

Board of Trustees

Douglas County School District CERTIFICATED STAFF

OUTSIDE ACTIVITIES OF STAFF

The personal life of an employee shall be of concern and warrant the attention of the Board only when it prevents the employee from performing properly his assigned function during duty hours, violates local state or national law, or is prejudicial to his effectiveness in his position. No employee shall at any time engage in any employment that would affect his usefulness as an employee of the District.

No professional employee shall tutor, for additional compensation, a pupil assigned to his class. This prohibition shall not apply to the provision of homebound instruction by a classroom teacher assigned and recompensed by the School District.
