

3. The superintendent shall also request information through any available abuse registry to determine whether there are any substantiated abuse/neglect charges or sex offense convictions against an applicant before appointing or nominating a candidate for employment. The superintendent shall maintain such records in accordance with state law.
4. Employment conditioned on the completion of a background check may be terminated if it is determined that the employee failed to respond truthfully to questions about criminal activity or prior employment. In any event the superintendent shall forward the information received from VCIC to the person about whom the request was made and inform the person of their rights to challenge the accuracy of the record and to determine the disposition of the record under 16 V.S.A. §§255(f), (g).
5. Providing a safe learning environment for students is a primary consideration in district employment decisions. The district will base such decisions on all relevant information, qualifications, and circumstances. Unfavorable background check information is not an automatic bar to employment, nor is a background check with no unfavorable information a guarantee of employment. However, no person convicted of a sexual offense requiring registration on the Vermont comprehensive sex offender registry shall be employed by the school district.

Appointment

1. The appointment of licensed employees will be made by the board subject to the nomination of candidates by the superintendent of schools.
2. Subject to any pre-employment screening processes approved by the board, the superintendent shall appoint all non-licensed employees to be employed by the school district or supervisory union.
3. Contracts of employment or other notification of employment will be conditional pending receipt of criminal records check information and evaluation of that information.
4. Upon completion of a criminal records check, the superintendent shall:
 - notify the person subject to the check about the district's protocol for maintenance of criminal history files, and
 - ask the person subject to the check to indicate if their record should be maintained or destroyed after the retention period specified in the district's user agreement with VCIC.
5. Employees who have been employed for fewer than two years in Vermont public schools are considered probationary teachers and may be offered a probationary contract.
6. All offers of employment may be withdrawn based on the criminal records check report or upon a finding that the information provided by the applicant during the pre-employment process was inaccurate, incomplete, or untruthful.
