

2023 Gilbert Blue & Gold Golf Tournament

Dear Gilbert Alum/Supporter:

Please join us for another round of the Gilbert Blue and Gold golf tournament fundraiser. This year's return of Gilbert's major annual fundraising event will see the continuation of the very popular Blue and Gold golf tournament at the challenging and picturesque Fairview Farm golf course, in Harwinton, CT. We are also excited to announce the return of the Blue and Gold 5K run!

In 20 years of previous Blue and Gold events, we have raised over \$140,000! Proceeds from this year's golf and 5K fundraiser will go towards multiple beneficiaries of the Gilbert athletics department. Programs looking to buy new equipment, improve facilities, and provide student athlete experiences of a lifetime. These and more will benefit from this year's proceeds.

The athletics department has benefited from prior Blue and Gold tournaments in a number of different ways, including gear for athletic programs, a Long Jump pit, indoor scoreboard, trophy cases, wrestling mats, trips to China, Florida, Cooperstown, and more.

Your continued support of the Gilbert athletics program is needed and very much appreciated.
