Dr. Keith W. Hiltz, Superintendent of Schools

Good afternoon, Wausau School District Families:

We are reaching out to let you know that the process for how medications are handled ahead of Summer Learning is changing. Here's what you need to know: if your child requires medication during Summer Learning hours, you are now being required to pick up their medication from their home school and transfer it to their Summer Learning site by noon on June 2, 2023. If you forget, don't worry. Your child's health aide will also be reaching out to you the week before to remind you about this new change and arrange for pickup and drop off times.

As Summer Learning gets closer, now is the perfect opportunity to review our most up-to-date Medication Policy:

(The Medication Policy is attached below the link to this document)

As always, if you have any questions, don't hesitate to reach out to Nurse Alex Hein, RN at 715-261-0113.

Thank you!

Wausau School District Administration

It is the mission of the Wausau School District to advance student learning, achievement, and success.
