Meteor Minutes with Mrs. Moyer

April 2023

April 2023

March was a busy month and April and May will only get busier for our students at CVES! Here is a look back at the month of March:

We celebrated Read Across America week and Dr. Seuss's birthday February 27-March 3. On Thursday, March 2nd students from the high school came down with Mrs. Kempa, Mrs. Sherwood, and Mrs. Dempsey to do reading cheers, share great books, and spread the love and importance of reading with our students.

On March 16th we had our PBIS (Positive Behavior Intervention and Supports) Quarter 2 reward, BINGO and popcorn for students in grades K-6. Students who earned enough badges throughout the second quarter were able to participate.

On March 16th we held our One School, One Book program Family Night at CVES for *Appleblossom the Possum*. We had roughly 100 students and their families come to join us for food and refreshments, activities throughout the building revolving around the story, and a great evening for all. It was a huge team effort with our faculty and staff and I am very thankful for their hard work. Our families really enjoyed the full experience between sharing the story and reading together to the family night at the end.

On Sunday, March 19th, our Straight A students were recognized by the Binghamton Black Bears at their game against the Watertown Wolves. Students received the ticket voucher for getting straight A's for the second marking period and were able to create a high five tunnel for the players to come back out onto the ice.

Congratulations to our Elementary Archery Team for their 3rd Place at the State Tournament at the end of March. Students and their families traveled to the tournament which took place on Friday, March 24th. Congratulations also to our Middle School team who placed 1st. Owen Petrick placed 3rd overall for the boys. We are so proud of all of their accomplishments!

Kindergarten Registration was held Monday, March 27th- Wednesday, March 29th. It is always so exciting to meet our new incoming Kindergarten students and their families. We had a great turnout and are looking forward to seeing the Class of 2036 here with us every day! Student names were displayed in the art gallery in a large bucket of popcorn with the theme "Look Who's Popping Into Kindergarten".

April 1st brought the return of the Annual Spring Fair! It was a great day with bounce houses, many games, the cake walk, lots of basket raffles and prizes, and fun for the whole family. We hope that you had a great time here at the Spring Fair if you were able to join us.

April 2nd was World Autism Awareness Day which we celebrated at CVES on Monday, April 3rd. Students, faculty, and staff celebrated by wearing the color blue. Mrs. Melanie Major and all of the support staff working in the Autistic Support Room used the theme of "A Universe of Possibilities" to celebrate.

The third marking period for 3-6 students wrapped up on Wednesday, April 12th. Report cards will go home with students on Wednesday, April 19th.

On Thursday, April 13th, we celebrated students surpassing their goal for the Kids Heart Challenge. Ms. Rosenkrans, Mrs. Fruehan, and Mrs. Moyer participated in the Ice Bucket Challenge where students could choose who they wanted to dump ice water on. We honored students for raising money for the American Heart Association.

Ms. Casey and the students from the high school involved with i-safe were here on Friday, April 14th to teach our students K-6 about internet and computer safety. On Friday, April 14th, a parade through Montrose was held for various sports and activities to celebrate students accomplishments. Our CVYAA Archery team participated for their accomplishments at the state tournament.

Our Food Pantry pick up is on Tuesday, April 18th from 3:30-5:30 PM.

As we look ahead to the end of April, teachers and students are preparing for the PSSA testing that is coming at the end of the month. We have a PSSA Prep Rally (the Wild, Wild, Test as a theme)

being planned for April 20th. Softball, Baseball, and T-Ball are all getting organized and up and running. The warm weather is coming, and students are definitely excited. It is hard to believe that we are talking about the end of the year, field trips, and awards ceremonies.

The next CVYAA/PTO (Choconut Valley Youth Athletic Association and Parent/Teacher Organization) Meeting will be in May... Date to be determined. The original scheduled date had to be moved because of the conflict with Spring Showcase.

If you have any questions/concerns, please don't hesitate to reach out.

Sincerely,

Mrs. Moyer

Congratulations to our Students of the Month for March 2023:

Congratulations to our March Students of the Month! This year, our Students of the Month are centered around a character trait each month. For the month of March, we focused on what it means to have confidence. We are proud to recognize the following students who have been selected for both meeting and exceeding our schoolwide expectations as a Mighty Meteor.

March Students of the Month:

Kindergarten- Kaelynn Morrison

INTERACTIVE NEWSLETTER

Please continue to check our new website as we get more resources up for our families and know that I will try to get this newsletter out the first week of each month as we move forward in the school year. With that being said, these newsletters will automatically update as things may pop up throughout the month that I am not able to include when I initially send out the newsletter at the beginning of the month. If you check back to the same link (or soon you will be able to view it on the website), it will take you right to the updated version of the newsletter if I have added more content as the month goes.
