WCUUSD Policy Committee Meeting Unapproved Minutes 12.10.19, 5 - 7 pm

1130 Gallison Hill Road, Montpelier

In Attendance: Chris McVeigh, Jaiel Pulskamp, Marylynne Strachan, board members; Aaron Boynton, Berlin Principal, Jody Emerson, U-32 Assistant Principal, Debra Taylor, Interim Superintendent

1. Call to Order: Chris McVeigh called the meeting to order at 5:06 p.m.
2. Approve Minutes of 11.26.19: Jaiel Pulskamp moved to approve the minutes of November 26, 2019. Seconded by Marylynne Strachan, this motion carried unanimously.
3. Updates
 - 3.1 Hate Symbols Resolution: Committee members discussed the possible resolution that had been drafted, while considering some of the verbiage in Policy C27. Aaron Boynton stated that the more specific the definition of the symbols, lettering, insignia, the harder it is to enforce, universally. Committee members indicated that it is understood that these symbols - Confederate flag, swastika - are included in the definition; however, should we spell them out so specifically within the policy? Is it helpful to have these specific examples? Would more people understand the intent of the policy if specific examples are provided? Committee members discussed - will this be a stand alone resolution? or embedded in the policy? or both.

Some discussion followed around the Black Lives Matter flag, and around including the term: white supremacy.

Jody Emerson stated that people - parents, students - do not immediately see a response when an incident occurs and the administration deals with it - because of confidentiality. There is a big educational component in each incident.

Jaiel Pulskamp feels that we need to have a more direct conversation at the board level to get a better feel for how many are satisfied with the policies as they stand, and how many feel we need to discuss this further.

Committee members agree on having this as a separate resolution as well as including the edited verbiage that Jonas Eno-Van Fleet had suggested within the C27 policy. The wording was discussed and edited; updated language is included at the end of the minutes.

4. Review Existing Policies

4.1 Section A – Board:

Committee members discussed A21: Public Participation at Board Meetings. Marylynne Strachan and Jaiel Pulskamp indicated that they don't feel that board meetings have an open feeling to the public. Marylynne Strachan suggested that there be some teaching to board members and to the public, so that there is a shared understanding of how communication happens at the board meetings.

Do Robert's Rules apply to "public participation at board meetings"?

Debra Taylor reminded the committee that the WCUUSD is currently operating under rules for "small boards," but when board membership increases after Town Meeting, the small boards rules will not apply.

A21 will go to the board for first reading.

4.1.1 Additional: A22: Committee members discussed whether this policy is necessary. A22 will go to the board for first reading.

A23 will go to the board for first reading.

A24: some edits were suggested. This edited version will go to the board for first reading. (please see below; change to paragraph four)

A31: Committee members discussed this policy, including board stipends. Some discussion followed around board training opportunities. Marylynne Strachan suggested discussing with the board a more fruitful plan for board trainings/ orientations. She would like for the trainings to be more specific to the unique nature of WCUUSD.

Debra Taylor stated that board development could be included in each agenda, for example, 30 minutes. This policy will go to the board for first reading.

A32: will go to the board for first reading.

A33: Committee agreed that this policy is not needed (at this time).

A34: The committee discussed this policy. Chris McVeigh is going to edit this model policy; he asked Principal Boynton to provide some input in his edits. The committee will revisit this at the next meeting.

At the next meeting, the committee will begin with A34 and then move to Section B.

4.2 Section B – Personnel (not addressed at tonight's meeting)

4.2.1 Current

4.2.2 Additional

5. Adjourn: The committee adjourned at 7:03 p.m.

Respectfully submitted,
Lisa Stoudt

Hate Symbols Resolution

(leave first paragraph as it is)

Washington Central Unified Union School District strives to create a learning environment conducive to student achievement, creativity and exploration. An environment in which students use their opportunities to experience their power to create and change themselves and their environment. Hate symbols indefensibly dishonor those goals. Yet, free speech values protect, but do not extol, the right to be wrong. Censorship may punish or suppress harmful speech but it does not change minds.

(second paragraph:) after “Bullying,” add “and Student Self-Expression Policies”

To unwaveringly protect all students’ rights to a safe educational environment, the WCUUSD School Board directs administrative officials to vigorously and promptly enforce our Prevention of Harrassment, Hazing and Bullying, and Student Self-Expression Policies, to thwart and respond to the undeniably harmful effects with which hate symbols sully our educational community.

(third paragraph:) “These policies should be enforced to combat symbol, lettering or insignia associated with organizations that promote hatred or violence or that support racial supremacy.”

(new paragraph:) It is the sense of the WCUUSD Board of School Directors that symbols, lettering, or insignia associated with organizations that promote hatred or violence or that support white supremacy, such as Confederate symbolism, and the swastika, interfere with the orderly operation of our schools.

(also add this new paragraph (above, beginning with “It is the sense....” to page 2 of Policy C27, after “E.”)

A24: fourth paragraph:

While board members can work directly with the Superintendent and central office staff, board members may not give substantive direction to a staff member or suggest a course of action that staff perceives as substantive direction. When presented with citizen concerns, Board members refer them to appropriate levels of authority, in accordance with the district’s policy on complaints.

At School Board Meetings

The board will request the Superintendent to invite school personnel to school board meetings regularly to discuss student achievement relative to their programs.

Policy

It is the policy of the Washington Central Unified Union School District to employ substitute educators who will meet the minimum qualifications outlined by Vermont Standards Board for Professional Educators (VSBPE) Rule, as well as the additional requirements established by this policy.

Qualifications

No person will be placed on the qualified substitute list unless that person has graduated from high school.

Unlicensed Persons

An unlicensed person may be employed as a substitute teacher for up to 30 consecutive calendar days in the same assignment. The Superintendent may apply to the Vermont Standards Board for Professional Educators or its designee for emergency or provisional licenses as provided in VSBPE Rules 5350 and 5360.

Licensed Educators

A substitute teacher who is licensed but not appropriately endorsed for the position for which he or she is employed may fill a position for thirty consecutive calendar days in the same assignment. The Superintendent may apply to the Vermont Standards Board for Professional Educators or its designee for an additional thirty days for specific substitute teachers, or for provisional licenses as provided in VSBPE Rule 5350.

Administrative Responsibilities

A list of qualified substitute teachers, organized by grade level and subject, will be developed by the Superintendent or his or her designee for all schools in the District.

The Superintendent or his or her designee will conduct an orientation session for substitute teachers each year, including information on the prevention, identification, and reporting of child sexual abuse, as required by 16 V.S.A. 563(a). Each teacher under contract will compile a packet of information containing pertinent substitute teacher information as defined by the Principal.

Substitute teachers will be paid per diem wages as determined by the Superintendent from year to year. Distinctions in pay level may be made based on the need for the substitute teacher to prepare lessons and assess and record student progress, on the length of service and on the credentials of the substitute teacher.

**VOLUNTEERS AND WORK
STUDY STUDENTS POLICY**

Policy

Washington Central Unified Union School District recognizes the valuable contributions made by volunteers and work study students. It further recognizes that appropriate supervision of volunteers and work study students will enhance their contributions, as well as fulfill the responsibility that the district has for the education and safety of its students.

Definitions

For the purposes of this policy and procedures developed pursuant to this policy:

1. **Volunteer:** A volunteer is any individual including parents not employed by the School District who works on an occasional or regular basis assisting with educational activities including coaches, chaperones, in or out of the school setting. A volunteer works without compensation or economic benefits.
2. **Work Study Student:** A work study student means a post-secondary student who receives compensation for work performed at a school operated by the district as part of a work experience program sponsored or provided by the college or university at which he or she is enrolled. A student working toward a teaching credential who may be placed at a school as a student teacher is not a work study student.

Implementation

The Superintendent shall develop procedures to ensure that volunteers and work study students are appropriately screened prior to entering into service in the school district. The screening process utilized by the school district shall include different levels of background checks depending upon the type of contact the volunteer or work study student will have with children. All background checks shall at a minimum include use of the tools currently recommended by the State of Vermont for checking for substantiated findings of child or vulnerable adult abuse/neglect and sex offender convictions. A person who is a convicted sex offender shall not be eligible to be a work study student or volunteer. In the case of a person with a substantiated finding of child or vulnerable adult abuse/neglect, the Superintendent shall determine the person's eligibility to serve as a work study student or volunteer.

ALCOHOL and DRUG-FREE WORKPLACE

Policy^[3]

It is the policy of the Washington Central Unified Union School District to maintain a workplace free of alcohol and drugs. No employee, volunteer or work study student ^[4] will unlawfully manufacture, distribute, dispense, possess or use alcohol or any drug on or in the workplace. Nor shall any employee, volunteer or work study student be in the workplace while under the influence of illegal drugs or alcohol. If there are reasonable grounds to believe that an employee, volunteer or work study student is under the influence of illegal drugs or alcohol while on or in the workplace, the person will be immediately removed from the performance of his or her duties.

Definitions

Drug means any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana or any other controlled substance as defined by state or federal statute or regulation.^[5]

Workplace means the site for the performance of work for the School District, including any school building or any school premises and any school-owned vehicle or any other school-approved vehicle used to transport students to and from school or school activities. It also includes off school property during any school-sponsored or school-approved activity, event or function such as a field trip or athletic event, where students are under the jurisdiction of the School District.^[6]

Employee means all persons directly or indirectly compensated by the school district for providing services to the district and all employees of independent contractors who provide services to the district.^[7]

Volunteer means an individual not employed by the School District who works on an occasional or regular basis in the school setting to assist the staff. A volunteer works without compensation or economic benefits provided by the school district.

Work Study Student means a student who receives compensation for work performed at the school as part of a college work experience program. For purposes of this policy, an intern, working without pay, will be considered as a work study student. A student working toward a teaching credential who may be placed at a school as a student teacher is not a work study student.

Employee Responsibilities

As a condition of employment, each employee will notify the Superintendent in writing of his or her conviction of any criminal drug statute for a violation occurring on or in the workplace as defined above. The employee must notify the Superintendent no later than five days after such conviction. Entry of a *nolo contendere* plea shall constitute a conviction for purposes of this policy, as will any judicial finding of guilt or imposition of sentence. Within 10 days of notification from an employee, or receipt of actual notice of an alcohol or drug conviction, the Superintendent will notify any federal or state officers or agencies legally entitled to such notification.^[8]

An employee, volunteer or work study student who violates the terms of this policy may be asked to satisfactorily complete an alcohol or drug abuse assistance or rehabilitation program approved by the Superintendent. In addition, an employee who violates the terms of this policy will be subject to disciplinary action, including but not limited to non-renewal, suspension or termination at the discretion of the Superintendent or, if required, the Board.^[9]

D8 Alcohol and Drug Free Workplace Notes and References:

- [1] Alcohol is not considered a “controlled substance” under federal law. The Drug Free Workplace Act therefore does not require that alcohol be included in an employer’s prohibition of drugs in the workplace. Vermont law does authorize employers to prohibit alcohol possession and/or use of alcohol in the workplace. The Vermont drug testing law defines “drug” broadly, and includes alcohol as a “drug.” 21 V.S.A. §511(3).

- [3] The Drug Free Workplace Act requires specific actions on the part of employers including publication of a statement notifying employees of the prohibition against illegal drugs in the workplace, the establishment of a drug-free awareness program with specific elements, the notification to employees that compliance with the prohibition against drugs is a requirement for employment and imposing specific sanctions on any employee who is convicted of violations occurring in the workplace. *See* 41 U.S.C. §701.

2. The term "unsupervised" as used in this policy shall have the same meaning as defined in 16 V.S.A. § 252(4).
3. The term "abuse registry" as used in this policy shall include the Vermont Child Protection Registry maintained by the Vermont Department for Children and Families and the Vulnerable Adult Abuse Registry maintained by the Vermont Department of Disabilities, Aging and Independent Living.
4. The terms "employ" or "employment" as used in this policy shall, as the context requires, apply to individuals who are, or are being considered for, full-time, part-time or temporary

employment in the school district, including student teachers and those contractors and employees of contractors who may have unsupervised contact with students.

Recruitment

1. The board is committed to securing the services of the best personnel available. Only individuals who meet applicable state licensing requirements will be employed.
2. The board seeks minority applicants in accordance with its policy pertaining to non-discrimination. The district will attempt to provide an educational experience enhanced by the professional contributions of representatives of different races, physical conditions, sexes, ethnic backgrounds and age groups.
3. All personnel will be recruited by the district's administrative staff under the immediate direction of the superintendent.
4. Written or electronic applications will be required of candidates for employment. The application will include a statement to be signed by the candidate listing the dates, locations and dispositions of any convictions, including findings of guilt, pleas of nolo contendere or guilty, for criminal violations. The application will also include a warning to the applicant that falsification of information on the application or during the application process will be grounds for dismissal if the applicant is hired.

Selection

1. It is the policy of the board to select employees solely on the basis of character, professional qualifications, and critical job requirements. Employees will be selected in a manner that does not unlawfully discriminate. The superintendent shall require that all applicants, as a condition of employment consideration, cooperate fully with background investigations, supplying references and releases so the district can contact previous employers. Applicants the superintendent is prepared to recommend for employment will be expected to provide fingerprints, releases and other information necessary to conduct criminal record background investigations. The costs of such checks will be borne by the (prospective employee) (the school district). All offers of employment will be conditioned upon completion of the background investigation and a finding that the information provided by the application during the pre-employment process was accurate, complete and truthful.
2. The superintendent shall request a criminal record check through the Vermont Criminal Information Center (VCIC) on any candidate he or she intends to appoint or is prepared to recommend for appointment. Requests will be made for fingerprint-supported criminal records from the FBI as well as criminal records from the state of Vermont and any state in which the superintendent knows the applicant has resided or been employed. The superintendent shall maintain such records in accordance with state law.
3. The superintendent shall also request information through any available abuse registry to determine whether there are any substantiated abuse/neglect charges or sex offense convictions against an applicant before appointing or nominating a candidate for employment. The superintendent shall maintain such records in accordance with state law.

4. Employment conditioned on the completion of a background check may be terminated if it is determined that the employee failed to respond truthfully to questions about criminal activity or prior employment. In any event the Superintendent shall forward the information received from VCIC to the person about whom the request was made and inform the person of their rights to challenge the accuracy of the record and to determine the disposition of the record under 16 V.S.A. §§255(f), (g).
5. Providing a safe learning environment for students is a primary consideration in district employment decisions. The district will base such decisions on all relevant information, qualifications, and circumstances. Unfavorable background check information is not an automatic bar to employment, nor is a background check with no unfavorable information a guarantee of employment. However, no person convicted of a sexual offense requiring registration on the Vermont comprehensive sex offender registry shall be employed by the school district or supervisory union.

Appointment

1. The appointment of licensed employees will be made by the board subject to the nomination of candidates by the superintendent of schools.
2. Subject to any pre-employment screening processes approved by the board, the superintendent shall appoint all non-licensed employees to be employed by the school district or supervisory union.
3. Contracts of employment or other notification of employment will be conditional pending receipt of criminal records check information and evaluation of that information.
4. Upon completion of a criminal records check, the superintendent shall:
 - o notify the person subject to the check about the district's protocol for maintenance of criminal history files, and
 - o ask the person subject to the check to indicate if his or her record should be maintained or destroyed after the retention period specified in the District's user agreement with VCIC.
5. Employees who have been employed for fewer than two years in Vermont public schools are considered probationary teachers and may be offered a probationary contract.
6. All offers of employment may be withdrawn based on the criminal records check report or upon a finding that the information provided by the applicant during the pre-employment process was inaccurate, incomplete or untruthful.

PUBLIC COMPLAINTS ABOUT PERSONNEL

Policy

It is the policy of the Washington Central Unified Union School District to see that complaints about school personnel are considered in a timely manner that is fair to all parties. The district places trust in its employees and desires to support their actions in such a manner that employees are freed from unnecessary, spiteful, or unjustified criticism or complaints.

Resolving Complaints

The complainant shall be encouraged first to bring a complaint to the individual concerned. If the problem cannot be resolved with the individual concerned, it should be brought to the attention of the immediate supervisor or administrator. The complaint should be in writing stating the issues and supporting facts. The individual employee involved shall be given every opportunity for explanation, comment, and presentation of the facts as he/she sees them.

If the issue is not resolved by involvement of the immediate supervisor, the complainant may refer the issue to the principal for his or her review and decision. In the event the principal's review does not lead to a satisfactory resolution, the complainant may submit the issue to the superintendent for review and decision.

In cases of alleged discrimination, the complainant should follow the procedures accompanying anti-discrimination policy.

Appeal to the Board

If the above steps do not resolve the concern of the complainant, he/she may request a session of the board for the purpose of reviewing the superintendent's decision. If the school board decides to hear the request of the complainant, it shall invite all parties involved including the appropriate school and supervisory union administrators to attend a meeting for purposes of presenting facts, making further explanations, and clarifying the issue. The board shall conduct such meetings in a fair and just manner and shall render a decision.

It is the intent of the board that the rights of employees under collective bargaining agreements and Vermont law be protected through the administration of this policy.
