

# HUTCHINSON SCHOOL - NEW YORK STATE REPORT CARD [2021 - 22]

The New York State Report Card is an important part of the Board of Regents' effort to create educational equity and raise learning outcomes for all students. Knowledge gained from the report card about a school or district can be used to improve instruction and inform services to students. The report card provides information to the public on school/district staff, students, and measures of school and district performance as required by the Every Student Succeeds Act (ESSA). Fundamentally, New York State's ESSA plan is about creating a set of interlocking strategies to promote educational equity by providing support to districts and schools as they work to ensure that every student succeeds. New York State is committed to ensuring that all students succeed and thrive in school no matter who they are, where they live, where they go to school, or where they come from.
