Parking Your Car
At Manteca High
School

Dear Parent or Guardian,

Pursuant to Vehicle Code 21113, the parking regulations of Manteca High School are as follows:

1. Parking is reserved for school use by students, school employees, and guests only.

2. All vehicles must be registered with the Administration Office, and the MHS parking permit must be visibly displayed. Penalties for not having the vehicle registered or not displaying the permit are as follows:
   a. Citations will result in a fine of $22 to $275 depending on the violations. These are tickets issued by the Manteca Police Department.
   b. Continued infractions may result in revoking of driving privilege to school.

3. Parking outside of lines or in unauthorized areas may result in referral to the Manteca Police Department for appropriate action.

4. Violators may be towed at the owner's expense.

5. While respecting the rights of responsible students to drive their cars to school with parental permission, the school also realizes that it is responsible for the safety and welfare of all students; therefore, during the school day on or around the school grounds and at all school-related functions, students who drive recklessly, break traction, or speed will be penalized.
   a. Each time a student is referred for a violation the penalty(ies) will increase in severity.
   b. Penalties include detention, work detail, Saturday School and suspension.
   c. Loss of driving privileges might also be included as a penalty.
   d. Parents will also be notified of such violations.

6. Manteca Unified School District currently participates in a preventive program aimed at keeping drugs, illegal weapons, gangs and tobacco off campus. By entering the parking lot, the person in charge of any vehicle consents to search of the entire vehicle and its contents with or without cause by school officials or police officers. Any student or guest who violates any of these policies is subject to arrest by the Manteca Police Dept. and/or school suspension/expulsion.

These regulations are important to insure the safety of all who come to Manteca High School.
