ACTION:

1. Approval of the FY23 Budget Amendment

Ms. Irvine explained that there have been two budget amendments so far this year. The first amendment captured new revenue from student count adjustments as well as per-pupil increases. This second amendment reflects grant funding and grant expenditures. Special Education grants plus Title I, II, III, and IV funding came through which represents a large increase in spending on basic instruction, but this is money in and money out and does not affect fund equity.

An anticipated transfer to Capital Funds was removed and will now be transferred to the MILAF account to cover severance payments.

Funds were transferred from maintenance to the athletic department to cover costs associated with an increased sports schedule, increased officials fees, increased participation, and identified needs in the program.

Projected fund balance is 17.23% according to Board Policy.

2022-23 – 113 Moved by Dr. Pomponio, supported by Mr. Lamos, that the Board approve the Amendment of FY23 Budget as presented.

2. Approval of the Allen Elementary Toledo Zoo Field Trip

Mr. Lindsay explained that this educational field trip, for the kindergarten classes at Allen Elementary, has been given a grant to pay for the admission fees and the PTO is paying for transportation so there is no cost to the students and parents. The trip is on May 12 and is focusing on science standards.

2022-23 – 114 Moved by Dr. Pomponio, supported by Mr. Sage, that the Board approve the Toledo Zoo field trip for Allen Elementary.
