Principal's Message

We are only a week away from one of the most fun and enjoyable events that we have to offer-the Centaurus High School Prom. This is always such a wonderful event for students, and I always look forward to seeing our students have a great time together as we wind down for the year. One thing that always concerns me at this time, though, is student safety and well being. There have been a number of tragic incidents in our area and in our state in recent years, and with every event makes me more and more concerned about our students. Please help partner with us around student safety, and have a conversation with your students about avoiding drugs and alcohol, the dangers of drinking and driving, and what they should do if they face a situation in which they don't feel safe. Please let them know how much we all care about them, and care about their safety and well being. At prom, please know that we will have members of school administration, security, and Lafayette Police to greet students on their way into the venue, encourage them to make good choices, and to be there in case students encounter anything that makes them feel unsafe. Student safety is our number one priority, and we appreciate your support with this.

I also highly encourage students to attend the [Centaurus Safe Night After Prom \(CSNAP\)](#). Knowing that we have such a great event for students after our prom puts my mind at ease, and I ask that you check in with your

student about attending this fun event that is intended to keep them safe and happy. We are lucky to have a group of incredible parent volunteers that put this event on for our students, and I hope that all students take advantage of this opportunity.

Sincerely,

Daniel Ryan
Principal

Celebrating Centaurus Seniors

Messages for Class of 2023

[Graduation 2023](#)

Graduation will be May 20, 2023 - 4pm @ CU Events Center- More information [here](#)

[Senior Posters](#)

Parents, it is not too late if you still need to create a laminated poster honoring your graduating student. We hang them on April 27 and can manage a few late submissions. We want all students to be represented because posters will also be hung at the school for a few weeks. Click [here](#) for details. If you need financial support, email kathy.warlingsmith@gmail.com SOON, and we'll supply the poster board and cover the lamination fees. But you will need to "create" the poster with pictures of your student.

[Senior Car Parade](#)

Good news, a few parents reached out due to last week's newsletter encouraging a volunteer to organize a Senior Celebration Car Parade. Should it happen, more information will soon be shared in the Weekly Warrior newsletter.

[2023 Graduation YARD Signs for Centaurus High School - Does anyone want to lead this endeavor?](#)

If you have been to high school the last week of school over the past few years, you probably had the opportunity to see the fantastic sight of 400+ Senior Grad yard signs lining the campus! This has been a great addition to the excitement of graduation that was started due to Covid. Boulder Valley School District has paid for this in the past, but it's been learned the district cannot fund this activity this year. However, continuing the tradition and ensuring there is a sign for EVERY SENIOR would be neat. Students could then pick up for display around their homes. If you'd like to assess taking this on, please contact Dan Ryan- daniel.ryan@bvsd.org - There will be a link available next week for donations to this cause.
