

Attention Lincoln Unified Families with Children 0 to 5 years old

You're invited to join our Home Visitation Initiative Program

Learn with us through research-based curriculum

Let's Read Together

Making Every Dollar Count

Eating Smart Being Active

- Participate in free home visits once a week for up to 22 weeks.
- Play games (led by your home visitor) that help teach healthy eating habits and being physically active while having fun!
- Utilize lending activity kits for your use that week.
- Enjoy quality time with your child while learning ways to be healthy and happy!
