1984 Fall Play

Are you interested in adding some culture to your day on Friday the 4th? Then we have just the show for you! The Merrillville High School Thespian Troupe will be presenting this year's fall play *1984* this year. Tickets will be sold before and after school in the Small Theater and in Mr. Bodine's room 9g205 in the freshman center. **Tickets will be 5 dollars and students will also need to have a permission slip signed by their first and second hour teacher to attend the performance.** TICKETS CAN NOT BE PURCHASED WITHOUT STUDENTS FIRST HAVING A PERMISSION SLIP SIGNED! Get your tickets early as the show sold out last year!

Synopsis of the play:

Winston Smith is a low-ranking member of the ruling Party in London, in the nation of Oceania. Everywhere Winston goes, even his own home, the Party watches him through telescreens; everywhere he looks he sees the face of the Party's seemingly omniscient leader, a figure known only as Big Brother. The Party controls everything in Oceania, even the people's history and language. Currently, the Party is forcing the implementation of an invented language called Newspeak, which attempts to prevent political rebellion by eliminating all words related to it. Even thinking rebellious thoughts is illegal. Thoughtcrime is, in fact, the worst of all crimes. Winston feels frustrated by the oppression and rigid control of the Party, which prohibits free thought and any expression of individuality. Recently he has become fixated on a powerful Party member named O'Brien, whom Winston believes is a secret member of the Brotherhood — the mysterious, legendary group that works to overthrow the Party.
