#### 1) Call to Order

Maggie Charron called the meeting to order at 6:32 pm in the Middle School Library.

**1) Community Comments** - Bethany Burke, parent from Dover, asked that her questions from the recent DEI Forum about SEL, Cultural Responsiveness, MTSS, and DEI relate to the curriculum. She also read a comment from Liz Panagoulis (Sherborn parent) requesting clarification on references made at a recent meeting to “old school” academics and “we are a public school” as well as when parents are notified of intervention determined by MTSS. Alexandra Frank, Sherborn parent, read comments written by her children regarding how their experiences at Pine Hill are beginning to remind them of their previous school which their family left when DEI work overtook academic focus.

Maggie Charron and several other committee members addressed the recent anonymous websites and letters that were circulated in both towns. The claims made suggesting nefarious intentions of the Equity Audit and other DEI initiatives were rebutted. Committee members thanked those that have participated in recent DEI forums and asked that all comments be expressed respectfully, not anonymously, to facilitate discussion.

#### 2) FY24 Proposed Budget
