WHITESBURG BAPTIST CHURCH

WBC Membership Verification Form for Academy Tuition Credit

Whitesburg Baptist Church (WBC) members are eligible to receive a $300 annual credit for Academy tuition per student. To qualify for the WBC member tuition credit, the Office of the Pastor at WBC must verify that you are a member in good standing by completing this form.

To verify that an applicant is a member in good standing, the Office of the Pastor considers the following criteria:

- Is at least one parent an active member of WBC?
- Are they active attenders?
- Are they active givers to the budget and ministry of the church?

If the applicant qualifies in all three areas, the tuition credit is granted. If our records show that the applicant does not qualify in one of these areas, a member of the pastoral staff will call the applicant to discuss the situation. The Office of the Pastor will then determine whether to grant or deny the tuition credit request.
