<p>Weekly maths tasks will be uploaded onto Google Classroom/given out to pupils to consolidate the work we have been completing in class. Please also practise your times tables.<a href="https://www.timestables.co.uk/games/">https://www.timestables.co.uk/games/</a></p>	<p>This term we will be reading the book <i>The Explorer</i> by Katherine Rundell. You need to write a letter home to your family explaining what it would be like to explore the Amazon rainforest.</p>	<p>Research what food miners would eat and take to work with them. In particular, have a look at the cornish pasty!</p>	<p>Research a planet in the solar system and decide how you will present the information such as a poster, letter, poem or Google doc. Links to websites / slideshows to help you are available on Google Classroom.</p>

<p>Create a piece of your own 'space / planet' style artwork inspired by Julie Perrot. Her paintings are full and quite bright and colourful even though they are of space. You could use paints or chalks on black paper or use collage materials. Just use whatever materials you have at home. A link to her work is available on Google Classroom.</p>	<p>Could you set some short term goals for yourself such as reading 8 out of the 10 Reading egg assignments? Then think of some long term goals such as achievements by the end of leaving year 6.</p>	<p>This term our topic is linked to food. Create a poster to advertise the food that can be found in a Welsh cafe. You can use Linguascope to remind you of the different activities.</p>	<p>Create a menu including food and drink. This menu needs to be in Spanish. You could research Spanish foods to include. Decorate with images of the food and drinks.</p>
