

OTHER MATTERS (PUBLIC)

1. Approval to have Hannah Marino and Brian Gallagher approved as Annual employees for Extended School Year. Each applicant will not exceed 5 hours a day for 19 days during the summer at \$12.00 per hour. Hours will not exceed 95 hours and monetary compensation will not exceed \$1,140 for each applicant for the summer. Funded through ESY.
2. Approve Sarah Jane Bakeric & Ashlei Wyant as Annual employees of our school District to be approved for hire to assist with annual theater camps, musical productions and plays. Stipends for Plays and Musicals depend on the duties and number of students involved during the school year. Stipends for these events will not exceed \$1,500 per applicant and will be brought before the board when the plays and musicals are approved. Funded through theater camp profits and Tighe School activities/theater budget.
3. Approve an increase in Lucky Kids fees in order to be on par with other after-school care rates in the area this past school year (Northfield - \$12.00 and Linwood - \$13.00) and offset a deficit of \$1,104. The Municipal Alliance subsidizes this program at \$2,427.98 which enabled us to show a profit of \$1,322 this year. However, the amount of this subsidy varies from year to year. Also, if the Alliance funding is taken away or costs for supplies increase, we would have a loss. Proposed and current fees:

PROPOSED: \$12.00 per day (each additional sibling - \$6.00 per day)

CURRENTLY: \$8 per day and \$4 for each sibling

PROPOSED: \$20.00 per day for all extra non-scheduled days (without advanced notice) in order for us to accommodate staffing needs.
