Building Budget for this school: \$90,285

2021-22 District Expenditures

Where does the money go?

School Description

Christa McAuliffe Elementary is committed to implementing a rigorous curriculum based on state and district standards, providing exemplary teaching that meets the needs of all learners, creating a safe and welcoming learning environment for all students, and fostering a partnership with our parent community. Our Reach for the Stars program has positively contributed to school culture by encouraging students to be their best by showing kindness and respect to others and by being safe and responsible at school. Parent involvement is a key component to the success of our students. We have an active PTSA that hosts a variety of community events, provides financial support and resources for our school, and organizes enrichment opportunities for students. Parents volunteer throughout the school each day, supporting students and teachers as we work together to achieve school goals. Our staff and community are highly invested in our equity work. Christa McAuliffe has a large Equity Team comprised of staff and parents. Our collaborative work has resulted in the addition of student education, school celebrations/recognitions, diversified book collections, and parent connection events. Christa McAuliffe Elementary houses a variety of programs that serve the needs of our diverse population. These programs include the Learning Center, Pull-Out Quest (gifted), and Full-Time Quest (gifted). These programs serve students from elementary schools within the Eastlake High School feeder pattern. McAuliffe is a healthy school, both in terms of academics and school culture. This is evidenced by high test scores, positive reviews on staff and parent surveys, and high attendance at school and PTSA events. We have low staff turnover and parents seek housing within our school boundaries so their students can attend McAuliffe.

2021-22 School Goals

Teachers examined state and school assessment results to determine school goals. Teachers met to discuss strategies to be used to increase performance. Grade level teams then met to refine strategies, design interventions, and create challenge opportunities for students.

- English Language Arts/Literacy: 75% of students in grades 3-5 will score at least three out of four on the organization/purpose and evidence/elaboration rubric on the Smarter Balanced Performance Task for Informational and Opinion Writing by the Spring of 2023.
- Mathematics: 90% of students in grades 3-5 will be at or above standard in mathematics as measured by the Smarter Balanced Assessment in Spring of 2023.
- Social and Emotional: 90% of students in grades 3-5 students will have a favorable sense of belonging as measured by the question on the Panorama social emotional learning survey that addresses "How much students feel they are valued members of the school community" by Spring 2023.

State Assessment Results

Smarter Balanced Assessment (SBA)

*No State Assessments occurred in Spring 2021 due to COVID-19.

Student Demographics

School Building

Our school facilities are available for public use by contacting our school office.

Building Condition Assessment: Fair

The Building Condition Assessment represents an overall permanent building condition assessment. It is conducted by a third party in accordance with the state's Asset Preservation Program.

Invitation to Participate

One of Lake Washington School District's Strategic Plan Goals is Community Engagement. Families and community members are encouraged to participate in our school. Volunteers are trained and work in a variety of positions. To get involved, call our school office.
