

Teacher Page Starter Guide

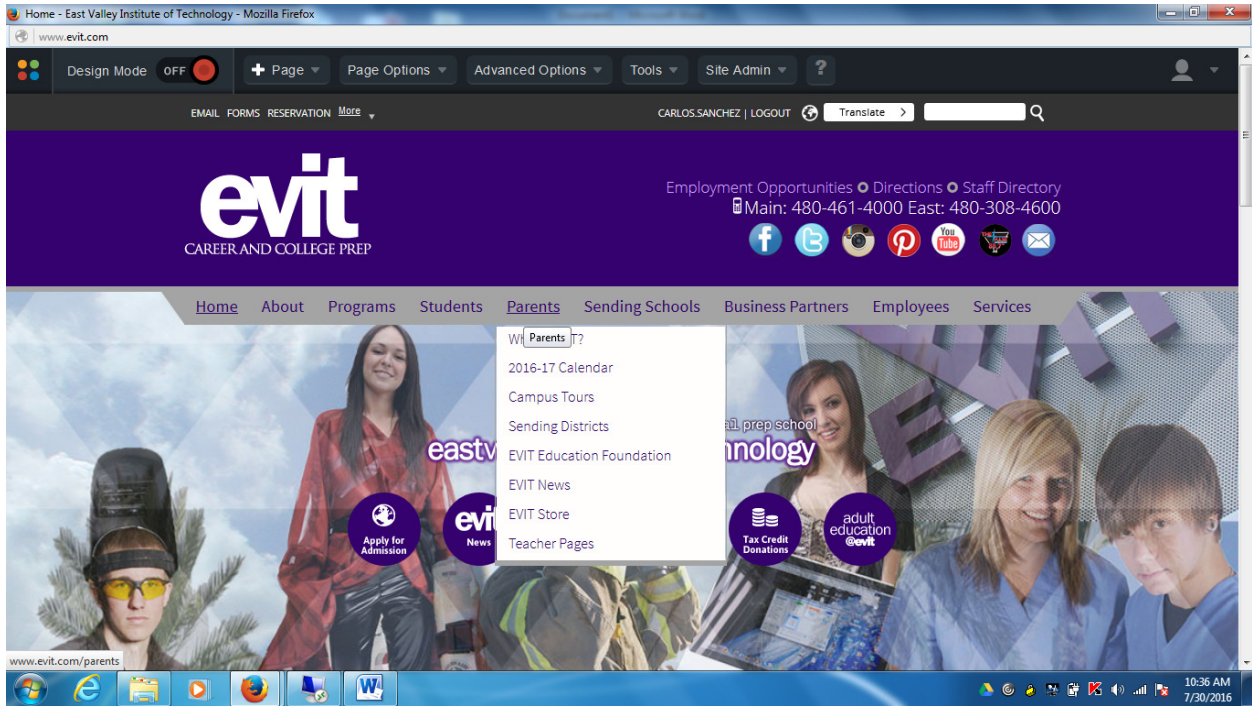

Go to our district website, <http://www.evit.com>. On the top-right of the page, click on the “Login” link.

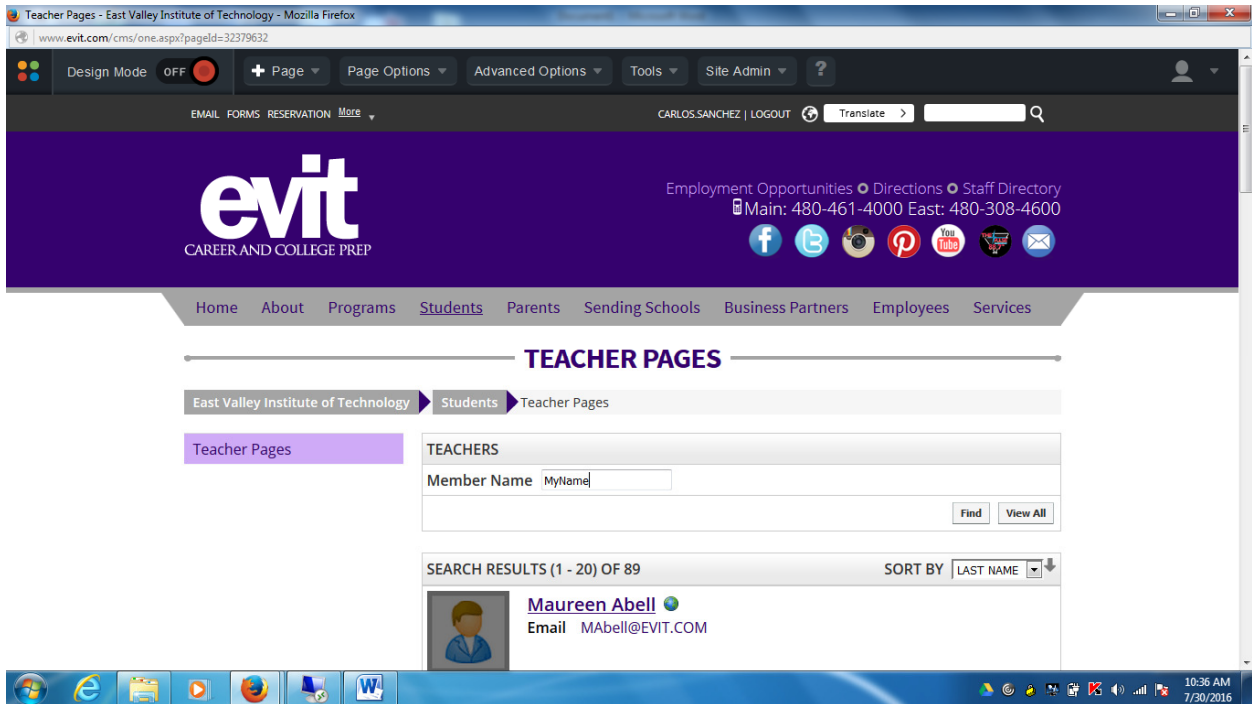

Enter your network username and password.

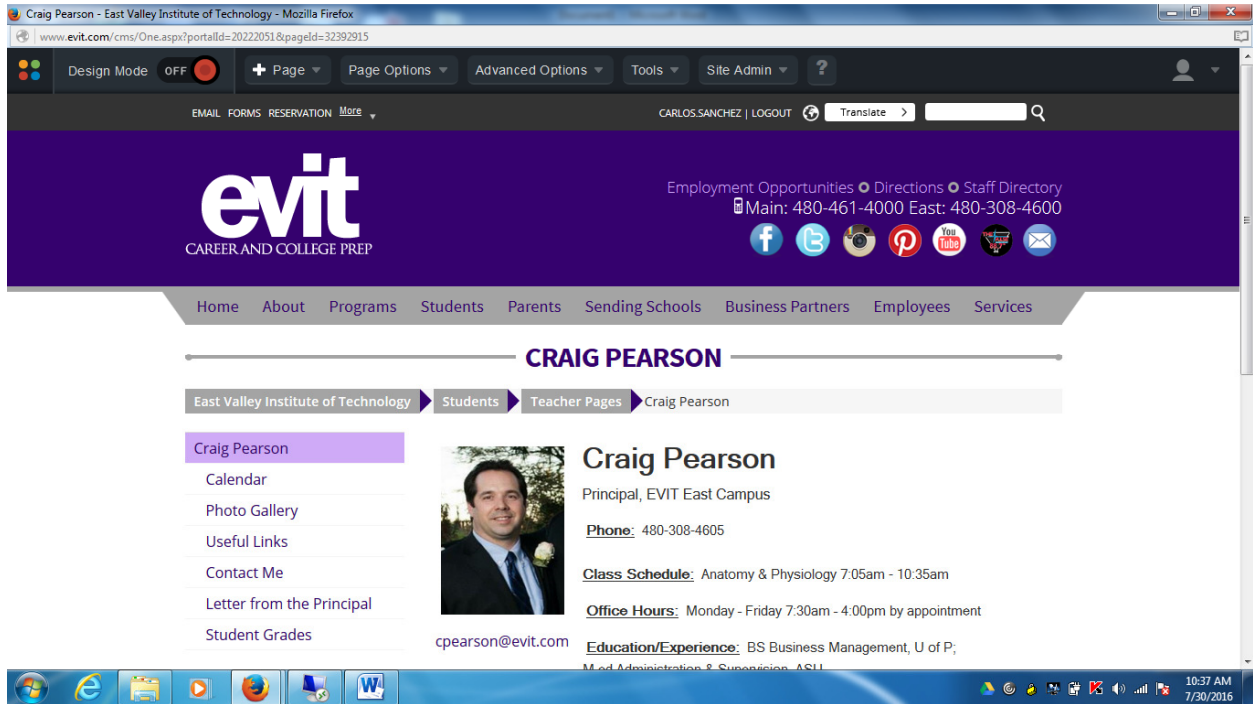

Hover over the “Parents” and click on “Teacher Pages”.

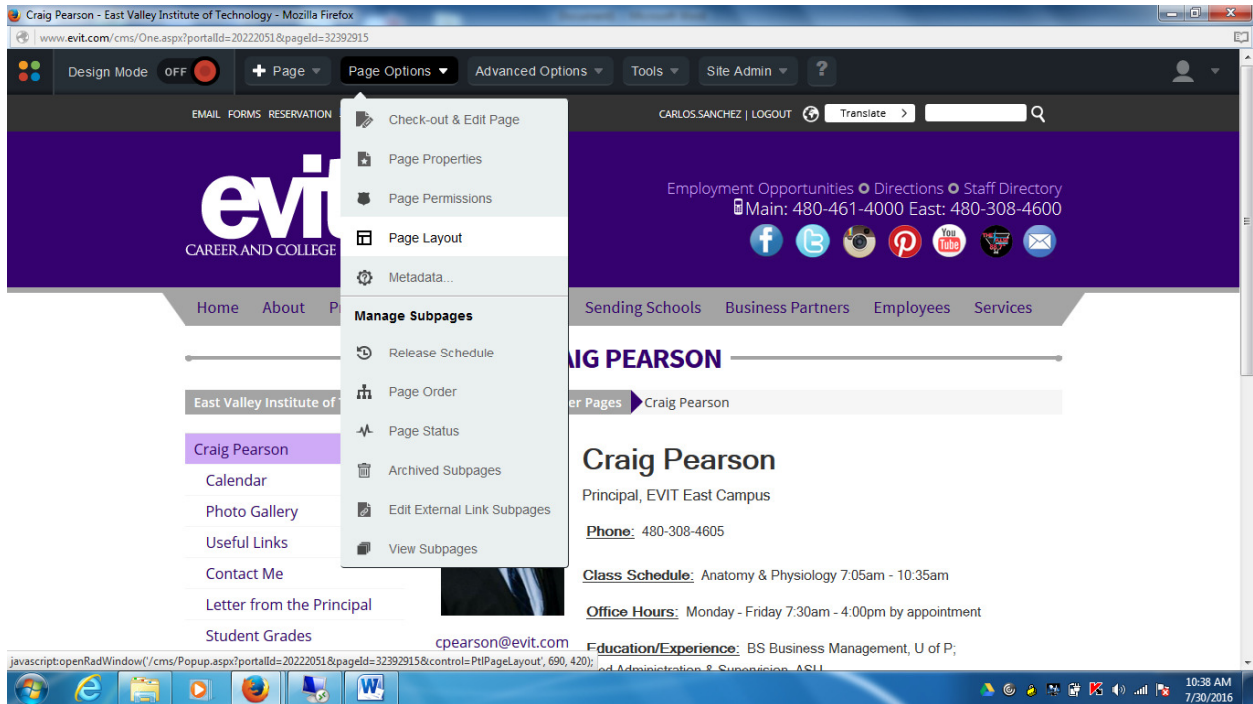

In the member name field, enter your first or last name to search for your account. You must click on the “Find” button to initiate the search. Next to your name, click on the globe icon to reach your page.

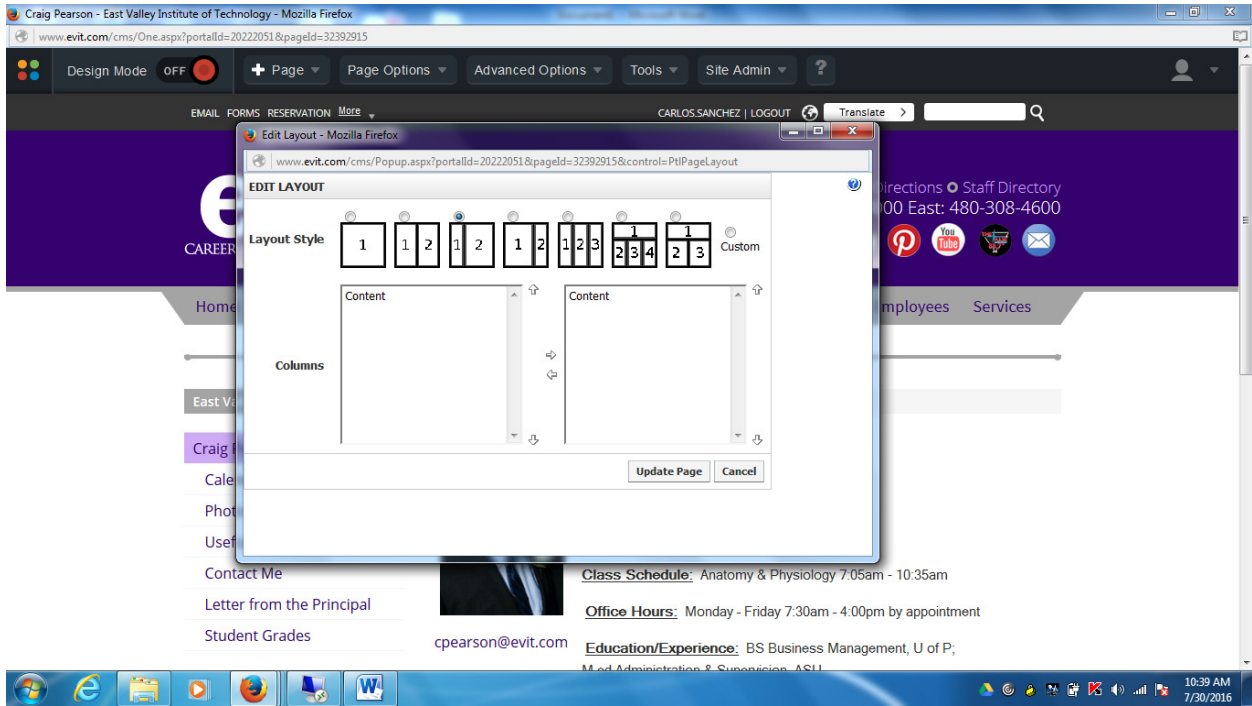

The page below is a sample page that can be used as an example as to how you would need to setup your home or landing page. This page can be found by searching for “pearson” under the teacher pages.

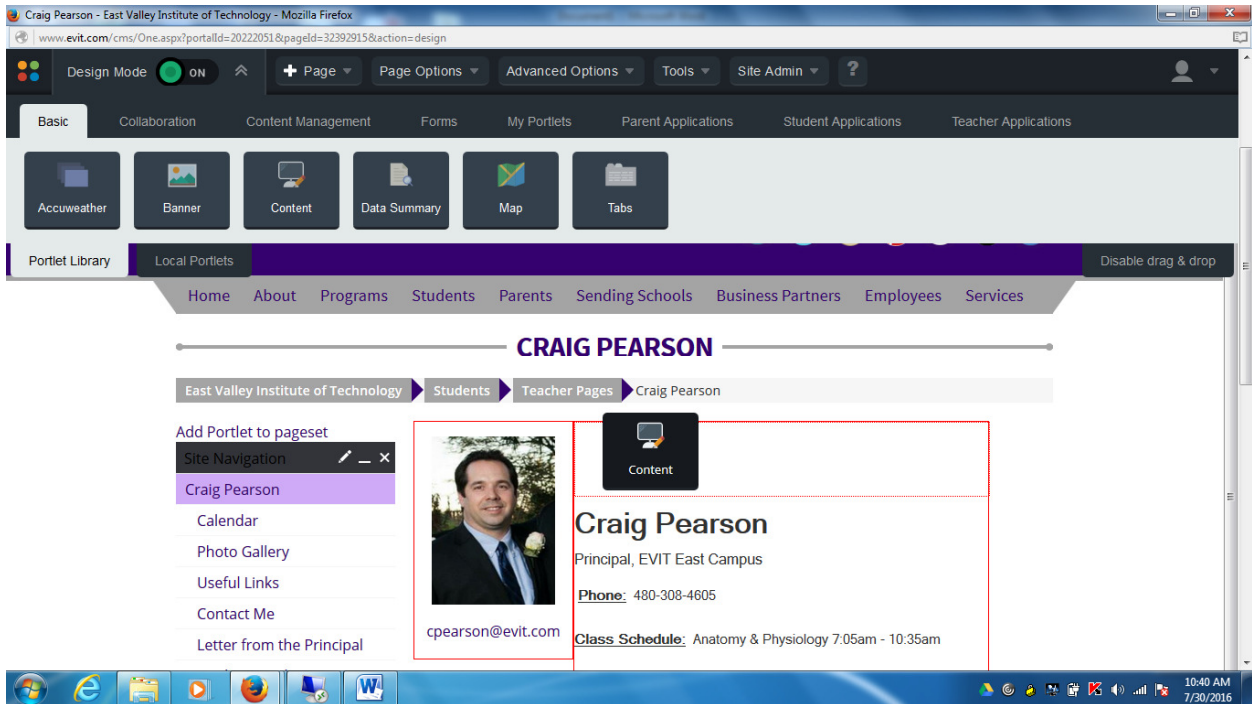

On your landing page, click on the “Page Options” and select “Page Layout”.

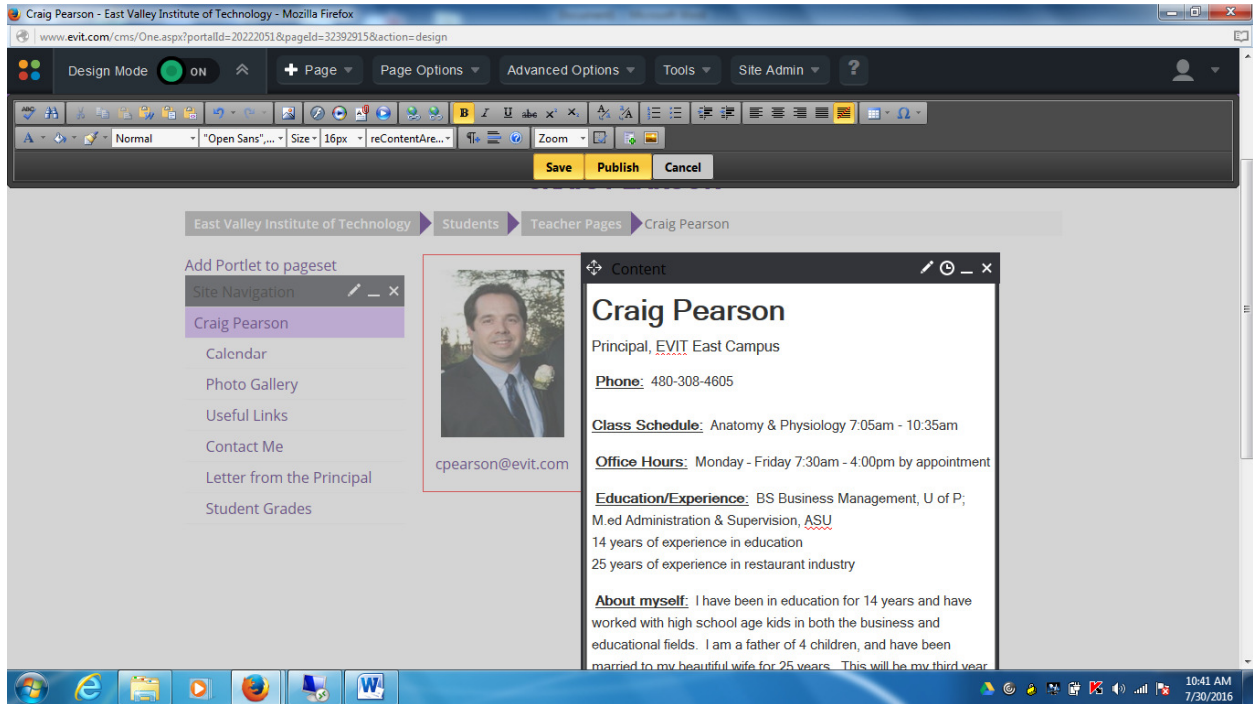

Select the third option and click on “Update Page”.

Switch to design mode by clicking on the big red button on the top-left of the screen. Then click and drag the “Content” portlet on to the right pane of your page.

Click on each of the content spaces to turn on editing mode for each area. Make sure that you click on “Publish” to save your work.

When you are done, click on the down arrow at the top-right and select “Logout” to exit the system.
