# EISD BOND - NO TAX RATE INCREASE

## **PROPOSITION A - Maintenance, Safety & Efficiency**

**\$117.8 Million**

Safety and security upgrades, physical repairs and refurbishments at every campus – as well as energy-efficiency projects, network replacements, new learning management system, library modernization and more.

## **PROPOSITION B - Stadium Projects**

**\$2.4 Million**

Refurbishments at Chaparral Stadium including pole lighting replacements, track surface replacement, bleachers, handrails and video board replacement.

## **PROPOSITION C - Technology Devices**

**\$11.2 Million**

Replacement of student and staff digital devices, as well as devices in labs, classrooms and offices.

The 2023 bond propositions address safety, maintenance and facility needs across the district.

A committee of EISD residents identified these projects after a comprehensive review of every campus and facility. After receiving the committee's recommendations, the Eanes ISD Board of Trustees called the May 6 bond election.

As required by a new state law enacted in 2019, the \$131.429 million bond package is in three individual propositions.
