

Lathrop High School

2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard)

<https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Contact Information

School Name	Lathrop High School
Street	647 Spartan Way
City, State, Zip	Lathrop, CA 95330
Phone Number	(209) 938-6350
Principal	Greg Leland
Email Address	gleland@musd.net
School Website	https://www.mantecausd.net/lathrophihschool
County-District-School (CDS) Code	39 685930116376

2022-23 District Contact Information

District Name	Manteca Unified School District
Phone Number	(209) 825-3200
Superintendent	Clark Burke
Email Address	cburke@musd.net
District Website Address	www.mantecausd.net

2022-23 School Overview

Lathrop High School (LHS) is home of Spartan Nation! As the newest of the five comprehensive high schools in Manteca Unified and the only comprehensive high school in Lathrop, LHS intentionally builds a positive school culture with a strong focus on college and career readiness for every student. In August 2008 the school opened with 481 students; that number has grown to more than 1500 students in 2022. The school grounds cover 54 acres and include two gyms, a dance room, a conditioning room, a swimming pool and a stadium, two shop buildings, a greenhouse, and sixty-five classrooms. During 2022-2023 school year, the District's CTE programs were incorporated into Lathrop High School giving our students full access to agricultural mechanics, game design, education and family services, health science, and a manufacturing and product design pathways. Students have the opportunity to be a Career and Technical Education Pathway Completer or Supercompleter. LHS will continue to add additional course offerings to meet the need of the growing student population. LHS offers an abundance of UC a-g designated courses in addition to numerous CTE programs and pathways. The availability and flexibility provided by the 4x4 block schedule format allows our students access to more elective choices and deeper development of their chosen areas of interest. Students can participate in band, choir, Academic Decathlon, agriculture and FFA, culinary arts, JROTC and woodshop. They can study art, piano, dance, sewing, world languages, business, and more! For those students who need assistance, LHS offers intervention in the form of before and after school tutoring and teacher-held office hours.

2022-23 School Overview

LHS also offers Advanced Placement (AP) courses in English, math, science, social science, Spanish and French. All freshmen participate in the Success 101 program, which helps each student to define a ten-year plan for his/her future. Lathrop High Spartans are strongly encouraged to participate in athletics, community service, and extra-curricular activities to increase school connectedness, which helps students feel supported and keeps them engaged in learning on campus. There are more than 25 active student clubs with strong teacher support and more than 600 students participate after-school sports each year. Leadership students create an undercurrent of positive school culture – “We Are Spartan Nation” – through ongoing activities and opportunities for student engagement during the school day and after school. Student participation in school events is encouraged and monitored through the use of the Five-star app with 75% of students checking in at one or more events. Students can also earn “Savage Spartan” points that they can redeem for Spartan gear through Agora, the student-run student store.

The Lathrop High School Spartan community grows every year, and as Lathrop is currently ranked as one of the fastest growing cities in the state of California, that growth is expected to continue well into the next decade. Many of our families are generational Lathrop residents, but much of the city's growth also comes from the influx of Bay Area commuters. The staff at Lathrop High understands its place in this community and the importance of maintaining a safe and inviting campus that supports strong academics and strong student engagement. The staff works hard to balance academics with a rich and vibrant school culture. Additionally, Lathrop High students are invited to “Respect the SHIELD,” SHIELD standing for “Spartans Honor Integrity, Engagement, Leadership, and Determination.” These values form the foundation for student behavioral expectations and citizenship on campus. Individual students are recognized regularly for embodying these character traits through the Student-of-the-Month program and annual Golden Shield awards given out during our SHIELD rallies. Along with staff, parents, and the community, Lathrop High School strives to prepare its students with the skills and abilities to be successful in their post-secondary careers and to become contributing members of their communities.

About this School

2021-22 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 9	352
Grade 10	456
Grade 11	375
Grade 12	294
Total Enrollment	1,477

2021-22 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	48.3
Male	51.7
American Indian or Alaska Native	0.6
Asian	10.8
Black or African American	7.2
Filipino	12.3
Hispanic or Latino	54.4
Native Hawaiian or Pacific Islander	1.0
Two or More Races	3.9
White	9.6
English Learners	13.3
Foster Youth	0.7
Homeless	3.0
Migrant	0.0
Socioeconomically Disadvantaged	50.6
Students with Disabilities	10.3

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	54.80	74.28	885.50	84.32	228366.10	83.12
Intern Credential Holders Properly Assigned	5.10	6.99	38.90	3.71	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	11.40	15.46	113.30	10.79	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	2.40	3.25	11.40	1.09	12115.80	4.41
Unknown	0.00	0.00	0.90	0.09	18854.30	6.86
Total Teaching Positions	73.70	100.00	1050.10	100.00	274759.10	100.00

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown						
Total Teaching Positions						

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	
Misassignments	11.40	
Vacant Positions	0.00	
Total Teachers Without Credentials and Misassignments	11.40	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.90	
Local Assignment Options	1.40	
Total Out-of-Field Teachers	2.40	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

2021-22 Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	16.50	
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	7.30	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Most recent hearing on the sufficiency of instructional materials was on September 14, 2021.

Year and month in which the data were collected

November 2021

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy

School Facility Conditions and Planned Improvements

The District takes great effort to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses the Facility Inspection Tool (FIT) instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the District Office. Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Age of School Buildings

Lathrop High School was completed in 2008, including the administration building, library, two gymnasiums, theater arts building, and 59 classrooms. In 2021, 7 portable classrooms were placed on campus.

Maintenance and Repair

District maintenance staff ensures that repairs necessary to keep schools in good working order are completed in a timely manner. A work order process is used to ensure efficient service and emergency repairs are given the highest priority.

Cleaning Process and Schedule

The District's governing Board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the school office and at the District Office. Staff works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Program

The District allocates funding for deferred maintenance. The Deferred Maintenance Program includes funding for replacement of existing school building components so that the educational process may safely continue. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, wall systems, floor systems, etc. The District's 2022-2023 budget allocated \$140,000 to address deferred maintenance needs throughout the district.

Modernization Projects

The District is currently planning to renovate and modernize its schools based upon the District's 2014 Facility Master plan and 2019 Needs Assessment. As part of that activity there are projects planned at the campus which will be completed through the use of local funds. State funding will also be sought for those projects which may be eligible for modernization funding. An additional 7 portables have been placed as of 2021.

Year and month of the most recent FIT report

July 2022

School Facility Conditions and Planned Improvements

X			

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	60	N/A	38	N/A	47
Mathematics (grades 3-8 and 11)	N/A	23	N/A	20	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	363	350	96.42	3.58	60.29
Female	172	165	95.93	4.07	69.70

Students with Disabilities	41	37	90.24	9.76	8.11

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

For any 2020–21 data cells with N/T values indicate that this school did not test students using the CAASPP for Science.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
Science (grades 5, 8 and high school)	30.22	31.87	19.27	20.38	28.5	29.47

2021-22 CAASPP Test Results in Science by Student Group

This table displays CAASPP test results in Science by student group for students grades five, eight, and High School. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	645	637	98.76	1.24	31.87
Female	309	306	99.03	0.97	32.68
Male	336	331	98.51	1.49	31.12
American Indian or Alaska Native	--	--	--	--	--

2021-22 Career Technical Education Programs

Lathrop High School has focused on integrating and focusing on elements of a 21st Century student, adhering to the motto of the "Spartan Way." Ninth graders participate in Success 101, a class designed to help them select a career path and develop a 10-year plan as they move through high school. Next Step is an elective course, open to eleventh and twelfth graders, that focuses on general life skills. A career path is developed for each student to prepare for the transition from school to post-secondary options. Lathrop students may enroll in CTE classes on campus in a variety of career pathways. Students also may enroll in districtwide CTE capstone courses in a variety of areas. CTE classes incorporate Standards for Career Ready Practice (a series of twelve standards that encompass fundamental knowledge and skills students need in order to be prepared for

2021-22 Career Technical Education Programs

postsecondary education, career development, or the workforce) as well as standards-specific to their industry sector that are technical skills.

Districtwide CTE Capstone Courses:

- Administration of Justice
- Automotive Technology I
- Careers with Children
- Computer Programming & Game Design
- Culinary Arts/Food Service & Hospitality
- Fashion Merchandising
- Health Careers
- Interior Design
- Multimedia
- First Responders

Lathrop High School Career Pathways:

- Animal Science
- Agricultural Mechanics
- Ag Mechanics
- Ornamental Horticulture/Floriculture
- Games and Simulation
- Business Management
- Financial Services
- Food Service & Hospitality
- Patient Care
- Product Innovation and Design
- Welding and Joining Materials
- Public Safety
- Emergency Response
- Education
- Game Design & Integration

CTE Advisory Committee Members and Industry

Industry Members:

- Charlie Halford – Public Services
- Dan Eavenson – Engineering
- Danell Hepworth – Education
- Don Smail – Economic Development, Public Services
- Garret Morrison – Public Services
- George Singh – Banking
- Gretchen La Due – Construction
- Jeff Liotard – Food Service/Hospitality
- Joann Beatty – Chamber of Commerce
- Julie Kay – Education
- Marty Harris – Sales
- Patrick Rabelo – Real Estate
- Patrick Williams – Engineering
- Rex Osborn – Public Services
- Silvia Mendez – Parent
- Tevani Liotard – Food Service/Hospitality
- Tom Wilson – Real Estate
- Traig Smith – Public Services

Education Members:

- Clara Schmiedt – Manteca USD
- Amanda Peters – Manteca USD
- Larry Machado – Manteca USD
- Lisa Herrin – Manteca USD

2021-22 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	1117
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	32.2
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2021-22 Pupils Enrolled in Courses Required for UC/CSU Admission	93.84
2020-21 Graduates Who Completed All Courses Required for UC/CSU Admission	43.23

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 5	0	0	0	0	0
Grade 7	0	0	0	0	0
Grade 9	100	99	90	99	100

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

The support of parents and the school community strongly influences Lathrop High School's success. Lathrop High has experienced increased parent involvement as it has become a fixture in the city. All parents are invited to attend Back-to-School Night in the fall, along with various events and activities throughout the year, such as sporting events, performances, and celebrations. Parents with incoming ninth graders are invited to the annual eighth-grade parent night to learn more about our school community and culture. Parents of student-athletes participate in Parent/Student-Athlete nights held in fall, winter, and spring along with sports banquets at the end of each season.

Parents support Lathrop students through the Athletic Boosters, School Site Council, and the English Learner Advisory Committee. Parents assist with our music, agriculture, academic decathlon, and other student programs. Parents who serve on the School Site Council and the English Learner Advisory Committee help with school-wide planning and analysis through the WASC self-study and strategic planning input. Parents regularly attend parent conferences and various parent committees for fundraisers and field trips. Additionally, our Interact and Black Student Union clubs work with the Lathrop Sunrise Rotary to hold an annual food drive that serves more than 100 families during the holidays. We proudly host the Manteca Area Community (MAC) band, which includes students, community members, and staff. The MAC band also puts on concerts with our school music program.

During the 2022-23 school year, we had our inaugural Spartan Coffee Social hour. Sessions are held monthly in English and Spanish and serve to engage parents in an informal setting in dialogue to improve student/family experience at Lathrop High with the goal of improving student scores and promoting safety.

Additional information about Lathrop High School and our programs is available on the school website. Parents and the community are also kept updated on school events and accomplishments through the school bulletin, the marquee, and various social media sites: LHS Facebook page, Twitter account, Remind app, and PeachJar.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2019-20	School 2020-21	School 2021-22	District 2019-20	District 2020-21	District 2021-22	State 2019-20	State 2020-21	State 2021-22
Dropout Rate		1.4	2.1		2.8	3.9		8.9	7.8
Graduation Rate		95	94.1		93.7	93.2		84.2	87

2021-22 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2021-22 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate
All Students	289	272	94.1
Female	148	143	96.6

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	4.88	4.19	2.45
Expulsions	0.21	0.14	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
Suspensions	1.54	6.73	0.91	4.62	0.20	3.17
Expulsions	0.00	0.13	0.01	0.09	0.00	0.07

2021-22 Suspensions and Expulsions by Student Group

Student Group	Suspensions Rate	Expulsions Rate
All Students	6.73	0.13
Female	5.03	0.00
Male	8.32	0.25
American Indian or Alaska Native	0.00	0.00
Asian	2.40	0.00
Black or African American	10.83	0.00
Filipino	3.26	0.00
Hispanic or Latino	7.67	0.24
Native Hawaiian or Pacific Islander	6.67	0.00
Two or More Races	6.67	0.00
White	7.01	0.00
English Learners	9.87	0.00
Foster Youth	26.32	0.00
Homeless	2.00	0.00
Socioeconomically Disadvantaged	7.55	0.20
Students Receiving Migrant Education Services	0.00	0.00
Students with Disabilities	11.83	0.00

2022-23 School Safety Plan

All school sites in the Manteca Unified School District annually update their Comprehensive School Safety Plan. Plans are revised by Site Administration per the required adoption process with appropriate School Site Council public meetings and School Site Safety Team input. At the March 2022 Board of Education meeting, current school safety plans were unanimously approved by the MUSD Board of Education!

The safety of students and staff as well as the security of school campuses are high priorities in MUSD. Safety plans in place are thorough and inclusive of various forms of threats and the protocols aligned for each situation. Staff and students receive ongoing training throughout the school year on emergency response and participate in regular disaster preparedness drills including but not limited to specific procedures for fire, earthquake, flood, civil disturbance, and hazardous chemical situations as aligned with state guidance. Safety plans evolve as necessary to adapt to current local, state, and national conditions.

Each school in Manteca Unified has a dedicated site safety team made up of key personnel who represent differing areas of expertise and perspective relating to campus logistics. The team meets regularly to review, adjust, and implement the best safety procedures for their school communities. Plans outline the many components necessary for a comprehensive safety plan such as steps for preparedness, proactive measures for prevention, emergency response, and a thoughtful blueprint for recovery.

As Manteca Unified School District attendance boundaries expand beyond city limits, MUSD partners and works closely with six law enforcement agencies, three fire departments, and many local first responders. MUSD's master emergency plan as well as school safety plans are reviewed by these agencies.

Several members of District senior leadership as well as the MUSD's Coordinator of School Safety and Emergency Preparedness maintain an ICS 100 certification.

2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	24	12	13	9
Mathematics	24	8	20	3
Science	26	5	8	8
Social Science	26	4	11	8

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	23	15	12	12
Mathematics	24	12	14	10
Science	27	5	8	7
Social Science	23	10	21	3

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	20	20	7	12
Mathematics	21	17	15	7
Science	25	6	4	12
Social Science	23	9	4	12

2021-22 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	351.67

2021-22 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	4.2
Library Media Teacher (Librarian)	1.0
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	0.2

2020-21 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2020-21 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	6,036.04	1,411.09	4,624.95	88,908.01
District	N/A	N/A	4,322.97	\$81,482
Percent Difference - School Site and District	N/A	N/A	6.7	8.7
State	N/A	N/A	\$6,594	\$85,368
Percent Difference - School Site and State	N/A	N/A	-35.1	4.1

2021-22 Types of Services Funded

All Manteca schools receive allocations of General Fund support for staffing, instructional materials and supplies, custodian needs, and other uses. Funding for the support services such as maintenance of buildings and grounds, utilities, and student transportation is budgeted on a district-wide, centralized basis and provided to each school site-based on the unique needs of the individual school.

In addition to its support from the local General Fund, each school in the Manteca Unified School District receives yearly allocations from various state and federal categorical programs. The purposes of these categorical programs range from improving the quality of the total instructional program for all students to addressing the unique needs of special groups of students such as limited-English proficient, academically deficient, socio-disadvantaged, and students at risk of dropping out of school.

2020-21 Teacher and Administrative Salaries

This table displays the 2020-21 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$54,455	\$51,081
Mid-Range Teacher Salary	\$77,756	\$77,514
Highest Teacher Salary	\$104,246	\$105,764
Average Principal Salary (Elementary)	\$159,739	\$133,421
Average Principal Salary (Middle)		\$138,594
Average Principal Salary (High)	\$167,604	\$153,392
Superintendent Salary	\$284,070	\$298,377
Percent of Budget for Teacher Salaries	31%	32%
Percent of Budget for Administrative Salaries	5%	5%

2021-22 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses	6
--	---

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	0
English	0
Fine and Performing Arts	0
Foreign Language	1
Mathematics	1
Science	0
Social Science	2
Total AP Courses Offered Where there are student course enrollments of at least one student.	4

Professional Development

Manteca Unified School District continuously analyzes student data and utilizes staff surveys to determine professional development needs. As a district, we then prioritize our major focus areas for staff development for each school year. The Educational Services Team then plans out our district professional learning calendar as a collective. In a continued response to the COVID-19 Pandemic, the 2022-23 school year focus is to refine our Tier 1 Inclusive Instruction to engage and meet the individual needs of every student, as well as address social emotional learning and the academic learning loss of your student population. Manteca Unified provides a variety of professional development in-person and virtually for our Preschool-12th certificated and classified staff. This includes live/independent training courses, live/archived webinars, virtual and in-person training/coaching, administrator academies, and dedicated district wide training on UTK-8th Early Release and 9th-12th Late Start Professional Development Wednesdays.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2020-21	2021-22	2022-23
Number of school days dedicated to Staff Development and Continuous Improvement	136	61	96
