## Detailed Spending: How Much is Spent Per Pupil in Selected Program Areas?

Program Area Details in entries O through Z represent subsets of spending in Report View One and Report View Two. Five program areas are broken out. To calculate per pupil expenditures P-12 enrollment is used for pupil services, community schools programs, and BOCES services. Enrollments for the program areas are used for special education, ELL services, and prekindergarten.

Entries O through T represent school level expenditures. For charter schools, data represents per pupil expenditures in each of category in the selected school. For traditional school districts, data under the district column represent the district average of all schools in each of these categories.

Entries U through Z represent central expenditures.
