

T C S D # 1 SCHOOL LIBRARIES NEWS

Book Fair Reintroduced at Middle School

Jackson Hole Middle School hosted its first in-person Book Fair since December 2019. Thanks to the funds raised by JHMS students, families, and faculty members during the JHMS February 2023 Read-a-thon, students were able to select a "free-to-them" book of their choice during our week's long fair.

At JHMS, after students selected a "free-to-them" book from the Book Fair (thanks to funds raised during our February Readathon), they were invited to take photos in our glittery photo booth!

@ Colter Elementary

First Graders at CES reading with and to their "buddies" during library class.

@ Wilson Elementary

WES Library has enjoyed some fun library activities such as the read aloud of Mo's Mustache.

For the Calendar

Jackson Elementary School will have their Scholastic Book Fair the week of April 17th to the 21st

PHYSICAL CIRCULATION

Total number of library items borrowed from our district libraries this school year.

50,062

QUOTES OF THE MONTH

"I could stay in the library all day!"
-WES student

"Thanks for the book! I can't wait to read it"
- 7th grade student after selecting a "free-to-students" book at the JHMS Book Fair

DIGITAL CIRCULATION

Total number of ebooks, audiobooks and digital magazines borrowed from Sora this year.

3,854

STATION PLAY

First Grade students at Jackson Elementary School have been working on their book finding skills in the library by learning how to sort and find books that are cataloged in the non-fiction section using the Dewey Decimal System.

In Kindergarten at JES students have been exploring how fiction library books are ordered alphabetically by the author's last name. Students in both kinder and first grade learn these skill through a series of play-like stations.

Ms. Matthews' first grade class show off the books they have chosen from this year's book fair, thanks to the MMES PTO!

Celebrating Literacy

MMES Expands Book Fair, Reading Events

MMES students and staff celebrated literacy all month long with several reading-related events in March. The MMES PTO ran a very successful Read-a-Thon while the library coordinated and communicated Guest Readers who recorded themselves reading a themed picture book for each day of "Read Across America." The library's book fair ran from March 13th-17th. A highlight of this year's fair was the inclusion of more

Spanish language books for sale, provided by the vendor, Lectorum, to supplement our selection from Scholastic. The MMES PTO provided funds for every student to choose a book for free! The MMES Library used a portion of book fair profits to help teachers choose books for their classroom libraries. Thank you to all of the staff, students, families and volunteers who helped make these events possible.

JHMS COLLABORATIONS

The JHMS Library collaborated with faculty members, as well as community organizations including Teton County Library, Teton Literacy Center, JH Writers & Almost Authors,

Hole Food Rescue, JHHS Spark, and JHMS RAD during our JHMS Literacy Night. Faculty members hosted informational sessions about topics ranging from tech literacy to biliteracy.
