

# YOUR TAX DOLLARS AT WORK

## A PROGRESS REPORT ON SCHOOL MODERNIZATION

Sequoia Elementary

Shasta Elementary

Golden West Elementary

Lincoln Elementary

Lathrop Elementary

Campus Modernization Projects Completed between 2015 and 2017

### Thank You!

Many local schools are over 50 years old and Manteca Unified School District has conducted an extensive facilities condition assessment identifying critical repairs and updates needed at aging local schools. Thanks to local tax measures, MUSD has been able to fund over \$136.5 million in facility renovations at 13 schools to date!

Thank you for supporting local schools! Your contributions help MUSD provide safe and secure campuses, improve access and accommodate a growing student population. Below is a glimpse of past, current and future projects as informed by our District's Master Facilities Plan and Assessments.
