Title	Author	Call #
 <p><b>The Hitchhiker's guide to the galaxy</b></p>	Adams, Douglas	FIC ADA
<p>Seconds before the Earth is demolished to make way for a galactic freeway, Arthur Dent is plucked off the planet by his friend Ford Prefect, a researcher for the revised edition of <i>The Hitchhiker's Guide to the Galaxy</i> who, for the last fifteen years, has been posing as an out-of-work actor. Together this dynamic pair begin a journey through space aided by quotes from <i>The Hitchhiker's Guide</i> ("A towel is about the most massively useful thing an interstellar hitchhiker can have") and a galaxy-full of fellow travelers.</p>		
 <p><b>The Six</b></p>	Alpert, Mark	FIC ALP
<p>Adam, crippled by muscular dystrophy, and five other terminally ill teenagers sacrifice their bodies and upload their minds into weaponized robots to battle a dangerously advanced artificial intelligence program bent on destroying humanity.</p>		
 <p><b>I, Robot</b></p>	Asimov, Isaac	FIC ASI
<p>Here are stories of robots gone mad, of mind-reading robots, and robots with a sense of humor. Of robot politicians, and robots who secretly run the world.</p> <p>The Three Laws of Robotics:</p> <ol style="list-style-type: none"> <li>1) A robot may not injure a human being or, through inaction, allow a human being to come to harm.</li> <li>2) A robot must obey orders given to it by human beings except where such orders would conflict with the First Law.</li> <li>3) A robot must protect its own existence as long as such protection does not conflict with the First or Second Law.</li> </ol>		
 <p><b>Turbo Racers Trailblazer</b></p>	Aslan, Austin	FIC ASL
<p>The roar of the crowd, the glow of the spotlight, the thrill of the race—Mace Blazer dreams of going TURBO. TURBOnauts thrive on the thrum of trimorphers's rocket engines as the vehicles morph from super-powered race cars to speeding jet aircrafts to torpedo-fast submarines, while they race full-throttle around every bend. And Mace believes he's got what it takes to join their ranks—he only needs the chance to prove it. So when a reclusive retired racer chooses Mace to try out to be part of the next generation of TURBOnauts, Mace knows that this is his moment to show what he can do.</p>		

<b>Diego and the Rangers of the Vastlantic</b>	Baltazar, Armand	FIC BAL
	<p>You've never seen Earth like this before: continents reshaped, oceans re-formed, cities rebuilt, and mountains sculpted anew. Dinosaurs roam the plains alongside herds of buffalo, and giant robots navigate the same waters as steam-powered ships. This is the world Diego Ribera was born into. The past, present, and future coexisting together. In New Chicago, Diego's middle school hallways buzz with kids from all eras of history and from cultures all over the world. The pieces do not always fit together neatly, but this is the world he loves. There are those, however, who do not share his affection. On his thirteenth birthday, Diego learns of a special gift he has within, a secret that is part of something much bigger—something he cannot understand. When his father, New Chicago's top engineer, is taken by the Aeternum, Diego must rescue him and prevent this evil group from disrupting the fragile peace humanity has forged.</p>	
<b>Nobody</b>	Barnes, Jennifer	FIC BAR
	<p>There are people in this world who are Nobody. No one sees them. No one notices them. They live their lives under the radar, forgotten as soon as you turn away. That's why they make the perfect assassins. The Institute finds these people when they're young and takes them away for training. But an untrained Nobody is a threat to their organization. And threats must be eliminated. Claire has been invisible her whole life, missed by the Institute's monitoring. But now they've ID'ed her and have sent Nix to remove her. Yet the moment Nix lays eyes on her, he can't make the hit. It's as if Claire and Nix are the only people in the world for each other. And they are—because no one else can really see them.</p>	
<b>Trapped in a Video Game</b>	Brady, Dustin	E FIC BRA
	<p>Jesse Rigsby hates video games - and for good reason. You see, a video game character is trying to kill him. After getting sucked in the new game <i>Full Blast</i> with his friend Eric, Jesse starts to see the appeal of vaporizing man-size praying mantis while cruising around by jet pack. But pretty soon, a mysterious figure begins following Eric and Jesse, and they discover they can't leave the game. If they don't figure out what's going on fast, they'll be trapped for good!</p>	
<b>Felix Yz</b>	Bunker, Lisa	FIC BUN
	<p>When Felix Yz was three years old, a hyperintelligent fourth-dimensional being became fused inside him after one of his father's science experiments went terribly wrong. The creature is friendly, but Felix—now thirteen—won't be able to grow to adulthood while they're still melded together. So a risky Procedure is planned to separate them . . . but it may end up killing them both instead.</p>	
<b>Ender's Game*</b>	Card, Orson Scott	FIC CAR
	<p>Andrew "Ender" Wiggin thinks he is playing computer simulated war games; he is, in fact, engaged in something far more desperate. The result of genetic experimentation, Ender may be the military genius Earth desperately needs in a war against an alien enemy seeking to destroy all human life. The only way to find out is to throw Ender into ever harsher training, to chip away and find the diamond inside, or destroy him utterly. Ender Wiggin is six years old when it begins. He will grow up fast.</p>	

<b>Super human*</b>	Carroll, Michael	FIC CAR
	<p>Four thousand years ago the world's first super human walked the earth. Possessing the strength of one hundred men, skin impervious to attack, and the ability to read minds, this immortal being used his power to conquer and enslave nations. Now plans are in motion that will transport this super human to the present, where he'll usher in a new age of tyranny unlike anything the world has ever seen.</p> <p>Determined to stand against them, using powers they've only just begun to master, is a ragtag group of young heroes. For them this first test may be their greatest . . . and last.</p>	
<b>Powerless*</b>	Childs, Tera Lynn	FIC CHI
	<p>In a world of superheroes, the line between good and evil is always clear. Right? Kenna is constantly surrounded by superheroes. Her best friend, her ex-boyfriend, practically everyone she knows has some talent or power. Kenna doesn't have a power. Sure, she's smart and independent, but surrounded by all the extraordinary, it's hard not feel very ordinary. And she's tired of it. So when three villains break into the lab where she interns, Kenna refuses to be a victim. She stands her ground. She's not about to let criminals steal the research that will make her extraordinary too. But in the heat of battle, secrets are spilled and one of the villains saves her life. Twice. Suddenly, everything Kenna thought she knew about good and evil, heroes and villains is upended. And to protect her life and those she loves, she must team up with her sworn enemies on a mission that will redefine what it means to be powerful and powerless...</p>	
<b>Things Not Seen*</b>	Clements, Andrew	FIC CLE
	<p>Bobby Phillips is an average fifteen-year-old-boy. Until the morning he wakes up and can't see himself in the mirror. Not blind, not dreaming-Bobby is just plain invisible. There doesn't seem to be any rhyme or reason to Bobby's new condition; even his dad the physicist can't figure it out. For Bobby that means no school, no friends, no life. He's a missing person. Then he meets Alicia. She's blind, and Bobby can't resist talking to her, trusting her. But people are starting to wonder where Bobby is. Bobby knows that his invisibility could have dangerous consequences for his family and that time is running out. He has to find out how to be seen again-before it's too late.</p>	
<b>The Reluctant Assassin*</b>	Colfer, Eoin	FIC COL
	<p>In Victorian London, Albert Garrick, an assassin-for-hire, and his reluctant young apprentice, Riley, are transported via wormhole to modern London, where Riley teams up with a young FBI agent to stop Garrick from returning to his own time and using his newly acquired scientific knowledge and power to change the world forever.</p>	
<b>The Different Girl</b>	Dahlquist, Gordon	FIC DAH
	<p>Veronika. Caroline. Isobel. Eleanor. One blond, one brunette, one redhead, one with hair black as tar. Four otherwise identical girls who spend their days in sync, tasked to learn. But when May, a very different kind of girl—the lone survivor of a recent shipwreck—suddenly and mysteriously arrives on the island, an unsettling mirror is about to be held up to the life the girls have never before questioned.</p>	

<b>The Eye of the Minds*</b>	Dashner, James	FIC DAS
	<p>The VirtNet offers total mind and body immersion, and the more hacking skills you have, the more fun it is. Why bother following the rules when it's so easy to break them? But some rules were made for a reason. Some technology is too dangerous to fool with. And one gamer has been doing exactly that, with murderous results.</p> <p>The government knows that to catch a hacker, you need a hacker. And they've been watching Michael. If he accepts their challenge, Michael will need to go off the VirtNet grid, to the back alleys and corners of the system human eyes have never seen—and it's possible that the line between game and reality will be blurred forever.</p>	
<b>Last Day on Mars</b>	Emerson. Keith	FIC EME
	<p>It is Earth year 2213—but, of course, there is no Earth anymore. Not since it was burned to a cinder by the sun, which has mysteriously begun the process of going supernova. The human race has fled to Mars, but this was only a temporary solution while we have prepared for a second trip: a one-hundred-fifty-year journey to a distant star, our best guess at where we might find a new home.</p> <p>Liam Saunders-Chang is one of the last humans left on Mars. The son of two scientists who have been racing against time to create technology vital to humanity's survival, Liam, along with his friend Phoebe, will be on the last starliner to depart before Mars, like Earth before it, is destroyed. Or so he thinks. Because before this day is over, Liam and Phoebe will make a series of profound discoveries about the nature of time and space and find out that the human race is just one of many in our universe locked in a dangerous struggle for survival.</p>	
<b>Michael Vey : the prisoner of cell 25*</b>	Evans, Richard Paul	FIC EVA
	<p>To everyone at Meridian High School, fourteen-year-old Michael Vey is nothing special, just the kid who has Tourette's syndrome. But in truth, Michael is extremely special—he has electric powers. Michael thinks he is unique until he discovers that a cheerleader named Taylor has the same mysterious powers. With the help of Michael's friend, Ostin, the three of them set out to discover how Michael and Taylor ended up with their abilities, and their investigation soon brings them to the attention of a powerful group who wants to control the electric teens—and through them, the world.</p>	
<b>Brain Jack</b>	Falkner, Brian	FIC FAL
	<p>In a dystopian near-future, neuro-headsets have replaced computer keyboards. Just slip on a headset, and it's the Internet at the speed of thought. For teen hacker Sam Wilson, a headset is a must. But as he masters the new technology, he has a terrifying realization. If anything on his computer is vulnerable to an attack, what happens when his mind is linked to the system? Could consciousness itself be hacked?</p>	
<b>The House of the scorpion*</b>	Farmer, Nancy	FIC FAR
	<p>Matteo Alacrán was not born; he was harvested. His DNA came from El Patrón, lord of a country called Opium—a strip of poppy fields lying between the United States and what was once called Mexico. Matt's first cell split and divided inside a petri dish. Then he was placed in the womb of a cow, where he continued the miraculous journey from embryo to fetus to baby. He is a boy now, but most consider him a monster—except for El Patrón. El Patrón loves Matt as he loves himself, because Matt is himself.</p>	

<b>Hunt For the Pyxis</b>	Ferraris, Zoe	FIC FER
	<p>On the night Emma Garton's supposedly boring parents are kidnapped, she is forced to face the truth that they've been lying to her about many things. The most important of which? <i>They aren't even from planet Earth.</i></p> <p>To find her mom and dad, Emma and her best friend, Herbie, must leave Earth and enter the Strands—the waterways of space, where huge galleons ply the intergalactic seas. But a journey through the constellations won't be easy—not with every scoundrel in the galaxy determined to find them.</p>	
<b>Incarceron*</b>	Fisher, Catherine	FIC FIS
	<p>Incarceron is a prison so vast that it contains not only cells and corridors, but metal forests, dilapidated cities, and wilderness. It has been sealed for centuries, and only one man has ever escaped. Finn has always been a prisoner here. Although he has no memory of his childhood, he is sure he came from Outside. His link to the Outside, his chance to break free, is Claudia, the warden's daughter, herself determined to escape an arranged marriage. They are up against impossible odds, but one thing looms above all: Incarceron itself is alive . . .</p>	
<b>The Coming Storm</b>	Flynn, Alex	FIC FLY
	<p>Doolittle Falls is no ordinary town and Sarah Robertson is no ordinary girl, she can control the weather with her emotions. But in a town where superheroes walk the streets (and fly over them), Sarah's powers aren't enough for admission to the prestigious Hero Academy, not to mention the fact that her mother has become the town's most notorious Supervillain and the archnemesis of America's favorite Hero, Freedom Man. Instead of being accepted to the school of her dreams, Sarah is marked as an outcast with powers, a Misshape.</p>	
<b>Lifers</b>	Griffin, M.A.	FIC GRI
	<p>Fear haunts the streets of Preston's city: a girl has disappeared. Preston is drawn to investigate, exploring the city in the hunt for his missing friend. And deep in the bowels of a secret scientific institute, he discovers a sinister machine used to banish teenage criminals for their offenses. Captured and condemned to a cavernous dimension, Preston is determined to escape. But this is no ordinary jail. Friendships will be forged, and lives will be lost in a reckless battle for freedom, revenge - and revolution.</p>	
<b>Dangerous</b>	Hale, Shannon	FIC HAL
	<p>When Maisie Danger Brown nabbed a spot at a NASA-like summer boot camp, she never expected to uncover a conspiracy that would change her life forever. And she definitely didn't plan to fall in love.</p> <p>But now there's no going back--Maisie's the only thing standing between the Earth and annihilation. She must become the hero the world needs. The only problem is: how does a regular girl from Salt Lake City do that, exactly? It's not as though there's a handbook for this sort of thing. It's up to Maisie to come up with a plan--and find the courage to carry it out—before she loses her heart . . . and her life.</p>	
<b>Young Captain Nemo</b>	Jason Henderson	FIC HEN
	<p>Gabriel Nemo is not your typical 12-year-old. A descendant of the famous Captain Nemo, he spent the first years of his life living in obscurity, isolated in his parents' peaceful underwater research lab. But with his older sister off following in their ancestor's footsteps, sinking whalers and running away from vengeful navies, Gabriel decides it's time to forge his own path, and use his Nemotech legacy for good.</p> <p>Armed only with his wits, his friends, and his Nemotech submarine, Gabriel embarks on a series of daring rescues and exciting undersea battles. But when Gabriel's sister suddenly appears with proof of previously undiscovered sea creatures—giant beasts inhabiting wrecked war planes and ships—Gabriel and his new friends must face their biggest and most dangerous mission ever!</p>	

<b>Magisterium</b>	Hirsh, Jeff	FIC HIR
	<p>Sixteen-year-old Glenn Morgan has lived next to the Rift her entire life and has no idea of what might be on the other side of it. Glenn's only friend, Kevin, insists the fence holds back a world of monsters and witchcraft, but magic isn't for Glenn. She has enough problems with reality: Glenn's mother disappeared when she was six, and soon after, she lost her scientist father to his all-consuming work on the mysterious Project. Glenn buries herself in her studies and dreams about the day she can escape. But when her father's work leads to his arrest, he gives Glenn a simple metal bracelet that will send Glenn and Kevin on the run---with only one place to go.</p>	
<b>The Neptune Project</b>	Holyoke, Polly	FIC HOL
	<p>Nere feels more at home swimming with the dolphins her mother studies than she does hanging out with her classmates. Nere has never understood why she feels so much more comfortable and confident in water than on land, but everything falls into place when Nere learns that she is one of a group of kids who-unbeknownst to them-have been genetically altered to survive in the ocean. These products of "The Neptune Project" will be able to build a better future under the sea, safe from the barren country's famine, wars, and harsh laws.</p>	
<b>The Pearl Wars</b>	James, Nick	FIC JAM
	<p>A devastated Earth's last hope is found in Pearls: small, mysterious orbs that fall from space and are capable of supplying enough energy to power entire cities. Battling to control the Pearls are the Skyship dwellers—political dissidents who live in massive ships in the Earth's stratosphere—and the corrupt Surface government. Jesse Fisher, a Skyship slacker, and Cassius Stevenson, a young Surface operative, cross paths when they both venture into forbidden territory in pursuit of Pearls. Their chance encounter triggers an unexpected reaction, endowing each boy with remarkable—and dangerous—abilities that their respective governments would stop at nothing to possess. Enemies thrust together with a common goal, Jesse and Cassius make their way to the ruins of Seattle to uncover the truth about their new powers, the past they didn't know they shared, and a shocking secret about the Pearls.</p>	
<b>Bot Wars</b>	Kade, J. V.	FIC KAD
	<p>Twelve-year-old Aiden (Trout) St. Kroix lives with his older brother Po. Their father disappeared two years ago while fighting in the Bot Wars—a devastating conflict that began when robots became so advanced that they revolted and took the lives of thousands of people. When the government banned and declared all bots terrorists, Trout didn't question a thing. In the end, all he wanted was to find his dad. Desperate, Trout posts a video to the internet seeking help with his search, unwittingly unleashing a storm of danger as his brother is suddenly abducted and he is labeled a terrorist and a criminal himself. Trout goes on the run to seek answers, but it turns out that nothing is what it seems—not the government, not the bots, and not even his own father.</p>	
<b>Last of Her Name</b>	Khoury, Jessica	FIC KHO
	<p>Sixteen years ago, rebellion swept the galaxy known as the Belt of Jewels. Every member of the Leonov royal family was murdered--down to their youngest child, Princess Anya--making way for the Union government to seize power. But Stacia doesn't think much about politics. She spends her days half-wild, rambling her father's vineyard with her friends, Clio and Pol. That all changes when a Union ship appears burning through the sky, bearing the leader of the Union, the Direktor Eminent himself, who declares that Stacia's sleepy village is a den of empire loyalists. Even more shocking, the Direktor claims that Princess Anya Leonova is alive--and <i>Stacia</i> is the lost princess</p>	
<p>As their home explodes into chaos, Pol smuggles Stacia to a hidden escape ship, leaving Clio in the hands of the Union. With everything she knows threading away into the stars, Stacia sets her heart on a single mission: She will find and rescue Clio, even with the whole galaxy on her trail.</p>		

<b>Origin*</b>	Khoury, Jessica	FIC KHO
	<p>Pia has grown up in a secret laboratory hidden deep in the Amazon rain forest and is genetically engineered to be immortal and be the future of the human race, but on the night of her seventeenth birthday, Pia discovers a hole in the electric fence that surrounds her sterile home and sneaks outside the compound for the first time in her life.</p>	
<b>Insignia*</b>	Kincaid, S. J.	FIC KIN
	<p>The planet's natural resources are almost gone, and war is being fought to control the assets of the solar system. The enemy is winning. The salvation may be Tom Raines. Tom doesn't seem like a hero. He's a short fourteen-year-old with bad skin. But he has the virtual-reality gaming skills that make him a phenom behind the controls of the battle drones.</p> <p>As a new member of the Intrasolar Forces, Tom's life completely changes. Suddenly, he's someone important. He has new opportunities, friends, and a shot at having a girlfriend. But there's a price to pay. . . .</p>	
<b>Dragons vs Drones*</b>	King, Wesley	FIC KIN
	<p>A young computer genius whose CIA analyst father went missing years earlier is chased by sleek, high-tech drones into a land populated by Godzilla-size dragons, triggering a war that only he can stop.</p>	
<b>The Vindico*</b>	King, Wesley	FIC KIN
	<p>The Vindico are a group of supervillains who have been fighting the League of Heroes for as long as anyone can remember. Realizing they're not as young as they used to be, they devise a plan to kidnap a group of teenagers to take over for them when they retire--after all, how hard can it be to teach a bunch of angst-y teens to be evil?</p> <p>Held captive in a remote mansion, five teens train with their mentors and receive superpowers beyond their wildest dreams. Struggling to uncover the motives of the Vindico, the teens have to trust each other to plot their escape. But they quickly learn that the differences between good and evil are not as black and white as they seem, and they are left wondering whose side they should be fighting on after all . . .</p>	
<b>A Wrinkle in Time*</b>	L'Engle, Madeleine	FIC LEN
	<p>It was a dark and stormy night; Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger.</p> <p>"Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract."</p> <p>A tesseract (in case the reader doesn't know) is a wrinkle in time.</p>	
<b>StarFlight</b>	Landers, Melissa	FIC LAN
	<p>Solara Brooks needs a fresh start, someplace where nobody cares about the engine grease beneath her fingernails or the felony tattoos across her knuckles. The outer realm may be lawless, but it's not like the law has ever been on her side.</p>	

<b>EXO</b>	Lee, Fonda	FIC LEE
	<p>It's been a century of peace since Earth became a colony of an alien race with far reaches into the galaxy. Some die-hard extremists still oppose their rule on Earth, but Donovan Reyes isn't one of them. His dad holds the prestigious position of Prime Liaison in the collaborationist government, and Donovan's high social standing along with his exocel (a remarkable alien technology fused to his body) guarantee him a bright future in the security forces. That is, until a routine patrol goes awry and Donovan's abducted by the human revolutionary group Sapience. When Sapience realizes who Donovan's father is, they think they've found the ultimate bargaining chip. But the Prime Liaison doesn't negotiate with terrorists, not even for his own son. Left in the hands of terrorists who have more uses for him dead than alive, the fate of Earth rests on Donovan's survival. Because if Sapience kills him, it could spark another intergalactic war. And Earth didn't win the last one...</p>	
<b>Randoms*</b>	Liss, David	FIC LIS
	<p>Zeke Reynolds comes from a long line of proud science fiction geeks. He knows his games, comics, movies, &amp; TV shows like Captain Kirk knows the starship Enterprise. So, it's been a dream come true when he learns the science fiction he loves so much is based on reality--and that he's been selected to spend a year on a massive space station. To evaluate humanity's worthiness, the Confederation of United Planets has hand picked three of Earth's most talented young people--and then there's Zeke. He's the random.</p>	
<b>I Am Number 4*</b>	Lore, Pittacus	FIC LOR
	<p>John Smith seems like an ordinary teenager, living a normal life with his guardian Henri in Paradise, Ohio. But for John, keeping a low profile is essential, because he is <i>not</i> an ordinary teenager. He's an alien from the planet Lorien, and he's on the run. A group of evil aliens from the planet Mogadore, who destroyed his world, are hunting anyone who escaped. Nine Loric children were sent to Earth to live in hiding until they grew up and developed their Legacies, powers that would help them fight back—and help them save us. Three of them are now dead. John is Number Four, and he knows he's next....</p>	
<b>Archvillain*</b>	Lyga, Barry	FIC LYG
	<p>Twelve-year-old Kyle Camden develops greater mental agility and superpowers during a plasma storm that also brings Mighty Mike, an alien, to the town of Bouring, but while each does what he thinks is best, Kyle is labeled a villain and Mike a hero.</p>	
<b>Wake Up Missing</b>	Messner, Kate	FIC MES
	<p>Einstein, Edison, DaVinci, Oppenheimer, Curie. The greatest minds in science are about to be illegally recreated—and Cat Grayson must stop it. After suffering a concussion, Cat is attending I-CAN, a groundbreaking facility that promises to cure her of constant headaches and lost memory. But I-CAN is state-of-the-art in its technology and its secrets, with a plan to implant DNA from great scientists into modern kids and use them to create a super-weapon. When Cat and her fellow patients discover the truth, they're in serious danger and must make a daring escape through the Everglades to expose the secrets of I-CAN and save its subjects from losing themselves forever.</p>	
<b>Ignite the Stars</b>	Milan, Maura	FIC MIL
	<p>When the notorious I.A. Cocha is captured by the Olympus Commonwealth and revealed to be a sixteen-year-old girl, she is sentenced to correctional rehabilitation at a training ground for the elite Star Force where she forms unlikely alliances.</p>	

<b>A Confusion of Princes</b>	Nix, Garth	FIC NIX
	<p>Superhuman. Immortal. Prince in a Galactic Empire. There has to be a catch....</p> <p>Khemri learns the minute he becomes a Prince that princes need to be hard to kill—for they are always in danger. Their greatest threat? Other Princes. Every Prince wants to become Emperor and the surest way to do so is to kill, dishonor, or sideline any potential competitor. There are rules, but as Khemri discovers, rules can be bent and even broken.</p> <p>There are also mysteries. Khemri is drawn into the hidden workings of the Empire and is dispatched on a secret mission. In the ruins of space battle, he meets a young woman, called Raine, who challenges his view of the Empire, of Princes, and of himself. But Khemri is a Prince, and even if he wanted to leave the Empire behind, there are forces there that have very definite plans for his future.</p>	
<b>The Resisters*</b>	Nylund, Eric	FIC NYL
	<p>Twelve-year-old Ethan Blackwood has always known exactly what he wanted—to win the state soccer championship, get into the best high school, and become an astronaut. Then he meets Madison and Felix, who tell him something . . . <i>insane</i>. They claim that 50 years ago, aliens took over the earth, and everyone past puberty is under their mind control. Ethan doesn't believe it. But then he sees for himself the aliens' monster bug robots and the incredible way that Madison and Felix have learned to fight them. So Ethan Blackwood has a choice: he can go back to his normal, suburban, protected lie of a life—or he can become a Resister.</p>	
<b>The Angel Experiment*</b>	Patterson, James	FIC PAT
	<p>Maximum Ride and her "flock" -- Fang, Iggy, Nudge, Gasman and Angel -- are just like ordinary kids, only they have wings and can fly. It may seem like a dream come true to some, but their lives can morph into a living nightmare at any time.</p> <p>Angel, the youngest member of the flock, is kidnapped and taken back to the "School" where she and the others were experimented on by a crew of whack jobs. Her friends brave a journey to blazing hot Death Valley, CA, to save Angel, but soon enough, they find themselves in yet another nightmare: fighting off the half-human, half-wolf "Erasers" in New York City. Whether in the treetops of Central Park or in the bowels of the Manhattan subway system, Max and her adopted family take the ride of their lives. Along the way, Max discovers that her purpose is save the world. But can she?</p>	
<b>Omega City</b>	Peterfreund, Diana	FIC PET
	<p>Gillian Seagret doesn't listen to people who say her father's a crackpot. His conspiracy theories about the lost technology of Cold War–era rocket scientist Dr. Aloysius Underberg may have cost him his job and forced them to move to the middle of nowhere, but Gillian knows he's right and plans to prove it.</p> <p>When she discovers a missing page from Dr. Underberg's diary in her father's mess of an office, she thinks she's found a big piece of the puzzle—a space-themed riddle promising to lead to Dr. Underberg's greatest invention. Enlisting the help of her skeptical younger brother, Eric, her best friend, Savannah, and Howard, their NASA-obsessed schoolmate, Gillian sets off on a journey into the ruins of Omega City, a vast doomsday bunker deep inside the earth.</p>	
<b>Tentacle &amp; Wing</b>	Porter, Sarah	FIC POR
	<p>Twelve-year-old Ada is a Chimera, born with human and animal DNA thanks to a genetic experiment gone wrong. Because being a “kime” is believed to be contagious, she has kept her condition—complete with infrared vision—hidden. But a surprise test outs her, and Ada is shipped off to a quarantined school for kimes.</p> <p>There Ada meets kids of many different shapes, stripes, and appendages, such as a girl with dragonfly wings and a seal-boy. As she adjusts to her new life, Ada senses that the facility is keeping a secret that could upend everything the world knows about Chimeras. But will someone put a stop to her efforts to uncover the truth?</p>	

<b>What came from the stars</b>	Schmidt, Gary D	FIC SCH
	<p>The Valorim are about to fall to a dark lord when they send a necklace containing their planet across the cosmos, hurtling past a trillion stars . . . all the way into the lunchbox of Tommy Pepper, sixth grader, of Plymouth, Mass.</p> <p>Mourning his late mother, Tommy doesn't notice much about the chain he found, but soon he is drawing the twin suns and humming the music of a <i>hanorah</i>. As Tommy absorbs the art and language of the Valorim, their enemies target him. When a creature begins ransacking Plymouth in search of the chain, Tommy learns he must protect his family from villains far worse than he's ever imagined.</p>	
<b>Titans</b>	Scott, Victoria	FIC SCO
	<p>Ever since the Titans appeared in her Detroit neighborhood, Astrid Sullivan's world has revolved around the mechanical horses. It's not just the thrill of the race. It's the engineering of the horses themselves and the way they're programmed to seem so lifelike. The Titans are everything that fascinates Astrid, and nothing she'll ever touch.</p> <p>She hates them a little, too. Her dad lost everything betting on the Titans. And the races are a reminder of the gap between the rich jockeys who can afford the expensive machines and the working class friends and neighbors of Astrid's who wager on them.</p> <p>But when Astrid's offered a chance to enter an early model Titan in this year's derby, well, she decides to risk it all. Because for a girl from the wrong side of the tracks, it's more than a chance at fame or money. Betting on herself is the only way she can see to hang on to everyone in the world she cares about.</p>

	<p>Fourteen-year-old Nick, his younger brother, and their father move into a ramshackle Victorian house they've inherited. When Nick opens the door to his attic room, he's hit in the head by a toaster. That's just the beginning of his weird experiences with the old junk stored up there. After getting rid of the odd antiques in a garage sale, Nick befriends some local kids-Mitch, Caitlin, and Vincent-and they discover that all of the objects have extraordinary properties. What's more, Nick figures out that the attic is a strange magnetic vortex, which attracts all sorts of trouble. It's as if the attic itself has an intelligence . . . and a purpose.</p> <p>Ultimately Nick learns that the genius Nikola Tesla placed the items-his last inventions-in the attic as part of a larger plan that he mathematically predicted. Now Nick needs to get everything back.</p>

	<p>A secret beats inside Anna Thatcher's chest: an illegal clockwork heart. Anna works cog by cog -- donning the moniker Technician -- to supply black market medical technology to the sick and injured, against the Commissioner's tyrannical laws. Nathaniel Fremont, the Commissioner's son, has never had to fear the law. Determined to earn his father's respect, Nathaniel sets out to capture the Technician. But the more he learns about the outlaw, the more he questions whether his father's elusive affection is worth chasing at all. Their game of cat and mouse takes an abrupt turn when Eliza, a skilled assassin and spy, arrives. Her mission is to learn the Commissioner's secrets at any cost -- even if it means betraying her own heart. When these uneasy allies discover the most dangerous secret of all, they must work together despite their differences and put an end to a deadly epidemic -- before the Commissioner ends them first.</p>

	<p>Otto Malpense may only be thirteen years old, but so far he has managed to run the orphanage where he lives, and he has come up with a plan clever enough to trick the most powerful man in the country. He is the perfect candidate to become the world's next supervillain.</p> <p>That is why he ends up at H.I.V.E., handpicked to become a member of the incoming class. The students have been kidnapped and brought to a secluded island inside a seemingly active volcano, where the school has resided for decades. All the kids are elite; they are the most athletic, the most technically advanced, and the smartest in the country. Inside the cavernous marble rooms, floodlit hangars, and steel doors, the students are enrolled in Villainy Studies and Stealth and Evasion 101. But what Otto soon comes to realize is that this is a six-year program, and leaving is not an option.</p> <p>With the help of his new friends: an athletic martial-arts expert; a world-famous, beautiful diamond thief; and a spunky computer genius -- the only other people who seem to want to leave -- can Otto achieve what has never been done before and break out of H.I.V.E.?</p>

	<p>Mira has always almost had it all... until it all crashes and burns. She's hurt in a horrible car accident, and the only way the doctors can help is to try experimental prosthetics and chips that are implanted directly into her brain. It's a huge risk, but after months of testing and therapy, Mira is back, and better than ever. But soon her friends turn against her as their parents call her on unfair advantages and get her cut from lacrosse and the scholarships she was depending on for college. And with her enhanced hearing, she knows how many people in her school and her town are calling her a robot, a cyborg.</p> <p>Is that true? Is Mira human, or is she somehow something other? How can she overcome the ways people see her and just be herself... especially if she's not really sure who that is anymore?</p>
