or beneficiaries as provided for herein.

5. Vacations may be split into one-week periods. Vacations, except as noted in paragraph 4 above, will be scheduled at a time mutually agreed between the Board of Education and the involved Employee. Up to one week of an Employee’s vacation allotment (up to five days) may be taken in ½ day increments or single day units upon advance notice and with the approval of the Director of BGT or designee. During January of each year, the Director of BGT will post a vacation preference roster for the next fiscal year in
Maintenance Department’s main office. This roster will remain posted for a period of four (4) weeks. During this time, vacation preference will be accorded on the basis of total school system seniority. At the end of January, vacation requests will be verified within ten (10) working days. A least senior individual who fulfilled the procedure and has his/her vacation approved shall have preference for his/her vacation despite the wishes of a more senior Employee. If Employees have not filled in the roster for vacation time and additional vacation time is available to the Employee and/or if Employees request a change in rostered vacation after the four (4) week sign-up period, any conflicting requests between Employees for vacation time off will be resolved in favor of the most senior Employee.

6. An Employee whose approved vacation is scheduled within the last two (2) months of the vacation year who becomes seriously ill or disabled due to injury prior to the start of the vacation, as verified by a physician, and is unable to take his/her scheduled vacation will be paid for such unused vacation at the end of the vacation year. In lieu of pay, an Employee who falls into this category of ill or injured may, with the approval of the Superintendent of Schools, carry up to two (2) weeks of vacation into the next year for use as vacation time. This provision does not apply to an Employee who becomes ill or is injured while on vacation.

7. Vacations due in any vacation year must be taken during that year. Vacations will not be allowed to accumulate. In general, Employees shall take time off to which they are entitled except under extenuating circumstances or RPS may waive this requirement and pay Employees.

SECTION 802 – PAID HOLIDAYS

Employees, except for Bus Aides, shall not be required to work but they shall receive their regular per diem rate of pay (meaning that if a person normally worked 6 hours per day that person would receive six hours of compensation but if a person normally worked 8 hours that would be their rate of pay) for the following fixed holidays, subject to the provisions set forth in this section.

- New Year's Day (January 1)
- Independence Day (July 4)
- Labor Day
- Wednesday before Thanksgiving
- Thanksgiving Day
- Friday following Thanksgiving
- Christmas Day (December 25)
- Day before New Year's Day

Employees, except for Bus Aides, shall not be required to work but they shall receive their regular per diem rate of pay for the following floating holidays, subject to the provisions set forth in this section. These are holidays which generally will be given on the nationally recognized day of celebration, except if school is in session, in which case the employees shall be given one additional elective holiday day for that fiscal year.
Presidents’ Birthday (the day nationally recognized and not Feb. 12 or 22)
Memorial Day
Veterans’ Day
Day before Christmas (December 24)
Martin Luther King, Jr. Day

If any of these holidays fall on a Sunday, the following Monday shall be considered the holiday. If a holiday falls on a Saturday, the preceding Friday shall be considered the holiday.

If, in the case of an emergency, when school is not in session and all Employees are not scheduled to be working, it becomes necessary for an Employee to work on a paid holiday, then the Employee shall receive two times their regular rate of pay for all hours worked on the holiday in addition to the pay that they would receive for that holiday.

In addition to the thirteen (13) floating and fixed holidays listed above, each member of the unit, except for Bus Aides, is entitled to four (4) elective holidays which may be taken at a time mutually agreeable to the Employee and the Director of BGT. No more than two (2) Employees may take an elective holiday on the same day. Requests for elective holidays will be made by the Employee in advance and the requests will not be unreasonably denied. An Employee to be eligible for these paid holidays must have worked on their last scheduled workday before the holiday and on their first scheduled workday after the holiday, except for documented illness.

**SECTION 803 – SICK LEAVE**

Each permanent Employee covered by this Agreement shall be entitled to twelve (12) sick days per year, credited at the beginning of each fiscal year, pro-rated down for Employees who join later than July 1, and such total sick leave may accumulate to one hundred and twenty (120) days. Any permanent employee who has attained the maximum of 120 days may continue to accrue additional sick leave days for the purposes of having an additional retirement benefit, in that the days over 120 days shall be eligible for the payment for unused sick days upon retirement.

Permanent Employees start to earn sick leave on their day of hire. Employees shall be eligible for sick leave after ninety (90) days service with the School System.

The right to use sick leave when ill is given without fear of recrimination. To be entitled to sick leave, a physician's certificate must be filed with the Superintendent of Schools at the time the Employee returns to work after four (4) consecutive days of illness. After fifteen (15) consecutive days of illness, certificates may be required from two (2) physicians (when certificates are required from two physicians, the Board of Education agrees to pay charges for said certificates).
Any Employee, who is known to be ill, supported by satisfactory evidence, will be granted sick leave for a period not to exceed ninety (90) days or a period extending to the number of the Employee's accumulated sick days, whichever is greater. If the sickness extends beyond the foregoing period, sick leave may be further extended with the approval of the Board up to a maximum of one year. The foregoing sick leave shall be without pay, with the exception of any time for those accumulated paid sick days entitled to the Employee.

Up to ten (10) days per year of an Employee's sick leave allotment may be used to care for an Employee's spouse, child or significant family member whose illness is of such a serious nature that the Employee's presence is required. An Employee requesting such time may be required to provide an attending physician's statement as to the serious nature of the illness requiring household/bedside attention or, under certain serious cases, the need for the Employee to transport the ill member for medical treatment inside or outside of the city. If transportation provided is within the city, the Employee is expected to make every effort to return to work if more than four (4) hours of the workday remain.

SECTION 804 – SICK LEAVE BANK

1. A sick leave bank shall be established to provide for salary payments for members of the bargaining unit who are seriously ill or disabled, that is, confined to a hospital or recovering from a serious illness, and under the constant care of a physician, and whose accumulated sick leave, vacation days, floating holidays, and compensatory time are exhausted.

2. The bank will consist of days voluntarily donated by unit members not to exceed one (1) day per year, per unit member. The annual donations shall be made on October 1st of every year.

3. The bank will be administered by the Superintendent or his designee in consultation with the Chapter Chair of the Union. The decision of the Superintendent in consultation with the Chapter Chair of the Union shall be final.

4. An applicant must submit satisfactory proof of illness or disability to the Superintendent. Such proof shall include a physician's statement. RPS reserves the right to have another physician of RPS's choosing verify the Employee's illness.

5. Days donated to the bank shall be deducted from the donor's credited days. Any unused time in the bank at the end of the work year, up to two hundred-forty (240) days, shall remain in the bank. Days in excess of 240 will be refunded to participants, prorated if necessary. The maximum number of days approved and drawn from the sick bank by an eligible Employee in any work year shall not exceed one-half of the amount days that are in the bank. If an Employee contributes days to the bank, and ceases being an Employee before his/her days are used, the contributed days will be restored to the donor at the time of ceasing to be an Employee as defined by this Agreement to be figured into any benefit which may be due, and the days subtracted from the bank.
6. A person who is collecting from the bank at the end of the work year, whose illness extends to the following work year, must reapply to the bank, if still eligible.

7. Should the total days in the bank fall below ten (10) during the course of a year, the bank may be reopened for additional voluntary contributions of one day per unit member.

8. Only those Employees who contributed to the sick bank are eligible to draw benefits from the sick bank.

The parties agree to consider changes to the sick bank with a focus on fairness, efficiency and simplicity. Any proposed changes to this section must be done as an amendment to this Agreement and ratified by both parties.

SECTION 805 – BEREAVEMENT LEAVE

In the event of death of an important member of a permanent Employee’s family, the Employee shall be granted five (5) working days leave without loss of pay and such absence shall not be charged to sick leave. Important member of a family is defined as follows: Spouse, Partner, Father, Father-in-law, Mother, Mother-in-law, Son, Daughter, Brother, Sister, Grandparents and Grandchildren, Brother-in-law, and Sister-in-law, or other significant family member residing in the household of an Employee. It is expected that only so much time as is needed will be taken and not necessarily the full amount of time that is provided unless it is appropriate.

SECTION 806 – FAMILY LEAVE

Permanent Employees shall have family leave rights consistent with 21 V.S.A. §472 or as that section may be amended from time to time.

SECTION 807 – JURY DUTY LEAVE

Employees shall be granted a leave of absence with pay as provided below, anytime they are required to report for Jury Duty or Jury Service.

Employees shall be paid the difference between any jury duty compensation they receive and their regular wages for each day of jury service.

Any Employee who reports for jury duty and is dismissed from such duty and has at least two or more hours remaining in his/her workday shall return to work but will be allowed sufficient time to have lunch and/or change for work. An Employee who is working regular shift hours who is called for jury duty who is released before two o'clock will report to his/her regular shift. If an Employee who is working regular shift hours is released after two o'clock, he/she does not have to report for duty. Employees who are working regular shift hours must inform the Director of BGT when they are on jury duty.

LONGEVITY

Effective July 1, 2017, all AFSCME bargaining unit members, including bus aides, with 10 years of continuous service from their date of hire, shall be eligible for longevity.

After 10 years of continuous service, an employee will be granted a stipend of $100.00. This will increase by an additional stipend of $100.00 per year until a maximum of $1,000.00 is reached at 20 years. Once reached, the $1,000.00 per year stipend will be paid annually thereafter.
APPENDIX B

BARGAINING UNIT WORK DEFINITION

AFSCME LOCAL 1201, COUNCIL 93

The Bargaining Unit shall, except as otherwise provided for below, be responsible for:

(1) Cleaning and maintaining RPS’s facilities;
(2) Maintaining the grounds and athletic fields used by RPS;
(3) Operating RPS’s buses, including performing daily safety checks and minor maintenance on the buses; and
(4) Maintaining the student and office equipment used by RPS, as skills allow.
(5) Supervise, monitor, and control students on school buses on school days during the school year subject to the provisions of the CBA.

Projects*

The parties agree that RPS needs to do Projects, which are over and above routine maintenance and repair or custodial work that must be undertaken throughout a school year in order to properly maintain, upgrade, and improve RPS’s facilities and properties. The parties agree that all Projects need to be completed so that a professional quality result is achieved for a reasonable cost. RPS may use Employees to do the Projects or may contract with outside contractors to do the Projects that it determines need to be accomplished as RPS solely determines to be in the best interests of RPS.

The changes in operations that are affected by the changes in this Appendix provision are not intended to reduce the size of the existing workforce but are intended to supplement the existing workforce.

The performance of the bus aide work done by Bus Aides is not exclusive and RPS may hire temporary bus aides or have other people perform duties of a bus aide so long as the schedule for these people is not set for every day of every school year. The Director of BGT has the ability to hire temporary bus aides on an as-needed-basis and on an intermittent basis. Parents can also volunteer to assist on bus trips and travel with students if acceptable to the Director of BGT.
APPENDIX C

APPENDIX TO AGREEMENT

In accordance with §5652(b) of Title 123 V.S.A., Chapter 191, Arbitration Act, the following addendum is added to the agreement.

ACKNOWLEDGMENT OF ARBITRATION

It is understood that this Agreement between the Rutland City Board of Education and the Rutland School Chapter of A.F.S.C.M.E. contains an agreement to arbitrate. After signing this document, it is understood that neither party will be able to bring a lawsuit concerning any dispute that may arise which is covered by the arbitration agreement, unless it involves a question of constitutional or civil rights. Instead, the parties agree to submit any such dispute to an impartial arbitrator.

OVERTIME ROTATION PROGRAM

Every six months Employees shall be asked to indicate their preference to work or not to work overtime for the succeeding six months and the overtime shall be offered equally among those employees who indicate a preference for overtime for each six-month period beginning on the first day of the month following the effective date of this Agreement. Overtime opportunities for custodial Employees shall be offered equally on a building basis. If needed, custodians from other locations will be offered the overtime. Overtime among all other Employees shall be offered equally on a department basis. Employees temporarily transferred to another job description or building shall have the choice of overtime on either their regular job or the temporary job.

On each occasion, the opportunity to work overtime shall be offered to the Employee who has the least number of overtime hours to his/her credit at that time. Employee shall be given the choice of the day’s available overtime when asked. If this Employee does not accept the assignment, he/she shall be charged with the hours offered and the Employee with the next fewest hours of overtime to his/her credit shall be offered the assignment. If an Employee accepts an overtime opportunity, but then cannot meet the obligation, they shall be charged as if they refused the task. With the exception of call outs and snow removal/plowing, overtime that is offered with less than 24-hour notice shall not be counted in the overtime calculations as an acceptance or a refusal. Employees who are absent from work due to vacations shall return to work with the same number of overtime hours credited to them as when they left for vacation. Employees who are absent from work due to sick leave or workers’ compensation leave shall return to work with the greater of (a) the same number of overtime hours as the Employee similarly situated with the lowest number of overtime hours or (b) the overtime hours the Employee had when he went out on the sick or workers’ compensation leave. Employees who are absent from work due to a disciplinary suspension or new Employees shall begin work with the same number of overtime hours as the Employee similarly situated with the highest number of overtime hours. Overtime shall be assigned as soon as the need is known. This is a complex system that is not an exact or perfect science which is operated in as reasonable a manner as possible, all circumstances considered, in an effort to accomplish fairness and equality by the Director of BGT with input from the representatives of the union. If issues arise, they may be submitted to the Labor Management Committee for discussion and resolution. To the extent that any overtime work requires special skills, those overtime jobs will be assigned to the person with the requisite skills.

Overtime for bussing trips and building events shall be offered the workday proceeding the trip. Overtime for covering illnesses shall be offered either the proceeding day or as soon as possible. All Overtime will be assigned in chronological order of weekday. I.e. Wednesday will not be scheduled prior to Monday just as Saturday’s overtime will not be scheduled before any given day during the week.
For the purpose of overtime, there shall be a list posted of regular drivers who wish overtime. (Custodial employees who possess a license are excluded from this list.) The list will start with the senior full time employee, and proceed down to the senior part time employee and from there to the end.

Employees will normally sign for trips in the morning on the day preceding the trip. Weekend and Monday trips will be signed for on Friday morning. Overtime hours will be estimated by what is on the bus trip slip. Upon signing a trip sheet, the individual will be charged the hours offered them, if said individual fails to go on the trip, assuming the trip does go as scheduled. This includes any reason for not going, including sick time.

If an individual refuses to go on a trip, the person will be charged for the hours offered to them.

In the event of a late notice trip as at tournament time, or in case of a mistake, an individual will not be charged if there is not 24 hours’ notice. If a driver has signed a trip for this given day, s/he will not be eligible and we will go through the list until someone accepts the trip.

If a trip is postponed only one day, the individual who signed the trip will take the trip the next day. In the event of a longer postponement, the trip will go back on the bus board.

Any use of a school building on weekends, school vacations or holidays shall have a custodian assigned and will have a one (1) hour set up time and as long as needed to clean up. Custodians will be asked based on the rotating overtime list. In the event that the custodians in the buildings are unavailable the overtime including weekends, holidays and vacations, will be offered to the custodians according to the overtime rotation list.

Custodians shall be asked, based on the rotating overtime list. In the event that the custodians in the building are unavailable, the overtime will be offered to other custodians first, then all other employees, according to the overtime rotation list.

Custodial time-off request forms will be staffed 24-48 hours in advance and according to the overtime rotation list.

Negotiation team members are exempt from refusals for overtime work when meeting with the school board during negotiations.

The overtime list shall be given to the Chapter Chair or his/her designee on a daily basis.

The Maintenance Department will make phone calls to custodians regarding overtime. If no answer, a message will be left. If the custodian fails to return the call within 30 minutes, he/she will be passed over for the overtime and will be charged with a refusal.
