This girl-loves-ghoul rock 'n' roll Off-Broadway musical is set in the atomic 1950s at Enrico Fermi High, where the law is laid down by a zany, tyrannical principal. Pretty senior Toffee has fallen for the class bad boy. Family pressure forces her to end the romance, and he charges off on his motorcycle to the nuclear waste dump. He returns glowing and determined to reclaim Toffee's heart. He still wants to graduate, but most of all he wants to take Toffee to the prom. The principal orders him to drop dead while a scandal reporter seizes on

him as the freak du jour. History comes to his rescue while a tuneful selection of original songs in the style of 50s hits keeps the action rocking across the stage.

Dear Merrillville High School students, teachers, and families:

You're invited to join us on an upcoming educational travel experience to Scotland in Summer 2024!

When students travel, they expand their knowledge of the world around them, discover more about themselves, and grow more confident. These skills are critical for creating the global citizens of tomorrow, and I would love to have your student join me on this adventure.

There are limited spots on this trip, Feel free to stop by A108 for further information.

***This is not a school sponsored trip.**
