The program is offered at no cost to you and your family members with diabetes and coverage through the Allegheny County Schools Health Insurance Consortium health plan. The Diabetes Management Program affiliation between Livongo and Highmark is structured to encourage members to have a greater hand in their health while still receiving the medical care and advice that can only be provided by their doctor. To ensure that there is no interruption in this benefit, it is important to continue to maintain regular office visits with your doctor. If you have any questions or concerns regarding this requirement, please contact Highmark customer support.
