Section 7.7.

The District will make every reasonable attempt to provide a maximum number of hours to drivers on a seniority basis subject to the conditions of Section 10.7. There will be no guarantee to any driver for eight (8) hour assignments. Drivers who are scheduled to drive a-route after the completion of their regular routes shall be compensated for up to thirty (30) minutes of layover time at their regular hourly rate. Employees are expected to perform driver duties, such as calling families or checking email, during paid layover time. The District will work on providing space in buildings for drivers to check email, call parents, etc.

Section 7.7.1. Driver Regular Assignment.

A bus driver's regular assignment is defined as assigned time, including layover time, for assigned routes, shuttles, and transfers.

Section 7.7.2. Driver Extra Work.

Extra work is defined as work that is not part of a driver's regular assignment. Such extra work will be scheduled for a minimum of one (1) hour of paid time.

Section 7.7.3.

Assignments that come open as a result of drivers vacating the assignment, the creation of new additional routes, shuttles, transfers or the implementation of Section 7.7.4., shall be posted for bid for five (5) calendar days and shall be awarded the next business day. Any subsequent route, transfer or shuttle openings that result from the filling of the original route posting shall be posted for bid for three (3) calendar days and shall be awarded the next business day.

Section 7.7.4.

When any route is increased in time by forty-five (45) minutes or more per day, incrementally or not, it shall be considered a new route and put up for bid. When any route is eliminated or reduced in time by forty-five (45) minutes or more per day, incrementally or not, the driver shall have the option of bumping a less senior driver with more time. Each driver displaced by the addition or subtraction of time described above, shall be permitted one additional bid or bump per occurrence. This is in addition to the bids and bumps described in Section 7.7.5.

Section 7.7.5.

Section 7.7.6. Displaced Students.

When transporting displaced students, the Transportation Supervisor will temporarily assign such students to the most senior driver that fits the route assignment without placing the driver into overtime status. Due to the initial uncertainty of the attendance of displaced students, the additional time shall not trigger Section 7.7.4. The Union will be notified when displaced students are added to routes. After twenty (20) consecutive school days, a displaced student shall be attached to a driver's route for additional time and benefits, provided they can be removed from the driver's route when the student moves or changes routing assignment. The additional time will be determined from the average actual driving time over the twenty (20) days. Verification, if needed, will be from the Video and Data Management System.

This section does not preclude the District from transporting displaced student by other means to ensure efficient use of District resources.

Section 7.8.

During the last full week prior to the first day of school, drivers will choose their driving assignment by seniority, which may include routes, shuttles and transfers and/or special needs routes. Drivers will be provided at least twenty-four (24) hours between posting and selection of routes for appropriate consideration. The District will make reasonable effort to ensure that route information is complete prior to posting.

Section 7.8.1.

Extra work shall be assigned on a seniority basis of those signing up for the work. The exceptions to this are:

A. Any extra work that would give a driver in excess of forty (40) hours in one week shall be awarded to the next senior driver who signed for the work and would not exceed forty (40) hours.

B. Any driver who could gain one (1) hour or more of time by taking the extra work shall be permitted to vacate their regular route one (1) time per calendar week to select the extra work unless they exceed forty (40) hours. Section 7.8.1.B may be waived by the Transportation Supervisor on the basis of driver availability.

C. A driver who takes unpaid leave shall be ineligible to bid on extra work for ten (10) calendar days, unless the work is a yellow posting. A driver who cancels awarded extra work, except in case of emergency, shall be ineligible for extra work for the next ten (10) calendar days. In the event of any of the foregoing occurs, the trip shall be awarded to the next eligible senior employee.

D. Except in emergencies, Drivers whose trips are cancelled with less than two (2) hours notice from the Transportation Supervisor or his/her designee shall be offered extra work equivalent to the cancelled trip time or two (2) hours, whichever is less. If a driver pre-empted their regular shift in order to take the trip, extra work equivalent to the regular shift, or the anticipated time of the cancelled trip, whichever is less, will be offered at the start time of the cancelled trip. If the driver is able to drive their regular assignment, the trip cancellation provisions are not applicable.

E. Drivers shall be required to have completed a District provided inclement weather training course prior to being awarded any out of district trip from November 1 to April 1.

3 5

The route of the regular driver who elects to fill the temporarily vacated route may be filled by a substitute driver without being first offered to a regular driver, during which time the route will be posted for one (1) full business day, and be awarded the next business day.

In the event two (2) or more employees have the same start date, seniority order for these employees will be determined by digital random selection administered by the District and observed by a Union representative.

The District and Union will agree on the final transportation seniority list by one week from the date of the draft list. This seniority list will be updated to reflect the names and seniority rankings of all current transportation employees, as well as corrections in the seniority dates of employees with unpaid leave. Employees with more than five (5) days of unpaid leave within the school year will have their seniority date updated to subtract the number of days of unpaid leave from their seniority date to provide an (a) new seniority date, with the possibility of the new date impacting their seniority ranking. Section 10.2.

In the event of layoff, employees so affected are to be placed on a reemployment list maintained by the
