

Board of Trustees

Douglas County School District

CLASSIFIED STAFF

OUTSIDE ACTIVITIES

The Board recognizes that employees must be permitted private pursuits and may associate with others outside of school for political, economic, religious, cultural, or personal reasons. The Board and its supervisory staff, however, have a responsibility to evaluate employees in terms of their faithfulness to, and effectiveness in, discharging school duties and responsibilities. Therefore, when non-school activities threaten an employee's effectiveness within the school system, the Board reserves the right to evaluate the impact of such activities upon the employee's responsibilities to the District.

No non-school related solicitations shall be permitted in school facilities, and no written material may be distributed personally or left in working areas within the District.
