Policy

The Washington Central Unified Union School District (District) is committed to the success of every student. Homeless students in the District will have access to the education and other services needed to ensure that an opportunity is available to meet the same academic achievement standards to which all students are held.

The District will designate a liaison for students in homeless situations to carry out duties as required by law.

The District will ensure that homeless students are not stigmatized nor segregated on the basis of their status as homeless. A homeless student will be admitted to the school district in which the student is actually living or to the student's school of origin as requested by the parent and in accordance with the student's best interest. Transportation will be provided to and from the student's school of origin at the request of the parent, or in the case of an unaccompanied student, the District's liaison for homeless students. Homeless students will have access to all programs and services for which they are eligible, including but not limited to special education services, preschool, school nutrition programs, and language assistance for English learners.
