IN CURRICULUM AND INSTRUCTION**

Race and Sex Discrimination Prohibited

Moore Norman Technology Center (MNTC) does not engage in and prohibits discrimination on the basis of race or sex in the form of bias, stereotyping, scapegoating, classification, or the categorical assignment of traits, morals, values, or characteristics based solely on race or sex. The district does not and shall not engage in race or sex-based discriminatory acts through utilizing these methods which can result in treating individuals differently on the basis of race or sex or can result in the creation of a hostile environment.

As an accredited State of Oklahoma public school, MNTC is required to teach students history, social studies, English language arts, biology, and other subject matter areas consistent with the Oklahoma Academic Standards as adopted and approved by the State Board of Education and Oklahoma Legislature. In the performance of this obligation, no teacher, administrator, or other employee of the district shall require, or make part of a course, the following concepts or principles (the "Prohibited Concepts"):

- An individual, by virtue of his or her sex, is inherently racist, sexist, or oppressive, whether consciously or unconsciously.
- An individual should be discriminated against or receive adverse treatment solely or partly because of his or her race or sex.
- Members of one race or sex cannot and should not attempt to treat others without respect due to race or sex.
- An individual's moral character is necessarily determined by his or her race or sex.
- An individual, by virtue of his or her race or sex, bears responsibility for actions committed in the past by other members of the same race or sex.
- An individual should feel discomfort, guilt, anguish, or any other form of psychological distress on account of his or her race or sex.
- Meritocracy or traits, such as a hard work ethic, (a) are racist or sexist, or (b) were created by members of a particular race to oppress members of another race.

Importantly, none of the Prohibited Concepts shall prevent the teaching of principles that align to the Oklahoma Academic Standards.
