WCUUSD Policy Committee Minutes 3.22.23 4:45-6:45 PM Central Office, 1130 Gallison Hill Rd. Montpelier Via Video Conference

Present: Superintendent Roy, Amy Molina, Chris McVeigh, Michelle Ksepka, Cat Fair

1. **Call to Order:** The meeting did not come to order as the committee did not have a quorum.

Chris McVeigh suggested having board members who are willing to be alternates to committees so that they can be reached under these types of circumstances, and step in so the committee can have a quorum and the meeting can carry on its business.

Chris McVeigh reminded Superintendent Roy that board members would like to see “red lined” versions of edited policies and it appears that the Weapons policy is not “red lined.”

Chris McVeigh also asked Superintendent Roy to consider the request that administration report to the board in cases of students possessing knives on school property, for example, if a weapons violation does not rise to the criteria of a board hearing. How often do these types of violations occur and how much of an “ask” is it of administrators to prepare reports to the board?

The committee will reschedule.
