

**Board of Trustees
Douglas County School District**

PROGRAM

Recognition of Religious Beliefs and Customs

The district recognizes and shall honor the constitutional rights of students to the free exercise of religion and to have their schools free from sectarian control or influence. Staff members and students are encouraged and expected to create an atmosphere in the schools where the diverse beliefs of all students may be accommodated in a spirit of mutual respect and understanding.

See Administrative Regulation 210 A related to this Policy

Date Adopted: 8/14/12
