

Technology Advisory Board

October 20, 2022

4:00-5:30pm

Welcome

Introductions

Please share the following:

- Name
- Connection to SVSD
- What was your first interaction with a computing device?

Our charge...

The SVSD Technology Advisory Board is comprised of community members, staff and students who volunteer their time to:

Support the development of a technology vision and strategic plan

Research current educational technology best practices and future trends

Provide input on levy funding priorities and ongoing technology projects

Review budgets and other data points

We are
not...

A day-to-day technology
operations decision making body

A place to advocate for personal
pet projects or air individual
grievances

A vehicle for promoting specific
technology platforms
