Last Four Digits of SS# _____

Course Currently or Previously Enrolled In: _____

Emergency financial aid grants may be used by students for any component of their cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care or childcare.

It is the continued intention of the U.S. Dept. of Education to prioritize grants to students with exceptional financial need; therefore, Eastern Suffolk BOCES will continue to request that all applicants complete a FAFSA. Students will be awarded a HEERF grant based on their EFC (Estimated Financial Contribution) as determined by their FAFSA, and prorated based on enrollment status and program clock hours. If you need assistance in completing your FAFSA, please feel free to call (631) 233-4483 to schedule an appointment with a Financial Aid Specialist.

My signature below certifies that I have incurred eligible expenses due to coronavirus.
