ADOPTED: 6.3.20

EFFECTIVE: 6.13.2020

STUDENT MEDICATION

Washington Central Unified Union School District recognizes that some students are able to attend school because of the effective use of prescription and over the counter medication in the treatment of chronic or acute disabilities or illnesses. It is more desirable for medication to be administered at home; however, any student who needs to take medication during the regular school day must comply with school procedures. It is the policy of the Washington Central Unified Union School District to have procedures in place to assure that medication required by students during the school day will be administered and maintained in a safe manner as directed by the school nurse in collaboration with the student's parent/guardian and health care provider.
