### Rights of Accused Students

**A. Appeal.** Any person determined to have engaged in an act(s) of hazing, harassment and/or bullying may appeal the determination and/or any related disciplinary action(s) taken, directly to the school board of the school district. The school board shall conduct a review on the record. The standard of review by the school board shall be whether the finding that an act(s) of hazing, harassment, and/or bullying has been committed constitutes an abuse of discretion by the school level fact finder. Appeals should be made to the school board within ten (10) calendar days of receiving the determination that an act(s) of hazing, harassment and/or bullying has occurred and/or any announced discipline. The school board shall set the matter for a review hearing at the next scheduled school board meeting to the extent practicable, but not later than 30 days from receipt of the appeal filing.

**B. Accused Student/Appellant Access to Investigative Reports/Findings.** The school district shall make available upon request of the Accused Student/Appellant, any relevant information, documents, materials, etc. related to the investigation and related finding on appeal that can be redacted and de-identified in compliance with the requirements set forth at 34 CFR Part 99. For those documents that cannot be provided due to the requirements set forth at 34 CFR Part 99, when an Accused Student/Appellant seeks a review on the record before the school board of the school district, a school administrator may seek the consent of the parent/guardian of the targeted student, or the accused eligible targeted student (if 18 or older, the targeted student has the ability to consent), in order to inform the accused student of the findings which gave rise to the school's determination that an act(s) of harassment, hazing, and/or bullying occurred. The parent/guardian or eligible student shall provide a signed and dated written consent before an educational agency or institution discloses personally identifiable information from the student's education records.

## **VI. Confidentiality and Record Keeping**

**A. Privacy Concerns.** The privacy of the complainant, the accused individual, and the witnesses shall be maintained consistent with the District's obligations to investigate, to take appropriate action, and to comply with laws governing the disclosure of student records or other applicable discovery or disclosure obligations.
