## School Description

Lake Washington High School is a comprehensive (grades 9-12) school with a wide variety of academic, athletic, and extracurricular opportunities for students. We are proud of our academic achievements and we believe that all students can rise to our highest expectations.

In addition to accessing advanced classes in all subject areas, our students take advantage of Career and Technical Education programs and UW in the High School courses. LHWS was proud to celebrate our 100th year last year.

In every way possible we celebrate each day how fantastic it is to be LWHS Kangaroos. Go Kangs!

## 2021-22 School Goals

School Improvement Goals:

1. Increase success rates in math for multi-lingual learners by reducing percentage of ML failures in math from 17% to 6%.
2. Increase success rate of ELA SBA passing rates from 81% to 85%, and from 55% to 70% as measured on the Math SBA.
3. Increase feelings of belonging for students who identify as Black/African American or Hispanic/Latino as measured on the Panorama survey. The goal is to increase overall feelings of belonging from 6% to 50% for these groups of students. Specifically, the goal for LWHS for this year is to drop our rates of N/F/D for Hispanic/Latino and Black/African American to the rate of our white students, which was at 4.6% D and 2.9% F/N last year.

## Student Demographics

+Smarter Balanced Assessment is a Washington state standardized exam. Scores represent percentage of students who met the standards. Students who did not take the test were counted as not meeting standard.

\*\*Scores are suppressed when groups are so small that the information could potentially be used to identify or derive information about individual students. Many 11th grade students refused to take the test: they may have already met graduation requirements through passing the old state tests in 10th grade.

\*\*The Scholastic Aptitude Test (SAT) and the American College Test (ACT) are required by many colleges and universities for admission. Students elect to take these tests. A new SAT was given starting in January 2016. The Reading and Writing sections have been consolidated and now make up "Evidence-Based Reading and Writing" (ERW). As a result, the previous year's data is no longer comparable.

### Invitation to Participate

One of Lake Washington School District's Strategic Plan Goals is Community Engagement. Families and community members are encouraged to participate in our school. Volunteers are trained and work in a variety of positions. To get involved, call our school office.

### School Building

Our school facilities are available for public use by contacting our school office.

#### Building Condition Assessment: Good

The Building Condition Assessment represents an overall permanent building condition assessment. It is conducted by a third party in accordance with the state's Asset Preservation Program.
