

These independent learning tasks should be completed by 26/05/23. All completed tasks will be rewarded with positive points.

Reading Pupils in years 4 to 6 follow the Reading Eggs programme and should be completing this 5 times a week for 20 minutes, working through the levels and maps, along with completing the weekly assignments set by their teacher. Pupils should access the library area of the programme in addition to this and read a variety of books. Please contact your child's teacher if you need a reminder of your child's login details

Mathematics and numeracy	English, literacy and communication	Science and technology	Caru dysgu: Humanities
<p>https://www.youtube.com/watch?v=SmRr86Y188w Watch the 9x tables rap song on youtube. Choose a times table and your favourite song. Now, create your own times table song - only for the first minute of your favourite song. Forward your video on classroom or email it.</p>	<p>Our novel is called 'The Girl who stole an Elephant.' As you know, elephants are endangered species-getting hunted for their ivory tusks. Create a conservation advert about saving the elephants and bring your script to class and read it out to your peers. Will they be persuaded?</p>	<p>This term we will be finding out about first aid. I want you to design the perfect first aid kit for the classes in Gwyn.What do you think you would need to include in the kit? What would you keep the equipment in? You can design your first aid kit on paper and bring it into school or create a Google doc and post it on</p>	<p>Research the Great Barrier Reef in Australia. Find out what living organisms live there and are dependant on each other (life cycle). Also find out how global warming is affecting and changing the appearance of this amazing ecosystem. Create a fact file in google slides and send to your teacher.</p>
Caru dysgu: Expressive arts	Well-being	Languages: Welsh	Languages: Spanish
<p>Global warming is becoming more noticeable all over the world - even in school! Can you create a piece of artwork (poster, model, painting etc) on how to save energy in the school? The winning piece of art will be displayed around middle school.</p>	<p>Think of different ecosystems around our local area eg Clydach Lakes, Mid Rhondda field, Glyn Cornel Lake and forestry. Go for a sunny, spring stroll with your family and take pictures of these different eco Systems. Can you think of any other ones?</p>	<p>This term we will be talking about Y Tywydd. Can you create a poster of different weathers, labelling them in Welsh? The best posters will be displayed in school.</p>	<p>Our new topic is weather, create a poster of weather symbols and label them in Spanish. This will help build your vocabulary.</p>
