January Workers Comp Injuries: 2 (Food Service Employees)

Discussed what would we do if the recent sporting event incident involving a firearm at another school district happened at STSD:

- Communications to parents
- Identify where teams would go to secure
- Identify where large groups of spectators would go to secure

Police presence at larger sporting events

Discussed readiness of staff/buildings to teach SRP to students in March of 2023:

- TWH- not there yet but flip charts have been huge help
- STHS- decent shape but could understand secure better
- Committee agreed the 7-minute SRP video for students is appropriate and could be pushed out

Reminder that Emergency Action Plans, videos, SRP, etc... are housed in the Safety Hub (intranet).

The Emergency Action Plan is in every building and is being reviewed and staff name assignments are being updated.

Building Safety Committee Reports:

DO- held 2 fire drills

SL/AC- held lockdown drill 2/16/23 and went exceptionally well

TWH- held lockdown drill on 2/9. Need replacement for E. Leymeister for the District Safety Committee.

STMS-

STHS-held lockdown drill 2/16/23. Fixing issues with locks. Lots of OFI's identified such as laughing heard from classrooms, teachers opening classroom doors and peeking out to see how drill was going.
