EAST UNION HIGH SCHOOL ADMINISTRATION

E. U. H. S. now begins to drive its roots into the colorful and significant history of the East Union Community. During our brief operation, since September 1966, we have come to establish the following as symbols of this new and emerging educational facility - "E. U. H. S. Lancers", the "Phoenix", and Red and Blue as our colors.

At this time we naturally look to the future. There is no question but that our foundation has been laid in our brief but successful first year. To the past, we will be mindful - of the present, we are faithful - of the future, we place our hope in strength and courage.

Lancer LEAD Program

A list of words that reflect our vision of East Union High School. The words are the heart of who we are and what we value.

Lancers LEAD

L - Loyalty

E - Empathy

A - Accountability

D - Determination

Lancer LEAD Program

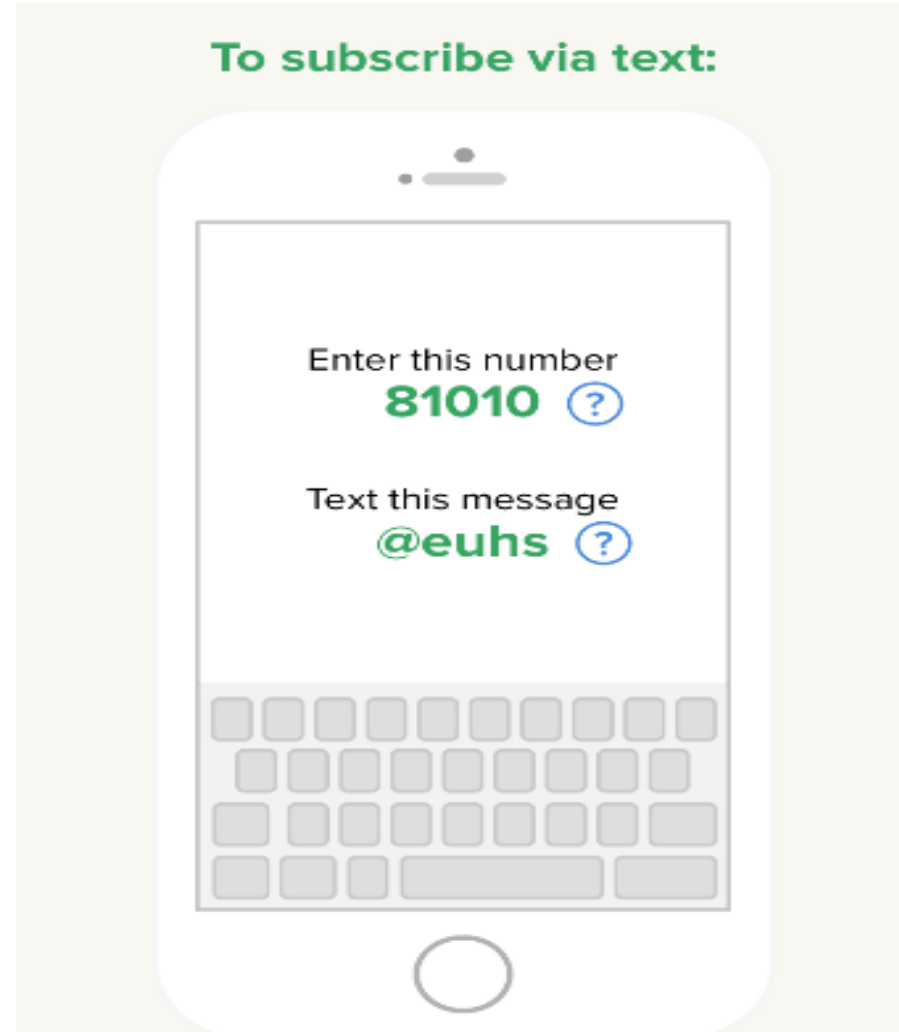

When a Student acts like a Lancer who LEADS, they can be recognized by ANY staff member. The Staff member will present the student with an EU LEAD card. The student can then turn in their card to the Attendance Office to receive their bracelet and be entered into a weekly drawing.

Each word of the month has a different bracelet. The bracelets were designed by our students and staff.
